Koopman (Zulu, U. of Natal, Pietermaritzburg, South Africa) provides a rich resource for the socio-linguistic dimensions of Zulu names. The text will be of interest not just to specialists in onomastics (the study of names), but to any studying Zulu culture. Following a discussion of the traditions behind personal and place names and their linguistics is a catalog of names that include personal, animal, plant, birds, schools, homesteads, and the months and days. Distributed in the US by ISBS. Annotation copyrighted by Book News, Inc., Portland, OR

[Our Storehouse of Missouri Place Names](#) Wipf and Stock Publishers

An introduction and research guide to onomastics, this book covers the major areas of name study in individual chapters on personal names, place names, acronyms, brand names and trade names. Every topic comprises a discussion of underlying principles as well as numerous illustrative examples.

1 and 2 Chronicles Graphic Communications Group

Based on Hillsong Worship's beloved Grammy-winning, chart-topping song, this fantastical journey of discovery is certain to inspire children who long to know more about Jesus and what draws people to Him. Join little Oliver and his monkey pal as they embark on a quest for the name in the song Oliver's mother sings. As they travel across land, sea, and space, they encounter beauty, wonder, and power. Each adventure in their epic journey leads them to the matchless name of Jesus—and to the realization that they don't have to go far to find Him. *What a Beautiful Name* is the perfect book for sharing with the little adventurers in your world, and its faith-filled message will resound in their hearts long after the last page is read.

The Study of Names Hazelden Publishing

Protest songs are united by the fact they all have something to say, something to dispute, or something to rile against, whether it be political, social, or personal. *Story Behind the Protest Song* features 50 of the most influential musical protests and statements recorded to date, providing pop-culture viewpoints on some of the most tumultuous times in modern history. Among the featured: songs about the Vietnam War, the civil rights movement, the most recent upheaval over policy in the Middle East, as well as teenage rebellion, animal rights, criticisms of mass media, and even protest songs that lambaste other protest songs. This indispensable guide tackles it all: the behind-the-scenes stories of the most influential protest songs in American popular culture, examining the subjects they address, the legacy they left, and the fabric of the songs themselves. Chronically arranged entries cover nearly 70 years of music and offer an expansive range of genres, including rock, punk, pop, soul, hip-hop, country, folk, indie, heavy metal, and more. Each entry discusses the songwriter(s); the inspiration behind the song; and the social, cultural, and political context in which the song was released. Following a detailed musical and lyrical analysis, the entries explain the songs' impact and relevance today. Among the featured: • *The Unknown Soldier* (The Doors) • *Masters of War* (Bob Dylan) • *Say It Loud-I'm Black and I'm Proud* (James Brown) • *Get Up, Stand Up* (The Wailers) • *Big Yellow Taxi* (Joni Mitchell) • *Their Law* (Prodigy) • *American Idiot* (Green Day) • *Sweet Home Alabama* (Lynyrd Skynrd) • *Born in the USA* (Bruce Springsteen) • *Southern Man* (Neil Young) Entries are accompanied by further readings and a select discographies as well as a comprehensive resource guide at the end of the book. A must-read for students of music, history, and politics, this volume offers a unique reflection on the most significant and moving protest songs in American history.

The Name Israel University of Missouri Press

The power of telling your own story. Behind every name lies a story. As the phases come and leave

our lives, rarely do we get a chance to see through things the way they happened. How little do we know as to why they happened and turned out the way they did. Could we have done things differently? So many things lie unanswered. And as they stay like that deep inside, we are never free. We become prisoners of the past. If only, we can unwind those times, can we let out stories release the untamed heart in us. As we release, we allow ourselves to fly in sky, in the new found heavenly freedom. We are free, finally free. Nothing holds us back. We are wild, free spirits again, filling the air with our music.

[Story behind the Protest Song: A Reference Guide to the 50 Songs That Changed the 20th Century](#)
David C Cook

Think a newspaper can't be responsible for mass murder? Think again. As flagship of the American news media, the New York Times is the world's most powerful news outlet. With thousands of reporters covering events from all corners of the globe, the Times has the power to influence wars, foment revolution, shape economies and change the very nature of our culture. It doesn't just cover the news: it creates it. The Gray Lady Winked pulls back the curtain on this illustrious institution to reveal a quintessentially human organization where ideology, ego, power and politics compete with the more humble need to present the facts. In its 10 gripping chapters, *The Gray Lady Winked* offers readers an eye-opening, often shocking, look at the New York Times's greatest journalistic failures, so devastating they changed the course of history. How its World War II Berlin bureau chief, a known Nazi collaborator, skewed coverage in favor of the Third Reich for over a decade. Its notorious coverup of the Ukraine Famine, a genocide committed by Stalin, showing that it was the newspaper's owners who directed the coverup in order to advance their own financial and ideological interests. The "1619 Project," a cynical, ideologically driven attempt to revise American history by rooting the nation's birth in slavery instead of liberty. The result is an essential look at the tangled relationship between media, power and politics in a post-truth world told with novelistic flair to reveal a uniquely powerful institution's tortured relationship with the truth. Most importantly of all, *The Gray Lady Winked* presents a cautionary tale that shows what happens when the guardians of the truth abandon that sacred value in favor of self-interest and ideology—and what this means for our future as much as for our past.

