Every Medical Facility Tries To Provide Best Possible Services To Its Customers. Standard Operating Procedures (Sop) Of Various Departments Together Constitute A Hospital Manual Which Significantly Determines The Performance Of A Hospital In Practical Terms. Thus, Every Hospital Must Prepare Sop In A Way That It Ensures Consistency In Working Of Varied Departments On The One Hand And Enables To Obtain Best Results In A Cost-Effective Manner On The Other. The Present Book Will Prove A Useful Aid In Preparing Sops. It Is Written Keeping In Mind The Problems Usually Faced By Middle And Small Size Hospitals During The First Few Years Of Their Operation. It Not Only Lays Down The Basic Duties And Responsibilities Of Staff Members, Procedures And Policies But Also Provides Many Sample Stationery Formats Applicable To Various Departments. The

Standards Laid Down Here Are Most Common And Easy To Adopt By Hospitals Owing To Their Flexibility Which Enables Their Modification So As To Suit One S Needs, Be It Any Department Opd, Ipd, Emergency, Investigation, Administrative, Accounts, Etc. This Book Will Be Particularly Beneficial To All Such Persons Who Are Involved In Managing Middle And Small Sized Hospitals And Lack In Sufficient Experience In Handling Day-To-Day Performance. While For The Established Hospitals The Book Would Serve As A Valuable Guide In The Management Of Affairs Of Their Various Departments In A Rather More Efficient And Cost-Effective Manner. In Addition, It Is Useful For The Students Of Mha, Dha And Mba (Ha).

Scholarship related to financial and consumer education largely concerns itself with the acquisition, management, and growth of financial resources. In a global setting that witnesses increasing competition for natural resources, along with diminishing appreciation for human rights, a challenge for financial and consumer educators involves developing foundation for bettering individual wealth in manners that respect all members of a global society. Reframing Financial Literacy fills this need by providing literature that examines a broad view of financial literacy by connecting financial practice with issues of citizenship, along with personal and professional identity. It relates these issues to educational theory and practice to provide the reader with information about the relevance of improving social worth, while bettering financial wealth. Boasting 14 previously unpublished chapters from an international slate of authors, and classroom adaptable lesson plans for each chapter, Reframing Financial Literacy will interest both teachers and researchers with its exciting classroom activities and its provocative content. This is a must work that no education professional should be without.

A lot has changed since 1985, when this landmark collection of human resource forms was last published. New legislation, the ongoing modernization of company practices, and drastic changes in the workplace have led to a slew of new challenges for HR professionals. Forms Used in Human Resources tackles these challenges head on. It is fully revised with up-to-date forms for areas such as domestic partnership, the ethical use of computer software, and requests for translation services. Forms Used in Human Resources is for anyone faced with the difficult task of creating or redesigning human resources forms. It features contributions from over 55 U.S. and Canadian companies and includes 350 commonly used HR forms. It can be used as a source to create new forms or as a standard for evaluating your company's current forms with those used by others. Forms in this book have been designed to meet the needs of the companies using them. They have already been put to use by companies such as the Principal Financial Group, the Southwestern Life Corporation and Mutual of New York, so you know they work well in the workplace. And with so comprehensive a source, there is no longer any need to spend hours doing research or struggling to create a new form. Practical examples are right there at your fingertips-examples that will save you valuable time and money.

This extensively revised third edition serves as a textbook for B.Com. and other professional courses in accounting. It covers the new syllabus of Cost Accounting recommended by U.G.C. for B.Com. courses and also the syllabus of Cost Accounting (PE-II Exam., of ICAI). The text is example based and illustrates each concept by providing solved problems that demand the application of the concept. In addition, under the section, "Review Problems", complete solutions to a large number of problems selected from professional examinations have been incorporated. A key feature of the book is discussion at the end of each solution, under "Points to Remember", that provides insights into the problem. Learning cost accounting using this book will be more enjoyable as the problems are interesting and arranged in order of difficulty.
