A philandering art dealer tries to give up casual love affairs - seeking only passionate kisses as a substitute. A man recounts his personal history through the things he has stolen from others throughout his life. A couple chart the journey of their five year relationship backwards, from awkward reunion to lovelorn first encounter. And, at the heart of the book, a 24-year old young woman, Bethany Mellmoth, embarks on a year-long journey of wishful and tentative self-discovery. The Dreams of Bethany Mellmoth depicts the random encounters that bring the past bubbling to the surface; the impulsive decisions that irrevocably shape a life; and the endless hesitations and loss-of-nerve that wickedly complicate it. These funny, surprising and moving stories are a resounding confirmation of Boyd's powers as one of our most original and compelling storytellers.

Los misterios de Udolfo ALFAGUARA

An empowering journey through the mechanisms of the mind from one of the world's leading mental health experts. For those in pursuit of a better life, psychiatrist Marian Rojas Estapé presents the essential guide to neuroscience-driven mindfulness. Understanding your brain, managing your emotions, and being aware of your responses to stressors can give you greater self-control. Rather than a gimmicky guidebook, this is a thorough look at how our brains react to stress, threats, hyperstimulation, and the vices of our digital age. With proven techniques backed by solid, up-to-date psychiatric research, Estapé teaches us how to make the best of our lives. Combining science, psychology, and philosophy, Estapé delivers practical advice about how we can cultivate a happy existence. This includes understanding the parts of the brain, setting healthy goals and objectives, strengthening willpower, cultivating emotional intelligence, developing assertiveness, avoiding excessive self-criticism and self-demand, and mastering the proven art of optimism.

March 24. The spring is fairly with us now. Outside my laboratory window the great chestnut-tree is all covered with the big, glutinous, gummy buds, some of which have already begun to break into little green shuttlecocks. As you walk down the lanes you are conscious of the rich, silent forces of nature working all around you. The wet earth smells fruitful and luscious. Green shoots are peeping out everywhere. The twigs are stiff with their sap; and the moist, heavy English air is laden with a faintly resinous perfume. Buds in the hedges, lambs beneath them-everywhere the work of reproduction going forward! I can see it without, and I can feel it within. We also have our spring when the little arterioles dilate, the lymph flows in a brisker stream, the glands work harder, winnowing and straining. Every year nature readjusts the whole machine. I can feel the ferment in my blood at this very moment, and as the cool sunshine pours through my window I could dance about in it like a gnat. So I should, only that Charles Sadler would rush upstairs to know what was the matter. Besides, I must remember that I am Professor Gilroy. An old professor may afford to be

natural, but when fortune has given one of the first chairs in the university to a man of four-and-thirty he must try and act the part consistently.

Four members of a London club relate their former careers in crime

La dulce mentira de la ficción e-artnow

La gran novela de Arturo Pérez-Reverte que abrió el camino del éxito internacional a los thrillers inspirados en el mundo de los libros ¿Puede un libro ser investigado policialmente como si de un crimen se tratara, utilizando como pistas sus páginas, papel, grabados y marcas de impresión, en un apasionante recorrido de tres siglos? Lucas Corso, mercenario de la bibliofilia, cazador de libros por cuenta ajena, debe encontrar respuesta a esa pregunta cuando recibe un doble encargo de sus clientes: autenticar un manuscrito de Los tres mosqueteros y descifrar el enigma de un extraño libro, quemado en 1667 con el hombre que lo imprimió. La indagación arrastra a Corso -y con él, irremediamente, al lector- a una peligrosa búsqueda que lo llevará de los archivos del Santo Oficio a los libros condenados, de las polvorientas librerías de viejo a las más selectas bibliotecas de loscoleccionistas internacionales. Construida con excepcional talento narrativo, El club Dumas sitúa pieza a pieza una trama excitante, minuciosa y compleja, donde se dan cita los ingredientes de la novela clásica por entregas, los relatos policíacos y de misterio, los juegos de adivinación y las técnicas del folletín de aventuras. Esta novela fue llevada al cine por el director Roman Polanski con el título La novena puerta. La crítica ha dicho... «Un auténtico thriller, una trama maravillosamente compleja.» The New York Times Book Review «Entre El nombre de la rosa, el juego de rol y Agatha Christie.» L'Express «Hay un escritor español que se parece al mejor Spielberg más Umberto Eco. Se llama Arturo Pérez-Reverte.» La Repubblica «Ni el lector más perspicaz podría anticiparse a las electrizantes sorpresas de este misterio elegante como un Escher.» The New Yorker «El español Pérez-Reverte camina gallardamente sobre las huellas del gran Alejandro Dumas haciendo malabarismos con los personajes, multiplicando pistas falsas e intrigantes misterios.» Bertrand Audusse, Le Monde

