Edward Grey is a medical student by day, necromancer by night. He lives alone with the first zombie he ever raised, his childhood cat, Boo. Edward's life is simple: studying medicine, training his necromantic powers with his mentor, Mariel, and having weekly dinners with his parents. When he finds a very attractive corpse in a park and brings it home to reanimate, he creates a sassy, free-willed zombie who believes Edward is the one who murdered him. With no memory of his former life, Edward names the zombie Kit and tries to win his trust. Kit slowly adjusts to his new un-life with Edward's help, though he's still suspicious of Edward's role in his death and is convinced that Edward is hiding his former identity. Edward is very attracted to Kit, but understands why Kit doesn't trust him. As they become closer to one another, Kit turns to Edward for comfort and love. The fragile trust they've built together will be tested when Kit unexpectedly regains his memory and seeks revenge on his murderers.

"The Adventures of Tom Sawyer by Mark Twain is an 1876 novel about a young boy growing up along the Mississippi River. It is set in the 1840 in the fictional town of St. Petersburg, inspired by Hannibal, Missouri, where Twain lived as a boy. In the novel Tom Sawyer has several adventures, often with his friend Huckleberry Finn. Originally a commercial failure, the book ended up being the best selling of any of Twain's works during his lifetime. Though overshadowed by its sequel, Adventures of Huckleberry Finn, the book is by many considered a masterpiece of American literature, and was one of the first novels to be written on a typewriter."

The International Year of Fruits and Vegetables 2021 (IYFV), as declared by the UN General Assembly in Resolution A/RES/74/244, aims at raising awareness of, directing policy attention to, and sharing good practices on the nutritional and health benefits of fruit and vegetable consumption, the contribution of fruit and vegetable consumption to the promotion of diversified, balanced and healthy diets and lifestyles, and reducing loss and waste of fruits and vegetables. This background paper outlines the benefits of fruit and vegetable consumption, but also examines the various aspects of the fruit and vegetable sector from a food systems approach: from sustainable production and trade to loss and waste management. This paper provides an overview of the sector and a framework and a starting point for discussion for the Year, highlighting the interlinkages of stakeholders and key issues to be considered for action during the IYFV.

Translated from the Urdu by Khushwant Singh. Umrao Jan Ada is perhaps one of the most enigmatic and forgotten female figures in South Asian Literature. The question of her existence, her beauty, her scholarly abilities and her poetic gift remain a mystery. The book is an account of Umrao's life as a Lucknawi courtesan, a nautch girl, delivered in first person by Umrao herself, and documented by a close friend. Written more than a hundred years ago, the novel recreates the gracious ambience of old Lucknow and takes the reader on a fascinating journey through the palaces of wealthy nawabs, the hideouts of the colorful vagabonds and the luxurious abodes of the city's courtesans.

In this remarkable debut novel, a boy's bittersweet passage to maturity and sexual awakening is set against escalating political tensions in Sri Lanka, during the seven years leading up to the 1983 riots. Arjie Chelvaratnam is a Tamil boy growing up in an extended family in Colombo. It is through his eyes that the story unfolds and we meet a delightful, sometimes eccentric cast of characters. Arjie's journey from the luminous simplicity of childhood days into the more intricately shaded world of adults – with its secrets, its injustices, and its capacity for violence – is a memorable one, as time and time again the true longings of the human heart are held against the way things are.

'I Had a Black Dog says with wit, insight, economy and complete understanding what other books take 300 pages to say. Brilliant and indispensable.' - Stephen Fry 'Finally, a book about depression that isn't a prescriptive self-help manual. Johnston's deftly expresses how lonely and isolating

depression can be for sufferers. Poignant and humorous in equal measure.' Sunday Times There are many different breeds of Black Dog affecting millions of people from all walks of life. The Black Dog is an equal opportunity mongrel. It was Winston Churchill who popularized the phrase Black Dog to describe the bouts of depression he experienced for much of his life. Matthew Johnstone, a sufferer himself, has written and illustrated this moving and uplifting insight into what it is like to have a Black Dog as a companion and how he learned to tame it and bring it to heel.

A profound truth of the wild, and the world at large, is that we are a part of it, not owners of it. Is there any animal we love and hate as much as the Royal Bengal Tiger? Tigers are feared and poached, but they also endure, becoming pin-ups for candlelight marches. Indian elephants are trapped by railway lines and fences, but are reclaiming their bodies and colonizing new areas in central India. And in our dirty cities, the sparkling Plain Tiger Butterfly flourishes as one of our last links to wildlife. Wild animals exist beyond our control. They are harmless, only occasionally dangerous. They live with us, or in spite of us. Those who know them understand that wild animals require acceptance for what they are, not enslavement for what we want them to be. In this book, we meet fifteen iconic Indian species in need of conservation and heart. The author explores what these creatures need, and how they exert agency and decision-making. With an equal emphasis on human and animal, science and skilled prose, Wild and Wilful reveals the magic of the wild in our daily lives. It will take you from fear to wonder.

