FORD LACI

Letture Orion Children's Books

The complete trilogy in one volume! Werewolves, facing the threat of extinction, desperately seek their mates to bear young. Aurora, a human far removed from the supernatural world, is nearing her own end after being fatally injured in a car accident. Kai, an alpha werewolf, lurks in the nearby trees watching her bleed out. He chooses to save her the only way he knows how, by changing her. Aurora struggles with her past as a domestic abuse survivor and the new dominating and violent lifestyle of a werewolf. No one is prepared for what happens next. The tides turn in favor of the werewolves. The Matefinder has been found, and she is more powerful than anybody ever imagined. But is she prepared to be the most hunted werewolf in history?

A Wizard of Earthsea Getty Publications

From the internationally acclaimed and bestselling historians William Dalrymple and Anita Anand, the first comprehensive and authoritative history of the Koh-i-Noor diamond, arguably the most celebrated jewel in the world. On March 29, 1849, the ten-year-old leader of the Sikh kingdom of the Punjab was ushered into the magnificent Mirrored Hall at the center of the British fort in Lahore, India. There, in a formal Act of Submission, the frightened but dignified

child handed over to the British East India Company swathes of the richest land in India and the single most valuable object in the subcontinent: the celebrated Koh-i-Noor diamond, otherwise known as the Mountain of Light. To celebrate the acquisition, the British East India Company commissioned a history of the diamond woven together from the gossip of the Delhi Bazaars. From that moment forward, the Koh-i-Noor became the most famous and mythological diamond in history, with thousands of people coming to see it at the 1851 Great Exhibition and still more thousands repeating the largely fictitious account of its passage through history. Using original eyewitness accounts and chronicles never before translated into English, Dalrymple and Anand trace the true history of the diamond and disperse the myths and fantastic tales that have long surrounded this awe-inspiring jewel. The resulting history of south and central Asia tells a true tale of greed, conquest, murder, torture, colonialism, and appropriation that shaped a continent and the Koh-i-Noor itself.

Dosso's Fate St. Martin's Press

A comprehensive re-assessment of Raphael's artistic achievement and the ways in which it transformed the idea of what art is.

Greek Texts and Armenian Traditions

Cambridge University Press

The first comprehensive guide to women's promotion and use of textual culture, in manuscript and print, in Renaissance Italy.

Dragon lords e altre storie. Le più belle storie special edition Oxford University Press on Demand

Although based on historical persons from the 9th century, Ragnar Lodbrok and his sons are the subjects of

compelling legends dating from the Viking era. Warriors, raiders, and rulers, Ragnar and his sons inspired unknown writers to set down their stories over seven centuries ago. This volume presents new and original translations of the three major Old Norse texts that tell Ragnar's story: the Saga of Ragnar Lodbrok, the Tale of Ragnar's Sons, and the Sogubrot. Ragnar's death song, the Krakumal, and a Latin fragment called the List of Swedish Kings, complete the story. Extensive notes and commentary are provided, helping the reader to enter the world of these timeless stories of Viking adventure.

The Noisy Renaissance Getty Publications

From the strictly regimented church bells to the freewheeling chatter of civic life, Renaissance Florence was a city built not just of stone but of sound as well. An evocative alternative to the dominant visual understanding of urban spaces, *The Noisy Renaissance* examines the premodern city as an acoustic phenomenon in which citizens used sound to navigate space and society. Analyzing a range of documentary and literary evidence, art and architectural historian Niall Atkinson creates an "acoustic topography" of Florence. The dissemination of official messages, the rhythm of prayer, and the murmur of rumor and gossip combined to form a soundscape that became a foundation in the creation and maintenance of the urban community just as much as the city's physical buildings. Sound in this space triggered a wide variety of social behaviors and spatial relations: hierarchical, personal, communal, political, domestic, sexual, spiritual, and religious. By exploring these rarely studied soundscapes, Atkinson shows Florence to be both an exceptional and

an exemplary case study of urban conditions in the early modern period.

Theater Outside Athens Juggernaut Books

Dosso Dossi has long been considered one of Renaissance Italy's most intriguing artists. Although a wealth of documents chronicles his life, he remains, in many ways, an enigma, and his art continues to be as elusive as it is compelling. In *Dosso's Fate*, leading scholars from a wide range of disciplines examine the social, intellectual, and historical contexts of his art, focusing on the development of new genres of painting, questions of style and chronology, the influence of courtly culture, and the work of his collaborators, as well as his visual and literary sources and his painting technique. The result is an important and original contribution not only to literature on Dosso Dossi but also to the study of cultural history in early modern Italy.

