White Stag Little, Brown Books for Young Readers
 White Stag, the first book in a brutally stunning series by Kara Barbieri, involves a young girl who finds herself becoming more monster than human and must uncover dangerous truths about who she is and the place that has become her home. A Wattpad break out star with over a million reads! Now expanded, revised and available in print and eBook. As the last child in a family of daughters, seventeen-year-old Janneke was raised to be the male heir. While her sisters were becoming wives and mothers, she was taught to hunt, track, and fight. On the day her village was burned to the ground, Janneke—as the only survivor—was taken captive by the malicious Lydian and eventually sent to work for his nephew Soren. Janneke's survival in the court of merciless monsters has come at the cost of her connection to the human world. And when the Goblin King's death ignites an ancient hunt for the next king, Soren senses an opportunity for her to finally fully accept the ways of the brutal Permafrost. But every action he takes to bring her deeper into his world only shows him that a little humanity isn't bad—especially when it comes to those you care about. Through every battle they survive, Janneke's loyalty to Soren deepens. After dangerous truths are revealed, Janneke must choose between holding on or letting go of her last connections to a world she no longer belongs to. She must make the right choice to save the only thing keeping both worlds from crumbling.

Lucifer Vol. 1: Cold Heaven Simon and Schuster

In book three of the Curse Workers series, "the perfect end to this gem of a trilogy" (Kirkus Reviews, starred review), trust is a priceless commodity and the lines between right and wrong become dangerously blurred. Cassel Sharpe knows he's been used as an assassin, but he's trying to put all that behind him. He's trying to be good, even though he grew up in a family of con artists and cheating comes as easily as breathing to him. He's trying to do the right thing. And he's trying to convince himself that working for the government is the right choice, even though he's been raised to believe they are the enemy of all curse workers. But with a mother on the lam, the girl he loves about to take her place in the Mob, and all new secrets coming to light, what's right and what's wrong become increasingly hard to tell apart. When the Feds ask him to do the one thing he said he would never do again, he starts to wonder if they really are the good guys, or if it's all a con. And if it is, Cassel may have to make his biggest gamble yet—on love. Love is dangerous and trust is

priceless in Holly Black's "powerful, edgy, dark" fantasy series (Publishers Weekly).