In Dear Friend, you must change your life, we see some of the most fascinating thinkers in history at their most private and profound, reaching out to a friend, sharing, testing, confirming discoveries about the complexity of life, how to rise above its hardships and enjoy its pleasures. We see writers embrace the roots of philosophical thought afresh, by grappling with real, lived experience, giving us unique insight into their ideas and worldviews that their more polished, public work often does not provide. We see artists sound the foundations of their artistic and moral integrity. Ranging from Seneca and Marcus Aurelius to Flora Tristan and Walter Benjamin, to Elizabeth of Bohemia and Giacomo Leopardi, to Mahatma Gandhi and Maurice B ejart, we see how the philosophical letter as a form of thinking, and thinking freely, spans across the ages and often forms some of the most interesting and lively of philosophical writings. Each letter is given a contextualising preface by an expert that brings out the reason this particular letter is a philosophical letter for life. As such, Dear Friend, you must change your life provides a unique introduction to an array of thinkers throughout history as well as an argument for philosophy as conversation, a conversation which has been ongoing for centuries.

As beautifully illustrated as it is touching, this second book from Matthew Johnstone, author of *I Had a Black Dog*, is written for those who care for those suffering from depression - friends, family members, colleagues, and even therapists. Using wonderful illustrations and the image of Churchill's infamous 'black dog', Matthew and his wife Ainsley offer a moving, inspirational and often humorous portrait of life with depression - not only for those suffering from it themselves, but for those close to them. Living with a Black Dog speaks directly to the carer and offers practical and sometimes tongue-in-cheek tips on helping the depression sufferer, such as 'Socks have little do with mental health. If people could just "snap out of it" they would.' and 'Encourage any form of regular exercise. Fitness robs the Dog of its power'. Based on their own experiences, Matthew and his wife Ainsley treat the subject of depression sympathetically, hopefully and, most importantly, humorously.

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

"During the colonial period, Indian intellectuals--philologists, lawyers, scientists and literary figures--all sought to hold a mirror to their country. Whether they wrote novels, polemics, or scientific treatises, all sought a better understanding of society in general and their society in particular. Curiously, female sexuality and sexual behavior play an outside role in their writing. The figure of the prostitute is ubiquitous in everything from medical texts and treatises on racial evolution to anti-Muslim polemic and studies of ancient India. In this book, Durba Mitra argues that between the 1840s and the 1940s, the new science of sexuality became foundational to the scientific study of Indian social progress. The colonial state and an emerging set of Bengali male intellectuals extended the regulation of sexuality to far-reaching projects that sought to define what society should look like and how modern citizens should behave. An exploration of this history of social scientific thought offers new perspectives to understand the power of paternalistic and deeply violent claims about sexual norms in the postcolonial world today. These histories reveal the enduring authority of scientific claims to a tradition that equates social good with the control of women's free will and desire. Thus, they managed to dramatically reorganize their society around upper-caste Hindu ideals

of strict monogamy"--

Winner of the Amazon.ca First Novel Award Shortlisted for the Scotiabank Giller Prize Longlisted for the 2017 Stephen Leacock Memorial Medal for Humour Longlisted for the 2018 International IMPAC Dublin Literary Award Growing up in the suburban hell of Misery Saga (a.k.a. Mississauga), Lizzie has never liked the way she looks—even though her best friend Mel says she's the pretty one. She starts dating guys online, but she's afraid to send pictures, even when her skinny friend China does her makeup: she knows no one would want her if they could really see her. So she starts to lose. With punishing drive, she counts almonds consumed, miles logged, pounds dropped. She fights her way into coveted dresses. She grows up and gets thin, navigating double-edged validation from her mother, her friends, her husband, her reflection in the mirror. But no matter how much she loses, will she ever see herself as anything other than a fat girl? In her brilliant, hilarious, and at times shocking debut, Mona Awad simultaneously skewers the body image-obsessed culture that tells women they have no value outside their physical appearance, and delivers a tender and moving depiction of a lovably difficult young woman whose life is hijacked by her struggle to conform. As caustically funny as it is heartbreaking, *13 Ways of Looking at a Fat Girl* introduces a vital new voice in fiction.

"This Amar Chitra Katha collection brings together a sample of the Indian literary tradition down the years. It starts with the works of Kalidasa, moving to Sanskrit romances of the Gupta Age, and

ancient Tamil Sangam literature which was influenced by Jain and Buddhist thought. As language and literature evolved, each region in the country began to develop its own special modes of writing and story-telling. By the nineteenth century, India was home to not one but a multitude of literatures, each borrowing from, referring to, and overlapping with the others.