Zulu Names University of Georgia Press

If you have ever picked up a Bible, attended a church, or entered into a spiritual conversation with a Christian, you are probably well acquainted with these two terms: "God" and "the Lord". Both are frequently used in reference to the creator of the heavens and the earth. For many people, those words actually represent His name. What about to you? Is "God" His name? Or, is it "the Lord"? His Name Forever is a must read for anyone who wants to know His true name. It is a book that will help you understand why all those other terms ever used are not His Name Forever. There is a *Story Behind the Name of God* that explains its significance to Him and to those who have worshiped Him in times past. There is only one name that He revealed as His own. Is that name even relevant today? As you read, you will see that this one name did not change, but people did. From the time of Seth in the Old Testament to the era of the Messiah in the New Testament, the Almighty One had the same name. This book will explain, in an easy to follow way, why so few people, even today, call Him by His name. After reading this book that is well-researched and supported by biblical and other historical documents, you will be challenged to call Him by His Name Forever.

[History of the Naval Weapons Center, China Lake, California: The grand experiment at Inyokern, by J. D. Gerrard-Gough and A. B. Christman](#) Arcadia Publishing

Israel is a divine name. The Name Israel is a scholarly, niche project that provides its readers with an informative, meaningful, and spiritually uplifting reading experience. The purpose of *The Name Israel* is to investigate the name employing four levels of study (PaRDeS): peshat, remez, derash, and sod. Each level is deeper and more profound than its predecessor. This text is divided into eight

chapters. Chapters 1 and 2 explore the historical name Israel and *pardes* (four methods of Bible interpretation). The book also presents details about the shapes and sizes of the letters, permutations of Israel, anagrams, and gematria (numerology). Additionally, it includes a discussion of the Four World system, the ten sefirot, and an overview of parshat Vayishlach (Gen 32:4-33 and Gen 35:10). Throughout, *The Name Israel* analyzes the first word of the Torah (Bereshit) and the creation process. Readers will be fascinated as it also delves into facts about the numbers 2, 701, 37, 73, and 541; "The end of the action was at first in thought"; unique features (and hints) of the letters forming the name Israel; and concluding remarks. Come and learn!

The Soul Consortium Down East Books

Celebrating the Lectionary® is a supplementary catechetical resource that helps you bring the richness of the Lectionary and the liturgical year into your catechetical program. It can be used in Catholic school programs, during the process of preparing children for Christian initiation, or as a supplement to a traditional basal text for Catholic school or parish religious education programs. It has been changed from a school year annual to now follow the pattern of the Lectionary. It includes sessions for every Sunday of the liturgical year (Advent, Christmas Time, Lent, Easter Time, and Ordinary Time), sessions for each day of the Sacred Paschal Triduum, and sessions for holydays, solemnities, and feasts so that you can use it in a variety of catechetical settings. Each session is easily adapted to your specific needs and time constraints, with sessions designed so that you can lead class discussions and activities with minimal preparation and make use of the resources you have on hand. Each session includes: - Background information for the catechists - Ways to connect the children's lives with the liturgical year - Full text of the day's Gospel reading and an age-appropriate guided reflection - Gospel-related activities - A take-home page for the families to do during the week

Autobiography of a Failure Zondervan Academic

Author Shane Simmons explores tales of bravery, lore and bizarre customs within the East Tennessee region. The mountains of East Tennessee are chock full of unique folklore passed down through generations. Locals spin age-old yarns of legends like Davy Crockett, Daniel Boone and Dragging Canoe. Stories of snake-handling churches and the myths behind the death crown superstitions dot the landscape. The mysteries surrounding the Sensabaugh Tunnel still haunt residents.

The Story Behind Your Name AuthorHouse

You know these songs by heart. They're the "greatest hits" of Christmas. But do you know the fascinating, inspirational stories behind them - who wrote them and how they came to be? In his latest book, Ace Collins reveals the stories behind the greatest hits of Christmas - all the songs you have enjoyed for generations. For example, as the story goes, jazz great Mel Torme wrote "The Christmas Song" after visiting a friend in California, who, longing to escape California's heat for the cold winters of his New England, doodled these now-famous phrases on his spiral pad: "Chestnuts roasting Jack Frost nipping Yuletide carols " Torme saw those words and one of the most famous Christmas songs of all time, first recorded by Nat King Cole, was born. Within these pages, you'll discover the origins of such famous Christmas songs as "Have Yourself a Merry Little Christmas, " "Winter Wonderland, " "White Christmas, " "Little Drummer Boy, " "Feliz Navidad, " "O Holy Night, " and two dozen others. Although not yet as famous as the Christmas songs of which he writes (he's working on that), Collins's many books have sold tens of thousands of copies and have become treasured family classics, read and enjoyed by young and old alike. His new book is a treasure-trove of the kind of magic that makes Christmas the beloved holiday it is. This is Ace Collins at his storytelling best which means it's sure to become a "greatest hit" with your family

The Story Behind The Bible Cambridge Scholars Publishing

This is the first comprehensive critical analysis of Scottish women's writing from its recoverable beginnings to the present day. Essays cover individual writers - such as Margaret Oliphant, Nan Shepherd, Muriel Spark and Liz Lochhead - as well as groups of writers or kinds of writing - such as women poets and dramatists, or Gaelic writing and the legacy of the Kailyard. In addition to poetry, drama and fiction, a varied body of non-fiction writing is also covered, including diaries, memoirs, biography and autobiography, didactic and polemic writing, and popular and periodical writing for and by women.

