*The Broken Path* Independently Published  
A sequel to the popular *Zen and the Brain* further explores pivotal points of intersection in Zen Buddhism, neuroscience, and consciousness, arriving at a new synthesis of information from both neuroscience research and Zen studies. This sequel to the widely read *Zen and the Brain* continues James Austin's

explorations into the key interrelationships between Zen Buddhism and brain research. In *Zen-Brain Reflections*, Austin, a clinical neurologist, researcher, and Zen practitioner, examines the evolving psychological processes and brain changes associated with the path of long-range meditative training. Austin draws not only on the latest neuroscience research and new neuroimaging studies but also on Zen literature and his personal experience with alternate states of consciousness. *Zen-Brain Reflections* takes up where the earlier book left off. It

addresses such questions as: how do placebos and acupuncture change the brain? Can neuroimaging studies localize the sites where our notions of self arise? How can the latest brain imaging methods monitor meditators more effectively? How do long years of meditative training plus brief enlightened states produce pivotal transformations in the physiology of the brain? In many chapters testable hypotheses suggest ways to correlate normal brain functions and meditative training with the phenomena of extraordinary states of consciousness.

After briefly introducing the topic of Zen and describing recent research into meditation, Austin reviews the latest studies on the amygdala, frontotemporal interactions, and paralimbic extensions of the limbic system. He then explores different states of consciousness, both the early superficial absorptions and the later, major "peak experiences." This discussion begins with the states called kensho and satori and includes a fresh analysis of their several different expressions of "oneness." He points beyond the still more advanced states toward that rare ongoing stage of enlightenment that is manifest as "sage wisdom." Finally, with reference to a delayed "moonlight" phase of kensho, Austin envisions novel links between migraines and metaphors, moonlight and mysticism. The Zen perspective on the self and consciousness is an ancient one. Readers will discover how relevant Zen is to the neurosciences, and how each field can illuminate the other.

Starred reviews from Kirkus Reviews \* Publishers Weekly \* Library Journal Named a "Must-Read" by TODAY, Us Weekly, Bustle, BuzzFeed, Goodreads, Entertainment Weekly, Publishers Weekly, Southern Living, Book Riot, Woman's Day, The Toronto Star, and more! For two sworn enemies, anything can happen during the Hawaiian trip of a lifetime—maybe even love—in this romantic comedy from the New York Times bestselling authors of Roomies. Olive Torres is used to being the unlucky twin: from inexplicable mishaps to a recent layoff, her life seems to be almost comically jinxed. By contrast, her sister Ami is an eternal champion...she even managed to finance her entire wedding by winning a slew of contests. Unfortunately for Olive, the only thing worse than constant bad luck is having to spend the

wedding day with the best man (and her nemesis), Ethan Thomas. Olive braces herself for wedding hell, determined to put on a brave face, but when the entire wedding party gets food poisoning, the only people who aren't affected are Olive and Ethan. Suddenly there's a free honeymoon up for grabs, and Olive will be damned if Ethan gets to enjoy paradise solo. Agreeing to a temporary truce, the pair head for Maui. After all, ten days of bliss is worth having to assume the role of loving newlyweds, right? But the weird thing is...Olive doesn't mind playing pretend. In fact, the more she pretends to be the luckiest woman alive, the more it feels like she might be. With Christina Lauren's "uniquely hilarious and touching voice" (Entertainment Weekly), *The Unhoneymooners* is a romance for anyone who has ever felt unlucky in love. [World Literature | Createspace Independent Publishing Platform](#) Two cups of a protective, dirty talkin' alpha who loves his Cupcake. One tablespoon of a sweet southern baker who loves her Sexy Sawyer, even when he's being a hothead. A slice of the past that shows up on their doorstep, turning their

world upside down with a life-altering plea. A dash of passion. A pinch of heartache. A sprinkle of hope. Mix together in a large bowl, creating a difficult choice, a testing of one's faith, and a man who will do anything to protect his family—even if it means accepting a decision that could result in losing the one he loves most. Bake at 350 for a rich serving of life with a love that could withstand anything. Even the unthinkable. A timeless recipe that is sure to fill your heart with a generous helping of sweet love. \*\*\* This novella follows Sawyer and Grace's journey after *Sweet Temptation*, book two in the Men of Honor series. It is told in dual POV, has an HEA, and no cliffhanger. *Sweet Temptation* should be read prior to this novella. It is highly recommended to read the other books in both the Men of Honor series and the Acts of Honor series as all the characters play recurring roles. Warning: Due to mature subject matter, such as explicit sexual situations and coarse language, this story is not suitable for anyone under the age of 18." **The Catacombs of Rome** Gallery Books Finally in paperback: the New York Times bestseller by the acclaimed, bestselling