Jesuit on the Roof of the World New Amer Library

The purpose of this volume is to investigate the crucial role played by the return of knowledge of Greek in the transformation of European culture, both through the translation of texts, and through the direct study of the language. It aims to collect and organize in one database all the digitalised versions of the first editions of Greek grammars, lexica and school texts available in Europe in the 14th and 15th centuries, between two crucial dates: the start of Chrysoloras's teaching in Florence (c. 1397) and the end of the activity of Aldo Manuzio and Andrea Asolano in Venice (c. 1529). This is the first step in a major investigation into the knowledge of Greek and its dissemination in Western Europe: the selection of the texts and

the first milestones in teaching methods were put together in that period, through the work of scholars like Chrysoloras, Guarino and many others. A remarkable role was played also by the men involved in the Council of Ferrara (1438-39), where there was a large circulation of Greek books and ideas. About ten years later, Giovanni Tortelli, together with Pope Nicholas V, took the first steps in founding the Vatican Library. Research into the return of the knowledge of Greek to Western Europe has suffered for a long time from the lack of intersection of skills and fields of research: to fully understand this phenomenon, one has to go back a very long way through the tradition of the texts and their reception in contexts as different as the Middle Ages and the beginning of Renaissance humanism. However, over the past thirty years, scholars have demonstrated the crucial role played by the return of knowledge of Greek in the transformation of European culture, both through the translation of texts, and through the direct study of the language. In addition, the actual translations from Greek into Latin remain poorly studied and a clear understanding of the intellectual and cultural contexts that produced them is lacking. In the Middle Ages the knowledge of Greek was limited to isolated areas that had no reciprocal links. As had happened to many Latin authors, all Greek literature was rather neglected, perhaps because a number of philosophical texts had already been available in translation from the seventh century AD, or because of a sense of mistrust, due to their ethnic and religious differences. Between the 12th and 14th century AD, a change is perceptible: the sharp decrease in Greek texts and knowledge in the South of

Italy, once a reference-point for this kind of study, was perhaps an important reason prompting Italian humanists to go and study Greek in Constantinople. Over the past thirty years it has become evident to scholars that humanism, through the re-appreciation of classical antiquity, created a bridge to the modern era, which also includes the Middle Ages. The criticism by the humanists of medieval authors did not prevent them from using a number of tools that the Middle Ages had developed or synthesized: glossaries, epitomes, dictionaries, encyclopaedias, translations, commentaries. At present one thing that is missing, however, is a systematic study of the tools used for the study of Greek between the 15th and 16th century; this is truly important, because, in the following centuries, Greek culture provided the basis of European thought in all the most important fields of knowledge. This volume seeks to supply that gap.

Matefinder Columbia University Press
 Il volume raccoglie la saga di Dragon Lords che narra le avventure di Zio Paperone, Paperino e Qui, Quo Qua trasportati in un fantastico mondo fantasy. Terre lontane, città fortificate, orchi sinistri ma soprattutto draghi, sono gli ingredienti principali dei dodici capitoli dell'emozionante saga! La vicenda ha inizio quando la simpatica famigliola si appresta a preparare un tranquillo picnic nella natura, ma all'improvviso si apre una porta spaziotemporale verso un mondo medioevale, dominato dai terribili Morg, che solcano il cielo a bordo di draghi volanti.

A Hero Born Walter de Gruyter GmbH & Co KG
 This landmark volume combines classic and revisionist essays to explore the

historiography of Sardinia's exceptional transition from an island of the Byzantine empire to the rise of its own autonomous rulers, the iudikes, by the 1000s.

Once Upon a Time in America Getty Publications

This is a prediction book that tells the future of USA, China, Korea, India, Taiwan, Australia, Canada, UK, Vietnam, Japan, Africa, Russia...etc. Are you done reading novels such as Demon Slayer, Fantastic beasts, Lord of the flies, Pride and prejudice, Robinson Crusoe, Dragon ball, attack on titan, naruto, one piece, one punch man, bleach, slam dunk, inuyasha, David Copperfield, Wuthering Heights and Dracula, or manga such as Watchmen, Xmen, Teen Titan, the walking dead or Ghost in the shell? Feel free to download the non erotic adventurous comic book of Terra Ocean series, this graphic novel will be an enjoyable material to read. An Extradition law passed in Hong Kong caused the tension to rise in Asia, follow by a virus outbreak eventually lead to Global warfare between Nations. China's disintegration formed several small Countries in Asia. Meanwhile, an undercover project developed by Monsando Corps. is to ensure Nations have enough power to encounter whats coming next... This Graphic novel / manga /comic book is nothing like Harry Potter, The hobbit, A game of throne, A WIZARD OF EARTHSEA, THE WAY OF KINGS, Name of the Wind, ASSASSIN'S APPRENTICE, THE LIES OF LOCKE LAMORA, KUSHIEL'S DART, The Bear and the Nightingale, The Fellowship of the Ring...etc. An extradition law was passed in Hong Kong, tension rose between civilians and government. Later on in 2020, a virus outbreak caused tension to increase between Nations, trade war,