The Burial of the Rats Bram Stoker - The Burial of the Rats has the distinctive flavor of an Edwardian gentlemen magazine thriller, and it features all the necessary tropes for this genre: a young man

forced to prove his manhood through his mental prowess and physical stamina, a white-knuckled chase scene, last minute escapes, themes of Social Darwinism and Nietzschean philosophy, a sense that the struggle is a coded rite of passage, a distant lover, degenerate villains without mercy or scruples, a battle against the natural elements, and a seemingly hopeless race against time. This type of story would become even more popular after World War One (its heyday being the 20s, 30s, and 40s) and revived after World War Two (where these sorts of action thrillers the lone man fighting for survival against Nature and mankind alike were beautifully adapted for male-centered radio programs like *Escape and Suspense*). Although he was preceded in the man-on-the-run thriller by Ambrose Bierce (*An Occurance at Owl Creek Bridge*), Robert Louis Stevenson (*The Suicide Club*), and Rudyard Kipling (*The Man Who Would Be King*), *Stokers Burial of the Rats* is among the first to perfectly epitomize the formula of the modern suspense thriller...

"Leixlip Castle" is a 1825 novel by Charles R. Maturin. Charles Robert Maturin (1782 - 1824) was a writer of Gothic literature and Irish Protestant clergyman best known for the novel "Melmoth the Wanderer", a story about a scholar who sold his soul to the devil in exchange for 150 extra years of life. This gripping novel will appeal to lovers of Gothic literature and is not to be missed by those who have read and enjoyed other works by this seminal author. Other notable works by Maturin include: "The Fatal Revenge" (1807), "The Wild Irish Boy (1808)", and "The Milesian Chief" (1812). Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with a specially-commissioned new biography of the author.

Another of Henry Rider Haggard's renowned action-adventure tales, *Nada the Lily* tells the story of revered warrior Umslopogaas, an illegitimate son of the Zulu monarch Chaka, who is forced into exile and must fight to defend his honor -- as well as to win the love of the sought-after and seemingly unattainable beauty Nada. With plenty of battlefield action and stirring romance, this rollicking tale has something to offer every reader.

Awe and exhilaration--along with heartbreak and mordant wit--abound in *Lolita*, Nabokov's most famous and controversial novel, which tells the story of the aging Humbert Humbert's obsessive, devouring, and doomed passion for the nymphet Dolores Haze. *Lolita* is also the story of a hypercivilized European colliding with the cheerful barbarism of postwar America. Most of all, it is a meditation on love--love as outrage and hallucination, madness and transformation.

Dostoiévskiy Editorial Complutense

La Ciudad Vampiro es una obra maestra del humor negro, hasta un grado tan exacerbado que hace pensar en los cuentos de Apollinaire o los delirios de bande dessinée propios de Jean-Pierre Jeunet o Marc Caro y que a pesar de su tono paródico funciona como una alucinada narración fantástica, como novela de horrores grotescos y estrambóticos, como una pesadilla surreal y gozosamente absurda. Ya desde los orígenes de la novela gótica, cuando *El Monje* (GOT 3) (CD 4), *Vathek*, *Melmoth el errabundo* y sobre todo las obras de Ann Radcliffe gozaban de un amplio público, surgieron réplicas irónicas y salaces como *La mansión de las pesadillas* de Thomas Love Peacock o *La abadía de Northanger* de Jane Austen. Pero nada más lejos de estas amables sátiras que el espíritu delirante y surrealista de *La Ciudad Vampiro*, de Paul Féval, autor de folletines y novelas de gran éxito en su tiempo, como *Los misterios de Londres* o *El caballero de Lagardère*.

Honoré de Balzac, el padre de la novela realista, no pudo resistir a la atracción de lo fantástico y en varias etapas de su vida el autor de *La Comedia humana* rindió tributo al género del misterio y lo sobrenatural. Bajo el título de *Melmoth reconciliado* -homenaje de Balzac a Ch. R. Mathurin, autor de la consagración y cumbre de la novela gótica *Melmoth el errabundo*- se recogen «La obra maestra

desconocida», con el tema de la pintura como eje de lo fantástico; «El elixir de larga vida», una

nueva versión de la historia de Don Juan y sus infiernos; «La posada roja» y «Jesucristo en Flandes», dos muestras más del Balzac visionario.
