Siddhartha Fredericton, N.B. : Brunswick Press

On 21st September 2001 the mutilated torso of a small child was found floating beside London's Tower Bridge, one tide away from being swept into the North Sea. Unable to identify the victim, the Murder Squad turned to Richard Hoskins, a young professor of theology with a profound understanding of African tribal religion, whose own past was scarred by a heartbreaking tragedy. Thus began a journey into the tangled undergrowth of one of the most notorious murder cases of recent years; a journey which would reveal not only the identity of the boy they called Adam but the horrific truth that a succession of innocent children have been ritually sacrificed in our capital city. Insightful and grippingly written, *The Boy in the River* is an inside account of a series of extraordinary criminal investigations and a compelling personal quest into the dark heart of humanity.

In the spring of 2000, Richard Renaldi began making frequent trips to the small New England city of Fall River, Massachusetts. Situated just a short distance from the Atlantic coast, Fall

River was once at the very center of American textile manufacturing. Renaldi's aim was to photograph the young men of Fall River coming of age amidst an industrial landscape well past its boom years. This extraordinary body of images - both portraits and landscapes - is gathered here for the first time in Renaldi's second monograph, *Fall River Boys*.

Buffalo Man Anchor

The Other Side of the River Harper Collins

Ste-e-e-eamboat's a-comin'!" Along the banks of the great Mississippi River, a young boy named Samuel Clemens raced to the docks whenever he heard that familiar cry. He dreamed of exploring the world beyond his river town. Little did he know that one day he would become the famous writer Mark Twain, and write about his boyhood adventures along the bustling river waterfront in the classic stories *The Adventures of Huckleberry Finn* and *The Adventures of Tom Sawyer*. Sam's exploits take him from the printing presses of the Hannibal Courier to the decks of the steamboats that travel the mighty Mississippi, and even to the Wild West. Now noted historian William Anderson tells the colorful story of Sam's life as he grows from a mischievous boy into the enterprising author. Dan Andreasen's fresh, vibrant paintings capture the spirit of the storyteller who will live on forever as one of America's literary icons.

"Death of a River Guide makes good on a truly soaring ambition and flirts with literary greatness. . . . An indelible vision

of how surely the history of a land plays its part in shaping the interior landscape of the human beings who occupy it.”

—The Chicago Tribune With Death of a River Guide, Richard Flanagan gives us an extraordinary novel as sprawling and compelling as the land and people it describes. Beneath a waterfall on a remote Tasmanian river, Aljaz Cosini is drowning. Beset by visions, he relives not just his own life but that of his family and forebears. He sees his father, Harry, burying his own father, Boy. He sees Boy himself as a young man, and his Auntie Ellie, chased by a cow she believes is a Werowa spirit. In the waters that rush over him Aljaz finds a world where his story connects to family stories that are Aboriginal, Celtic, Italian, English, Chinese, and East European—what he ultimately discovers in the flood of the past is the soul history of his country.

Four Great Rivers to Cross Perfection Learning

Hailed as one of the year's top five novels by Time, and selected as one of the best books of the year by nearly all major newspapers, national bestseller *Peace Like a River* captured the hearts of a nation in need of comfort. "A rich mixture of adventure, tragedy, and healing," *Peace Like a River* is "a collage of legends from sources sacred and profane -- from the Old Testament to the Old West, from the Gospels to police dramas" (Ron Charles, *The Christian Science Monitor*). In "lyrical, openhearted prose" (Michael Glitz, *The New York Post*), Enger tells the story of eleven-year-old Reuben Land, an asthmatic boy who has reason to believe in miracles. Along with his sister and father, Reuben finds himself on a cross-country search for his outlaw older brother who has been controversially charged with murder. Their journey is touched by serendipity and the kindness of strangers, and its remarkable conclusion shows how family, love, and faith can stand up to the most terrifying of enemies, the most tragic of fates. Leif Enger's "miraculous" (Valerie Ryan, *The Seattle Times*) novel is a "perfect book for an anxious time ... of great literary

merit that nonetheless restores readers' faith in the kindness of stories" (Marta Salij, *Detroit Free Press*).

On My Honor Barnes & Noble Publishing

This New York Times bestseller from Dennis Lehane is a gripping, unnerving psychological thriller about the effects of a savage killing on three former friends in a tightly knit, blue-collar Boston neighborhood. When they were children, Sean Devine, Jimmy Marcus, and Dave Boyle were friends. But then a strange car pulled up to their street. One boy got into the car, two did not, and something terrible happened—something that ended their friendship and changed all three boys forever. Twenty-five years later, Sean is a homicide detective. Jimmy is an ex-con who owns a corner store. And Dave is trying to hold his marriage together and keep his demons at bay —demons that urge him to do terrible things. When Jimmy's daughter is found murdered, Sean is assigned to the case. His investigation brings him into conflict with Jimmy, who finds his old criminal impulses tempt him to solve the crime with brutal justice. And then there is Dave, who came home the night Jimmy's daughter died covered in someone else's blood. A tense and unnerving psychological thriller, *Mystic River* is also an epic novel of love and loyalty, faith and family, in which people irrevocably marked by the past find themselves on a collision course with the darkest truths of their own hidden selves.

Kindred Simon and Schuster
 From the New York Times bestselling author of *Parable of the Sower* and MacArthur "Genius" Grant, Nebula, and Hugo award winner The visionary time-travel classic whose Black female hero is pulled through time to face the horrors of American slavery and explores the impacts of racism, sexism, and white supremacy then and now. "I lost an arm on my last trip home. My left arm." Dana's torment begins when she suddenly vanishes on her 26th birthday from California, 1976, and is dragged through time to antebellum Maryland to rescue a boy named Rufus, heir to a

slaveowner's plantation. She soon realizes the purpose of her summons to the past: protect Rufus to ensure his assault of her Black ancestor so that she may one day be born. As she endures the traumas of slavery and the soul-crushing normalization of savagery, Dana fights to keep her autonomy and return to the present. Blazing the trail for neo-slavery narratives like Colson Whitehead's *The Underground Railroad* and Ta-Nehisi Coates's *The Water Dancer*, Butler takes one of speculative fiction's oldest tropes and infuses it with lasting depth and power. Dana not only experiences the cruelties of slavery on her skin but also grimly learns to accept it as a condition of her own existence in the present. "Where stories about American slavery are often gratuitous, reducing its horror to explicit violence and brutality, *Kindred* is controlled and precise" (New York Times). "Reading Octavia Butler taught me to dream big, and I think it's absolutely necessary that everybody have that freedom and that willingness to dream." —N. K. Jemisin
 The series adaption from FX premieres December 13 on Hulu. Developed for television by writer/executive producer Branden Jacobs-Jenkins (*Watchmen*), executive producers also include Joe Weisberg and Joel Fields (*The Americans*, *The Patient*), and Darren Aronofsky (*The Whale*).
