Jesus demonstrated the presence and power of God by performing miracles. He turned water into wine, healed the sick, calmed the storm, opened blind eyes, and raised the dead. While these beloved stories draw our attention to divine power, they also have something else in common: human desperation. Every time we see Jesus performing a miracle, we also get a glimpse into the gift of desperation, a gift that opens us to the dramatic power of God through our desperate need for him. In this six-week Bible study, Jessica LaGrone leads us in a captivating exploration of the miracles of Jesus, helping us to see that our weakness is an invitation for God to work powerfully in our lives and reminding us that we need God on our best days just as much as we do on our worst. Themes and miracle stories include: the gift of desperation (turning water into wine and other signs of God's response of fullness in our times of emptiness) the miracle of abundance (feeding the 5,000 and other abundance stories) miracles on the water (calming the storm, walking on water, the abundant catch) Jesus our healer (5 stories of healing) death and resurrection (Lazarus, Jairus' daughter) the miracle we all receive (the Incarnation) The Leader Guide contains six session plan outlines, complete with discussion points and questions, activities, prayers, and more—plus leader helps for facilitating a group. Other components for the Bible study, available separately, include a Participant Workbook, DVD with six 20-25 minute sessions, and boxed Leader Kit.

Do you find it more difficult to think of Jesus Christ as a human, like you, than to think of him as God? You may believe in God, and you may believe Jesus is God, but many Christians find it difficult to think of him as a real person—fully human as he was fully divine. Award-winning author Max Lucado reveals in this video Bible study that in order to really know God and understand the Gospel, it's essential that we take a closer look at Jesus' humanity. The concept of Jesus' human and heavenly nature is difficult to wrap our minds around. He's the God who formed the universe and, at the same time, knows your personal struggles...because he went through the same things. For thirty-three years Jesus felt everything you have ever felt. Weakness. Weariness. Sadness. Rejection. His feet got tired. His head ached. He was tempted and his strength was tested. The purpose of this study is simple: by journeying through these six lessons with a small group, you will get to know Jesus—and, therefore, God—like you never have before. And by learning more about the person Jesus was and is, we come to understand more clearly the people we were created to be. The *Jesus Study Guide* includes: video teaching notes group discussion questions and activities Bible exploration and prayers and weekly personal study and reflection materials. Get ready to study who Jesus was while he walked this earth and what that means for your life today. In doing this, you will get to know God, his purpose for you, and his love for you like you never have before. First Corinthians - Women's Bible Study Leader Guide Abingdon Press

We live in a world full of bad news. The media recounts stories of natural disasters, violence, and conflict. In the midst of all this heartbreak, we can't lose sight of the fact that God has given us good news. We call it the gospel. It reminds us that God loves us and longs to redeem our suffering. He stepped out of eternity and into time to send us His one and only Son. The gospel truths shared with the early church at Rome echo into our day, reminding us that we still have good news to embrace personally and to share with others. In this six-week study of the Book of Romans, we will be highlighting significant concepts regarding the good news about faith, grace, daily life, God's plan, relationships, and eternity. Whatever bad news we may receive, in Romans we will find good news to encourage and transform us. Join Melissa in taking a posture of listening and learning as we approach this powerful book packed with good news. Let's ask God to do a mighty work in and through us as we study so that we might be inspired with a spiritual renewal that spreads to those around us! "All too often, God's Word can seem intimidating and hard to understand even, especially with books like Romans. In this study Melissa helps us take in the truths of Romans in a way that makes a difference in our lives today. Getting beyond the surface of reading God's Word for feel-good feelings, Melissa helps us read to know God better and, as a result, build godly confidence that will stand no matter what may come in our lives." —Lynn Cowell, Author of *Make Your Move* and *Brave Beauty*, and Proverbs 31 Ministries speaker and writer In a bad-news world, how deeply we need to bathe our hearts afresh in the good news of the Gospel! The truth is that we were created to be overwhelmed . . . not by life but by God! When we learn to be overwhelmed by God, the fruit in our lives goes from rotten to fragrant—filling our days with peace, hope, love, and joy. In this six-week Bible study, Hayley DiMarco walks us through the story of Mary, Jesus' mother, who knew what it was like to be overwhelmed. As we explore Mary's life—from the news that she would give birth to God's Son to the day she witnessed his tragic death on the cross—we find ourselves on a journey from overwhelming joy to overwhelming sorrow and back again, learning along the way how to be consumed with the mission of God rather than the "mission of me." Each week explores a part of Mary's story along with practical and biblical application related to a particular aspect of life that can make us feel overwhelmed. As we dig into Scriptures in both the Old and New Testaments, Hayley shows us how to find freedom by becoming overwhelmed instead with who God is—learning to "treasure in our hearts" what we know about God so that we can hold onto faith even when it seems that all is lost. Get ready to discover how to have an amazingly overwhelming relationship with God! The Leader Guide contains six session plan outlines, complete with discussion points and questions, activities, prayers, and more—plus leader helps for facilitating a group. Other components for the Bible study, available separately, include a Participant Workbook, DVD with six 20-25 minute sessions, and boxed Leader Kit.

