" In a lost and long forgotten valley high up in the mountains, The Mercenary has been contracted to save a woman from the mysterious and powerful Cult of the Sacred Fire. Each volume is complemented with articles at the back

about the history and the making of this series over its gloried, decades-long history" --

Interviews with the Disney artist who created Scrooge McDuck and many well-loved comic books Disney artist Carl Barks (1901-2000) created one of Walt Disney's most famous characters, Scrooge McDuck. Barks also produced more than 500 comic book stories. His

work is ranked among the most widely circulated, best-loved, and most influential of all comic book art. Although the images he created are known virtually everywhere, Barks was an isolated storyteller, living in the desert of California and preferring to labor without public fanfare during most of his career. He created work of such exceptional quality that he was accorded the greatest autonomy of any Disney artist. He is the only comic book artist ever to receive a Disney Legends award. The influence of Barks's work on such filmmakers as George Lucas and Steven Spielberg and on such artists as Gottfried Helnwein has extended Barks's significance far beyond the boundaries of comics. After Barks's death at the age of ninety-nine, Roy Disney praised him

for his "brilliant artistic vision." Carl Barks: Conversations is the only comprehensive collection of Barks's interviews. It ranges chronologically from the very first one (with Malcolm Willits, the fan who uncovered Barks's identity) to the artist's final conversations with Donald Ault in the summer of 2000. In between are interviews conducted by J. Michael Barrier, Edward Summer, Bruce Hamilton, and others. Several of these interviews are published here for the first time. Ault's friendship with Barks, ranging over a period of thirty years, provides an unusually intimate resource not only for standard q&a interviews but also for casual conversations in informal settings. Carl Barks: Conversations reveals previously unknown information

about the life, times, and opinions of one of the master storytellers of the twentieth century. Donald Ault, a professor of English at the University of Florida, is the author of Narrative Unbound: Re-Visioning William Blake's The Four Zoas and Visionary Physics: Blake's Response to Newton. His work has been published in Studies in Romanticism, The Wordsworth Circle, Modern Philology, and The Comics Journal.

King Kirby Kodansha America LLC Visionary storyteller, Jodorowsky, returns to the epic mythology he created with the late Moebius over 30 years ago. This volume concludes the spiritual space adventures of everyman, John DiFool, as the universe faces the threat of an all-devouring metallic virus. The book

contains both the original, unfinished After the Incal drawn by Moebius, as well as the complete 3-volume series, Final Incal illustrated by Ladronn.

Nel quinto volume troviamo Paperino impegnato a contrastare i sortilegi della strega Nocciola e della sua scopa Belzebù. Non solo, Paperino dovrà vedersela anche con le invenzioni creative di Archimede Pitagorico. Per la prima volta con la collana PAPERDINASTIA, i capolavori di Carl Barks sono raccolti in maniera organica e completa. Le storie del grandissimo autore americano, universalmente conosciuto come "L'Uomo dei Paperi", sono qui presentate in ordine cronologico, seguendo quello che è stato

il flusso della sua creatività e l'evoluzione dei suoi personaggi. Nell'edizione digitale basta toccare due volte il testo per attivare o disattivare l'ingrandimento.

Hodaka has finally started to feel like he's found his place in Tokyo with Hina and Nagi, but his sunny days won't last forever. The Sunshine Girl powers are beginning to take their toll on Hina, putting her in danger of disappearing into the skies. And as the rain returns and Tokyo's weather starts to intensify, an incident from Hodaka's recent past closes in on him. He'll have to fight to survive and keep the light of his life from fading out, but can he change the sad fate that awaits the Weather Maiden? In *Weathering With You*, Makoto Shinkai dives into topics like love and sacrifice to show how far one boy goes to protect the thing he loves most. This manga reveals the backstories and true

thoughts of the characters who stole the hearts of fans and critics worldwide.
