Goofing Off in the Jungle Coloring Book
 University of Papua New Guinea Press
 Sociology Through Film
 uses feature films to teach central areas in sociology

such as culture, race/ethnicity, social class, and gender/sexuality. By using Film to introduce the sociological imagination, students will 'experience' social context being studied, and reinforce critical thinking skills. An introductory chapter includes a discussion of the significance of film in modern society, a consideration of the ways that film both reflects and shapes social

reality, an explanation of how sociologists analyze film, and coverage of sociological tools for 'reading' film as text. Films will provide an illustrative framework for understanding the social world, and therefore the films discussed will not go 'out of date'. *Fantasy and Fun* McFarland Snow White & Friends - Sassy and money smart Snow White takes on the wicked Queen in this comedic take

on the classic tale. Along the way, Snow White meets seven friends that help her escape from the Queen. Percy, the mirror, cracks jokes and Prince Charming is well, charming. The Christmas Dragon - Dotty ole Santa Claus delivers "Cranberry" to Sara Louise by mistake. She asked for a wagon not a dragon. They become friends, but her parents fear he can blow fire. Sara Louise calls on Santa Claus

when the dragon goes missing. Can Santa Claus and Sara Louise rescue the dragon from the sleetiest, sloshiest creature alive - Dr. Slush? Will the dragon turn the icy villain to mush? Who knows? Santa's Wacky Christmas - Santa Claus suddenly travels to the jungle and thinks he's a tweety bird. His reindeer buddy, a zebra, and giraffe try to set him right but mean old Candy Pain

likes it that way. Oy vey! The Tiger Turned Pink - Adorable tiger Toby is very shy and when he gets embarrassed he blushes bright pink. His pals a sassy zebra, goofy giraffe, and one really smart gorilla play with Toby in the jungle. Two mean hunters capture the animals and take them to the circus. Can Toby figure out a way to escape by using his bright glow? Let's hope so. The Witch's Surprise -

Darling young witch Windy Boo is looking for a Halloween gift for her mother. A clever black cat helps her find the scariest gift - one that will make a witch scream. Ghosts, zombies, mummies and other monsters haunt this comedic tale that might make you scream. *The Crazy Snake and The Sparrow* Createspace Independent Publishing Platform Battling giant

snakes, poison pits and hostile headhunters after a plane crash in the Amazon, movie star Jack Hunter reveals himself to be something altogether different from the macho adventurer he plays in Hollywood. Luckily for him, he's marooned with movie-industry animal trainer Maxine Daniels and her two kids. The lovely 'Max' has more than enough high-spirited

courage and fiery determination to get them all home. But when terrifying natives capture the feisty heroine, fate calls on the handsome actor to become the hero he always pretended to be in pictures. With such daring demands on the two-fisted matinee hero, will Jack embark on a journey to win the heart of the woman he loves'or perish in the darkest jungles of the Amazon?