Five Things God Uses to Grow Your Faith is an exciting small group Bible study from Andy Stanley that establishes the biblical case for five things God uses to grow an unshakable faith.

Introduction to the Bible - Study Set Abingdon Press

All of us know what it's like to be hurt or betrayed. Often it's a small breach such as being spoken to rudely or overlooked in a time of need. Other times we experience lies, gossip, or harsh words that cut us to the core. Some of us have endured unspeakable pain through abuse, adultery, or abandonment. God knows the pain we cause each other and longs to help us learn to practice forgiveness. Nowhere do we see forgiveness played out more fully in Scripture than in the biblical story of Joseph. This six-week study explores what God has to say to us about grace and forgiveness through Joseph's story of trial and triumph found in Genesis 37-50. As we study his dreams, his betrayers, his dysfunctional family, his struggle to forgive, and his journey toward reconciliation, we'll find truths that echo into our own personal situations as well as practical help for answering common questions, such as: How do I stop dwelling on the hurt? Is forgiving someone excusing what happened? When will I stop having to re-forgive? Is there a difference between forgiveness and reconciliation? How can I forgive and still set boundaries? Is it

ever okay not to forgive? Whether or not you are working through a hurtful situation right now, you can learn from Joseph how to release your past and present hurts to God and allow Him to do a supernatural work of forgiveness in your life. God wants to use the very things intended to hurt you as a source of blessing in your life and the lives of others. The Leader Guide contains six session plan outlines, complete with discussion points and questions, activities, prayers, and more—plus leader helps for facilitating a group. Other components for the Bible study, available separately, include a Participant Workbook, DVD with six 20-25 minute sessions, and boxed Leader Kit (an all-inclusive box containing one copy of each of the Bible study's components). *Christianity, Cults and Religions Leader Guide* HarperChristian Resources

"Everyone who drinks this water will be thirsty again, but whoever drinks the water I give will never be thirsty. The water I give will become a spring of water gushing up inside that person, giving eternal life." (John 4:13-14 NCV) Like the woman at the well, we recognize our need for living water. We need moisture, a swallow of water, a long, quenching drink. But where do we find water for the soul? In this renewing and life-giving program, Max Lucado leads us to the four essential nutrients needed by every soul. Participant's Guide (978-1-4185-3390-8) sold separately.

Life is like a rollercoaster. One day it seems that everything in life is good, and the next day it can feel like everything is falling apart. Then there are those in between days when we're coasting along without much thought to the highs or lows. The prophet Elijah experienced this rollercoaster ride as well. One moment he was hiding out in the wilderness during a famine, being fed by the ravens, and the next he was on the mountaintop where God showed up in a powerful way with fire and then rain. Even Elijah grew weary of all the ups and downs, telling God, "I have had enough" (1 Kings 19:4). He needed spiritual stamina in order to keep on going and fulfill all the plans God had for his life. We do too! In this six-week study grounded in 1 and 2 Kings, we will examine the life of the prophet Elijah, an ordinary man who did extraordinary things for God in the midst of the highs and lows of life. We'll learn some of the spiritual stamina secrets that helped him to hold on and persevere in faith, including practical habits related to making decisions, caring for the soul, accepting his circumstances, mentoring, and finishing well—which was his ultimate legacy. Whether we're currently in a mountaintop season where we're experiencing God's power and blessing, a valley season where we feel like running away, or somewhere in between, Elijah's life will inspire us to go the distance in the life of faith. Best of all, his story will challenge us but not shame us, because we'll discover that Elijah was just as human as we are. He doubted and struggled just as we do, but ultimately, he chose to believe God. As we study his life, we will grow in faith and develop spiritual stamina that will help us not only to survive but actually thrive in every season. The Leader Guide, to be used along with the study's workbook and DVD, contains six session plan outlines, complete with discussion points and questions, activities, prayers, and more—plus leader helps for facilitating a group. Other components for the Bible study, available separately, include a Participant Workbook, DVD with six sessions of about 25 minutes each, and boxed Leader Kit (an all-inclusive box containing one copy of each of the Bible study's components). A companion Prayer Devotional is also available.

Covenant Bible Study guides small groups through a comprehensive, in-depth study of the whole Bible over twenty-four sessions broken into three eight-session modules. Unlike the learning participants may have experienced in other groups, this study emphasizes the biblical concept of covenant as a unifying theme through both the Old and New Testaments. It underscores the unique relationship that God chooses to have with us as God's people. This relationship is grounded in the faithfulness of God's love and on our ongoing commitment to stay in relationship with God while sharing signs of God's love with others. The Leader Guide contains comprehensive and detailed direction for the group leader to use in each 90-minute group experience. Direction is provided for each component of the group meeting with options that allow leaders to adapt to the group's unique characteristics. Components of the group meeting experience include: Gathering Together - Opening questions designed to prompt conversation that connects to the main theme of the episode. Reflecting Together - Sharing what participants learned from the week's scripture readings with questions that tie their discoveries into a central theme.