technology warfare eventually lead to nuclear conflict. After the disaster happened, CCP government disintegrated into several small Countries. On another side of the globe, Monsando Corp had a secret undercover development called Project Genesis, the goal was it protect its Nation from the Chronicle Error to occur in history again... This is a science fiction graphic novel similar to Xmen, not ￼￼￼, ￼￼￼, ￼￼￼, ￼￼, sword art online, Donald Duck and Uncle Scrooge: World of the Dragonlords Createspace Independent Publishing Platform "The book is like a dream you want to last forever" (Roberta Silman, The New York Times Book Review), now with a gorgeous new cover by the famed designer Peter Mendelsund The Rings of Saturn—with its curious archive of photographs—records a walking tour of the eastern coast of England. A few of the things which cross the path and mind of its narrator (who both is and is not Sebald) are lonely eccentrics, Sir Thomas Browne's skull, a matchstick model of the Temple of Jerusalem, recession-hit seaside towns, wooded hills, Joseph Conrad, Rembrandt's "Anatomy Lesson," the natural history of the herring, the massive bombings of WWII, the dowager Empress Tzu Hsi, and the silk industry in Norwich. W.G. Sebald's The Emigrants (New Directions, 1996) was hailed by Susan Sontag as an "astonishing masterpiece perfect while being unlike any book one has ever read." It was "one of the great books of the last few years," noted Michael Ondaatje, who now acclaims The Rings of Saturn "an even more inventive work than its predecessor, The Emigrants." **Titian Remade** Walter de Gruyter GmbH & Co KG This riveting tale of the Kohinoor, the

world's most coveted gem, unearths fascinating new information as it moves from the Mughal court to Persia to Afghanistan; from Maharaja Ranjit Singh's durbar in Punjab to the Queen of England's Crown. A thrilling tale, full of violence, drama and intrigue.

Manual of Deixis in Romance Languages
BRILL

The legends tell of a small village created by the Gods, where life flows without death stopping it. The Adults hide a great secret: on the mountains lives an evil Dragon, guardian of an ancient power, and it is said that he only eats children. In the darkness of the night, moved by the lust for this power, the Demons invade the impenetrable mountain range of the Kolgòta that protects the village. Only Dasmond, a young boy, fights his enemies to save the true heir of the ancient power: "The Son of the Dragon". An exciting story set at the time of the Emperor Constantine, where the Demons mingle among the people and only a select few can eradicate Evil from our world. They are those who will one day be called "The Demon Tamers".https://www.instagram.com/christian_brancati_writer/

The novel was an adventurous journey into the ancient world: initially we find ourselves in the Roman Empire, in Egypt, and Jerusalem, with well-studied customs described in detail

according to the period. Christian's world, however, is not only historical, but is inhabited by powerful dragons and demons that threaten the lives of men. It will be up to Damian, a mysterious human half dragon and half demon, and his group of friends met on his way, to restore balance. Recommended for those who love fantasy and lively battles.

Exciting from the first page, it immediately transports you into a narrative made of mystery, fantasy, history and mythology ... a winning and engaging mix. I appreciated the author's imagination and the meticulous classification and description of everything. I recommend reading to get away from reality and spend a few hours together with the many characters that animate this book. I hope for a continuum
Amazon customer

Very original fantasy
2 February 2019
Format: Kindle format
A book somewhere between Fantasy and history, where Rome, demons, dragons and much more intertwine in a constant struggle. The author is thorough in the descriptions and left nothing to chance.

Congratulations on your imagination in creating the plot. Recommended.
Making and Rethinking the Renaissance
Penn State Press

"Help us, Huey, Louie, and Dewey! You're Morgworld's only hope!" A feature-length fantasy epic pits Donald, Scrooge, and the gang against a deadly troll kingdom!

The Renewal of Pagan Antiquity
Houghton Mifflin Harcourt

This insightful volumes the use of imitation and the modern cult of originality through a consideration of the

disparate fates of two Venetian painters - the canonised master Titian and his artistic heir, the little-known Padovanino. The Wars of Religion in France, 1559-1576 Penguin

The first collection of essays on the development of Greek theater in ancient Sicily and South Italy, written by specialists in a range of fields, including literature, archeology and history. These different perspectives give a more complex picture of the development of western Greek theater than has hitherto been available.

European Drawings 2 Walter de Gruyter GmbH & Co KG

An interdisciplinary approach, crucial as it is in most fields of research, proves itself to be unescapable in the study of interactions between the ancient Armenian and Greek worlds and literatures. The volume arises from such an awareness and collects papers presented in a conference which has been organized in 2013 at the University of Genova, thanks to a cooperation with the Université Paris-Sorbonne, following

in the footsteps of a tradition inaugurated by Giancarlo Bolognesi in the years '80 and '90. The subject is explored from many points of view: the topic of Armenian translations of Greek texts - with considerations of a methodological nature and the discussion of case-studies -, aspects which pertain to the historical context and the historiographical sources, the wide theme of the Armenian reception of Biblical, Christian and Byzantine literature, and finally philological, linguistic and lexical problems. The aim of this kind of research is to exploit the cooperation among classical philologists, linguists and Armenologists, in order to face the challenge of investigating a subject which requires many different competences.

Dragon Lords e altre storie CS Publish Ginzburg, "the preeminent Italian historian of his generation [who] helped create the genre of microhistory" ("New York Times"), ruminates on how perspective affects what we see and understand. 26 illustrations.
