*The Pillars of the Earth* Houghton Mifflin Harcourt

Ryan Adams and the Cardinals: A View of Other Windows reveals an unprecedented, intimate look at Ryan Adams and his band the Cardinals through the evocative photography of lead guitarist, Neal Casal. An intensely personal collection of 200 photographs, Casal has captured the exhilaration of the stage and studio while sometimes exposing the solitary aspects of the creative process and life on the road. With an introduction by Ryan Adams and an afterword by legendary musician Phil Lesh, this collection will be revered by fans and is the official documentation of the beloved band.

Murder at Wrigley Field Balboa Press

In the year of 2008, I was conducting a revival service for a good friend of mine. It was a three night service and I was introducing "How to break generational curses." On the second day, the Holy Spirit woke me up early that morning and began to speak to me about African Americans and generational curses. He said that the reason Satan plagues this particular race is because the next revival to experience the outpouring of his Holy Spirit will be amongst people of color. Satan has launched his attack in the form of: Rebellion, Violence, Black on Black Crime, Drugs, Lack of Self Worth. God said I am sending you primarily to the race of African Americans but not limited to people of color, because all races are suffering from

generational curses. The root of these curses is iniquity. God instructed me to repeatedly speak the bible verse "But where sin abounded, grace did much more abound" Romans 5:20. The time will come when you will feel the sensations of running water. This is my anointing to bring forth deliverance in Jesus' name. In this book you will learn how to break the iniquity, and generation curses, from your past life. Every curse is active in our life, until we claim the cross of Jesus. Because the curse of our sins was upon Him, so through His death we were redeemed. Learn how to clean your bloodline from your past life; Learn how to break inherited curses; Deliverance prayers for African Americans to be set free; Breaking the Jim Crow curses off African Americans; Breaking the Willie Lynch's spoken word curse that cause division among African Americans; Restoration for African Americans; Releasing the Blessing on African Americans.

*Homegoing* Random House

Most psychological research studies today account for the relational problems of African American heterosexual couples inability to stay together in terms of contemporary factors such as female-headed households, mass incarceration, racial achievement gap in academic performance, infidelity, etc. These factors are symptoms of a more foundational problem. The intergenerational traumatic impact of slavery and its aftermath (e.g., Jim Crow) is the source for these couples inability to stay together. This book will be restricted to historical traumas originating under slavery. The practices implemented during slavery disrupted bonding and secure attachment between adult heterosexual couples. A deeper psychohistorical understanding of this intergenerational disruption will help us understand current issues among African American men and women. The book will move beyond

individual and couple dyad perspective and bring family system concepts to bear in understanding the transgenerational transmission of trauma and its contemporary manifestations in intimate relationships. The purpose is to answer this question: What are the psychohistorical effects of psychological slavery on attachment and trust in the intimate relationship among African American men and women? This book will utilize sociological and psychological theories drawn from functionalism, neofunctionalism, attachment theory, family systems, and other relevant literatures to develop a psychohistorical analysis of relational problems of heterosexual African American couples today having transgenerational roots in slavery. Attachment theory will be used to explain attachment and trust ruptures in contemporary intimate relationships and their psychohistorical roots. Emotionally focused therapy is the suggested treatment approach that may help the couple repair attachment ruptures.

*The Five People You Meet in Heaven* Harper Trophy

Black Women in Sequence takes readers on a search for women of African descent in comics subculture. From the 1971 appearance of the Skywald Publications character “the Butterfly” - the first Black female superheroine in a comic book - to contemporary comic books, graphic novels, film, manga, and video gaming, a growing number of Black women are becoming producers, viewers, and subjects of sequential art. As the first detailed investigation of Black women’s participation in comic art, Black Women in Sequence examines the representation, production, and transnational circulation of women of African descent in the sequential art world. In this groundbreaking study, which includes interviews with artists and writers, Deborah Whaley suggests that the treatment of the Black female subject in sequential art says much about the place of people of African descent in national ideology in the United States and abroad. For more information visit the author's website:

The Willie Lynch Letter, aka The Making of a Slave, is one of the most controversial texts in African-American studies. It was purportedly written by Willie Lynch, a British West Indies plantation owner, and given to a group of Virginia slaveowners as a masterplan to keep Blacks enslaved -- not just physically but mentally as well -- using such tactics as pitting on slave against the other. Lynch, in his letter, says by using these tactics for just one year it will keep slaves mentally in chains for at least 300 years. Modern historians have asserted that the letter is a hoax, but most still agree that it's a text worth reading as it points out the different divides in the African-American community that seem specifically designed to keep the race from throwing off mental chains that impede communal progress. Includes foreword by Karen E. Quinones Miller, author of *An Angry-Ass Black Woman*. Includes excerpt from *The Narrative of the Life of Frederick Douglass, An American Slave*

**Cheated** Supreme Design Publishing

#1 New York Times Bestseller Oprah's Book Club Selection The “extraordinary . . . monumental masterpiece” (Booklist) that changed the course of Ken Follett’s already phenomenal career—and begins where its prequel, *The Evening and the Morning*, ended. “Follett risks all and comes out a clear winner,” extolled Publishers Weekly on the release of *The Pillars of the Earth*. A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity. Today, it stands as a testament to Follett’s unassailable command of the written word and to his universal appeal. *The Pillars of the Earth* tells the story of Philip, prior of Kingsbridge, a devout and resourceful monk driven to build the greatest Gothic cathedral the world has known . . . of Tom, the mason who becomes his architect—a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas of twelfth-century England, this is Ken Follett’s historical masterpiece.

*Loose Balls* Kensington Publishing Corp.

The hilarious, bittersweet novel from the playwright behind *EDUCATING RITA*, *SHIRLEY VALENTINE* and award-winning musical *BLOOD BROTHERS*. Dear Morrissey, I'm feeling dead depressed and down. Like a streetlamp without a bulb or a goose at the onset of Christmas time. Anyroad, I thought I'd pen a few lines to someone who'd understand... It's 1991. Raymond Marks is a normal boy, from a normal family, in a normal northern town. Only lately, he's been feeling dead down. His dad left home after falling in love with a five-string banjo. His fun-hating grandma believes she should have married Jean-Paul Sartre: 'I could never read his books, but y' could tell from his picture, there was nothing frivolous about John-Paul Sartre.' Felonious Uncle Jason and Appalling Aunt Paula are lusting after the satellite dish. And so he turns to the one person who'll understand what he's going through: Morrissey. Told through a series of heartfelt letters to the frontman of The Smiths, this is a laugh-out-loud funny, incredibly poignant tale from a character you can't help but love. 'Big-hearted, wonderfully funny and engrossing' *THE MIRROR* 'A warm, funny, poignant story. I loved *The Wrong Boy* - and so will you' *SUNDAY TELEGRAPH* 'A comic masterpiece' *BEL MOONEY*, *MAIL ON SUNDAY*

**Breaking Strongholds in the African-American Family** Random House

In the midst of oppression, poverty, violence, and insufficiency where survival takes priority over salvation, what theology speaks to this condition? Black Theology and Holy Hip-hop are important to understand and promote, especially in their relationship to inner-city ministry and spiritual development, primarily in regards to black and brown youth. This work investigates the complex crises experienced among our black and brown youth, with special focus on the inner-city. Black Theology and Holy Hip-hop is less about people and more about institutions--the dichotomy between the institution of the church and the social institution of music that affects young people's mindset. This book will examine how a double-edged sword of Black Theology and Holy Hip-hop will cut a new faith in inner-city ministry that will initiate freedom against personal pain and systemic oppression, on the one hand, and free minds from self-hate and submissive control on the other.

*What's Really Going On?* Rising Sun Pub

Describes the African slave trade from the viewpoint of the Southern plantation owners.