author of *Start With Why* and *Together is Better*. Now with an expanded chapter and appendix on leading millennials, based on Simon Sinek's viral video "Millenials in the workplace" (150+ million views). Imagine a world where almost everyone wakes up inspired to go to work, feels trusted and valued during the day, then returns home feeling fulfilled. This is not a crazy, idealized notion. Today, in many successful organizations, great leaders create environments in which people naturally work together to do remarkable things. In his work with organizations around the world, Simon Sinek noticed that some teams trust each other so deeply that they would literally put their lives on the line for each other. Other teams, no matter what incentives are offered, are doomed to infighting, fragmentation and failure. Why? The answer became clear during a conversation with a Marine Corps general. "Officers eat last," he said. Sinek watched as the most junior Marines ate first while the most senior Marines took their place at the back of the line. What's symbolic in the chow hall is deadly serious on the battlefield: Great leaders sacrifice their

own comfort--even their own survival--for the good of those in their care. Too many workplaces are driven by cynicism, paranoia, and self-interest. But the best ones foster trust and cooperation because their leaders build what Sinek calls a "Circle of Safety" that separates the security inside the team from the challenges outside. Sinek illustrates his ideas with fascinating true stories that range from the military to big business, from government to investment banking. Sweet Love Independently Published

Texas Titan quarterback, Kade Kincaid, affectionately known by his fans as Zeus, doesn't want to go to some stupid bachelor auction, and he really doesn't want some newbie PR rep babysitting him, but a crazed, supermodel stalker won't leave him alone and he needs someone to block for him. Felicity Song has plans for her PR career, and babysitting a spoiled quarterback billionaire wasn't one of them. When he demands she 'fake' buy him at the auction or risk losing her job, she takes the assignment with one demand, she will NOT go on a date with him. Too bad Zeus is as cocky as his namesake and won't let her off the hook. When she plans a perfectly horrible date full of activities Kade hates, she's blindsided when he agrees to actually jump out of a plane with her and even more surprised when he kisses her. Good thing she slaps him and discovers... this Greek God's flesh is just as fragile as any other mortal man. When a tragedy strikes Felicity and Kade steps up to help her, she has to make a choice: lose her one shot at love...or do the one thing she's told herself she would never do again.

America's Most Eligible Bachelor, a farm girl trying to prove herself, and the fake fiancé ploy that will forever change their lives. Callum Hawk has it all—fame, money, and a family that loves him. He doesn't have time for romance, but that's all right, his head of marketing does a great job scheduling dates with models and actresses for the necessary social events. When he almost hits Alexia Hall with his motorcycle, he's intrigued by the feisty blonde and offers to hire her to be his fake fiancé for his brother's wedding. When she not only turns him down but tells him to never come near her again, he has no clue what went wrong. Lexi Hall almost kills her billionaire boss--ripping his Brioni suit, and scarring his motorcycle. Her errant tongue offends him and she storms away from the job opportunity of a lifetime. Hours later, she finds out her mom has finally been matched to a kidney donor, if Lexi can help pay for the surgery and medications. Her options are to

swallow her pride and beg Callum Hawk to take her back as his fake fiancé or jeopardize her mother's health and let her entire family down.

Can he hide his heart or will the reporter take everything? Maryn Howe isn't intimidated by billionaire recluse, Tucker Shaffer, or his enormous log cabin in Island Park, Idaho. Maryn needs this interview and she'll get it at any cost, even if the last four reporters were physically removed from his presence. Tucker Shaffer has no desire to change his less than flattering public image; but his PR people persuade him to give it one more try. Ready to make nice with whoever comes through the door, Tucker is blindsided by a petite blond with an extra-large personality. As the snow piles up and the questions keep coming, Maryn discovers the secret Tucker Shaffer has spent the last four years torturing himself with. She suddenly sees him in a new light and she flees—right into danger and into Tucker's arms. But the danger has just begun and now Maryn has to make a choice—trust in Tucker or lose it all.

Originally published 1987. The first part of the volume is concerned with "The Roots of the Islamic Tradition and Spirituality". These are seen to include the Qu'ran as the central theophany of Islam, the Prophet who received the word of God and made it known to mankind and the rites of Islam. The second part examines the divisions of the Islamic community with their distinctive pieties and emphases: Sunnism and Shi'ism and female

spirituality. Part III is devoted to Sufism - its nature and origin, its early development, its various spiritual practices and its science of the soul.

It was her last chance: Amber Bierce had nothing left except her sister and two tickets on Earth's first colony-ship. She entered her Sleeper with a five-year contract and the promise of a better life, but awakened in wreckage on an unknown world. For the survivors, there is no rescue, no way home and no hope until they are found by Meoraq—a holy warrior more deadly than any hungering beast on this hostile new world...but whose eyes

show a different sort of hunger when he looks at her. It was his last year of freedom: Uyane Meoraq is a Sword of Sheul, God's own instrument of judgment, victor of hundreds of trials, with a conqueror's rights over all men. Or at least he was until his father's death. Now, without divine intervention, he will be forced to assume stewardship over House Uyane and lose the life he has always known. At the legendary temple of Xi'Matezh, Meoraq hopes to find the deliverance he seeks, but the humans he encounters on his pilgrimage may prove too great a test even for him...especially the one called Amber, behind whose monstrous appearance burns a woman's heart unlike any he has ever known. From R. Lee Smith, author of Heat and Cottonwood, comes an epic new story of desire, darkness and the dawn that comes after The Last Hour of Gann.