*American Slavery as it is* Zondervan

A historical mystery with “first-rate wartime Chicago atmosphere” and starring a ballplayer who “turns double plays and solves murders with equal grace” (Publishers Weekly). While the nation wages war against Germany in 1918, utility infielder Mickey Rawlings has been traded to the North Side of Chicago. He's batting a career high (a respectable .274) and the Cubs are in first place. For the first time in a long while Mickey is feeling financially

secure enough to buy furniture. That's when his best friend—rookie Willie Kaiser—is shot dead right on the diamond. While the official explanation is “accidental death from a stray bullet,” Mickey thinks someone's taken the anti-war sentiment too far. Between collapsing bleacher seats and pretzel sabotage in the stands, Mickey's search for answers takes him from silent movies to speakeasies to the stockyards. As long as he keeps fouling off clues, it's only a matter of time before a killer is caught in a rundown—or Mickey is tagged out permanently. “[A] quietly effective portrait of wartime Chicago in the throes of painful German-baiting and on the verge of Prohibition.”—Kirkus Reviews Praise for the Mickey Rawlings Baseball Mysteries “Full of life.”—The New York Times Book Review “A perfect book for the rain delay...a winner.” —USA Today “Delightful...period detail that will leave readers eager for subsequent innings.”—Publishers Weekly

*Big Hair and Plastic Grass* Harry N. Abrams

A dynamic backwoods lawyer batters his way into the governor's mansion, where he uses his unprincipled charm to become a brutal dictator.

**Animal Crackers** Macmillan

*Hawkes Harbor* Good Press

This book, if carefully studied, will first introduce the black woman to her psyche and, secondly, help her control what is in her psyche. This book is a journey into a mind that has been sexually traumatized. It will help her to understand that thoughts of negativity are controlling every aspect of her life. This book allows the black woman to face the deep dark secrets that are hidden in the psyche, and it allows her a doorway to real change.

*Good Morning, Holy Spirit* Wipf and Stock Publishers

Here is a book as joyous and painful, as mysterious and memorable, as childhood itself. *I Know Why the Caged Bird Sings* captures the longing of lonely children, the brute insult of bigotry, and the wonder of words that can make the world right. Maya Angelou's debut memoir is a modern American classic beloved worldwide. Sent by their mother to live with their devout, self-sufficient grandmother in a small Southern town, Maya and her brother, Bailey, endure the ache of abandonment and the prejudice of the local “powhitetrash.” At eight years old and back at her mother's side in St. Louis, Maya is attacked by a man many times her age—and has to live with the consequences for a lifetime. Years later, in San Francisco, Maya learns that love for herself, the kindness of others, her own strong spirit, and the ideas of great authors (“I met and fell in love with William Shakespeare”) will allow her to be free instead of imprisoned. Poetic and powerful, *I Know Why the Caged Bird Sings* will touch hearts and change minds for as long as people read. “I Know Why the Caged Bird Sings liberates the reader into life simply because Maya Angelou confronts her own life with such a moving wonder, such a luminous dignity.”—James Baldwin From the Paperback edition.

*The Mystery of Iniquity* AuthorHouse

On October 16, 1995, a million black men- sons and brothers, husbands and fathers- made a commitment to ourselves that we would not shirk our duties as fathers to our children, loving husbands to our wives, and for a serious examination of our place in the world. It was on this day, in a speech by Minister Farrakhan, that I first heard about Willie Lynch. There was something about that part of his message that stuck with me for the past ten years. Scholars would say that it is too simplistic to attribute our failings to one person- one plan- one scheme, Willie Lynch. We are not that naïve, are we? And, anyway, if true, his effort at social engineering took place 300 years ago. In this book, I will attempt to explain, in broad terms, the negative results of that social engineering project of Willie Lynch. I will also make recommendations designed to combat it. I want to tell my readers how the cornerstone of black society, the family, has been eroded to the point of despair; the mindset that caused it, and some possible basic solutions. The educational system should be the easiest to fix. We must stop putting kids in bad learning situations, and leaving them to fail. We have choices and we must exercise those choices. The economic wealth of African Americans is larger than most countries in the world today. Yet we fail to benefit from that wealth. We are Bling-Bling Broke. We are the second largest voting block in the country, yet we have marginalized ourselves by voting for anyone who will promise us civil rights (The Democrats). They don't deliver, yet we continue to vote the same way each election. To this day, the media will rarely portray Blacks in a positive way. The media has proven to be the most effective instrument of the Willie Lynch social engineering experiment. From the days of slavery the church played a vital role in the rebuilding of the moral foundation necessary for this society to grow strong and correct. The Willie Lynch legacy is the one consistent thread that seems to affect all of us. In 2006 we still occasionally exhibit social behavior reminiscent of the Willie Lynch legacy.

**Letters to a Lost Black Pearl** Thomas Nelson

Eddie is a wounded war veteran, an old man who has lived, in his mind, an uninspired life. His job is fixing rides at a seaside amusement park. On his 83rd birthday, a tragic accident kills him, as he tries to save a little girl from a falling cart. He awakes in the afterlife, where he learns that heaven is not a destination. It's a place where your life is explained to you by five people, some of whom you knew, others who may have been strangers. One by one, from childhood to soldier to old age, Eddie's five people revisit their connections to him on earth, illuminating the mysteries of his "meaningless" life, and revealing the haunting secret behind the eternal question: "Why was I here?"

*Tanks and Armored Vehicles* Simon and Schuster

A pop-culture history of baseball in the 1970s cites the advent of the free agency, advocated drug use, and garish promotional events while describing the contributions of figures from Ted Turner to Reggie Jackson.

*The Curse of Willie Lynch* Penguin

What do Julius Erving, Larry Brown, Moses Malone, Bob Costas, the Indiana Pacers, the San Antonio Spurs and the Slam Dunk Contest have in

common? They all got their professional starts in the American Basketball Association. What do Julius Erving, Larry Brown, Moses Malone, Bob Costas, the Indiana Pacers, the San Antonio Spurs and the Slam Dunk Contest have in common? They all got their professional starts in the American Basketball Association. The NBA may have won the financial battle, but the ABA won the artistic war. With its stress on wide-open individual play, the adoption of the 3-point shot and pressing defense, and the encouragement of flashy moves and flying dunks, today's NBA is still—decades later—just the ABA without the red, white and blue ball. *Loose Balls* is, after all these years, the definitive and most widely respected history of the ABA. It's a wild ride through some of the wackiest, funniest, strangest times ever to hit pro sports—told entirely through the (often incredible) words of those who played, wrote and connived their way through the league's nine seasons.

**Ryan Adams & the Cardinals** Lulu.com

A NEW YORK TIMES NOTABLE BOOK • Ghana, eighteenth century: two half sisters are born into different villages, each unaware of the other. One will

marry an Englishman and lead a life of comfort in the palatial rooms of the Cape Coast Castle. The other will be captured in a raid on her village, imprisoned in the very same castle, and sold into slavery. One of Oprah's Best Books of the Year and a PEN/Hemingway award winner, *Homegoing* follows the parallel paths of these sisters and their descendants through eight generations: from the Gold Coast to the plantations of Mississippi, from the American Civil War to Jazz Age Harlem. Yaa Gyasi's extraordinary novel illuminates slavery's troubled legacy both for those who were taken and those who stayed—and shows how the memory of captivity has been inscribed on the soul of our nation.

*The Willie Lynch Letter and the Destruction of Black Unity* Anchor

The legendary author of *The Outsiders* returns with her first new novel in more than fifteen years! An orphan and a bastard, Jamie grew up tough enough to handle almost anything. He survived foreign prisons, smugglers, pirates, gunrunners, and shark attacks. But what he finds in the quote town of Hawkes Harbor, Delaware, was enough to drive him almost insane—and change his life forever. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