The Story of a New Name ReadHowYouWant.com

The Van Wyck, the Major Deegan, the Jackie Robinson, the Hutch, the Merritt, FDR Drive, or the Henry Hudson...you might drive them regularly, without really noticing that those road names are, well, names. But, who were these people? New York City's many roads, bridges, neighborhoods and institutions bear the names of a colorful assortment of people from key periods in the city's history. Learning about the people iconic Gotham landmarks are named for is a unique window into the history of the greatest city in the world. Author Rebecca Bratspies takes readers on a place-based, intimate, historical journey on a human scale.

Cognitive Remediation to Improve Functional Outcomes The Rosen Publishing Group, Inc

Along the Maine coast, the distinctive lobster boat is ubiquitous, and fisherman devote nearly as much time and effort naming their boats as their children. In this charming little volume, Victor Cole has reached out to hundreds of lobstermen and collected the stories behind the names of their boats. Some of the names are of children, or of loved ones who've passed on; some are religious or inspirational, and some are downright funny. But the stories behind them are all interesting and reveal something about Maine's fishing culture.

The Real Story Behind the Age of Exploration Europa Editions

The book 'Autobiography of a failure' is a conversation between the author and the reader about the journey of the author, focusing on the positive despite of the heavy influence of the negative. The title has been inspired by our Ex. President Late Dr. A.P.J. Abdul Kalam's Quote "Don't read success stories it will only give you a message, read failure stories you will get some ideas to get success." A lot can be learnt from Failures because there can be only one success story, but the lessons behind the hundreds of failure stories is what prepares you for the next challenge. The book tells about an

epic failure of humanity in the chapter "Failure to get Justice" and thereby makes an attempt that may be by creating awareness this failure can be rectified and no Human should ever be treated like a Guinea pig to fill the pockets of Inhumanity. The book focuses only on the positive and is a delight to read. The language is easy going and can be read even by a nonreader. The artwork also helps in making the book a little light, as the content can get emotionally strong. The book ends with a chapter called ww.kissaykahaniyan.com which is a website created by the author for telling good stories and spreading quality morals/education to the masses. Finally the book ends with a mini tribute to Mr. Shahrukh Khan whose journey and words have inspired the author and helped him cope up with his journey so far.

The Gray Lady Winked Greenwood

Confluences looks at the prospects for and the potential rewards of breaking down theoretical and disciplinary barriers that have tended to separate African American and postcolonial studies. John Cullen Gruesser's study emphasizes the confluences among three major theories that have emerged in literary and cultural studies in the past twenty-five years: postcolonialism, Henry Louis Gates Jr.'s Signifyin(g), and Paul Gilroy's black Atlantic. For readers who may not be well acquainted with one or more of the three theories, Gruesser provides concise introductions in the opening chapter. In addition, he urges those people working in postcolonial or African American literary studies to attempt to break down the boundaries that in recent years have come to isolate the two fields. Gruesser then devotes a chapter to each theory, examining one literary text that illustrates the value of the theoretical model, a second text that extends the model in a significant way, and a third text that raises one or more questions about the theory. His examples are drawn from the writings of Salman Rushdie, Jean Rhys, V. S. Naipaul, Walter Mosley, Pauline Hopkins, Toni Morrison, Harry Dean, Harriet Jacobs, and Alice Walker. Cautious not to conflate postcolonial and African American studies, Gruesser encourages critics to embrace the black Atlantic's emphases on movement through space (routes rather than roots) and intercultural connections and to expand and where appropriate to emend Gilroy's efforts to bridge the two fields.

Naming Gotham: The Villains, Rogues & Heroes Behind New York's Place Names

Candlewick Press

A 2019 Caldecott Honor Book What's in a name? For one little girl, her very long name tells the vibrant story of where she came from — and who she may one day be. If you ask her, Alma Sofia Esperanza José Pura Candela has way too many names: six! How did such a small person wind up with such a large name? Alma turns to Daddy for an answer and learns of Sofia, the grandmother who loved books and flowers; Esperanza, the great-grandmother who longed to travel; José, the grandfather who was an artist; and other namesakes, too. As she hears the story of her name, Alma starts to think it might be a perfect fit after all — and realizes that she will one day have her own story to tell. In her author-illustrator debut, Juana Martínez-Neal opens a treasure box of discovery for children who may be curious about their own origin stories or names.

Maa Aankh Atlantic Publishing Company

A novel in the bestselling quartet about two very different women and their complex friendship: "Everyone should read anything with Ferrante's name on it" (The Boston Globe). The follow-up to *My Brilliant Friend*, *The Story of a New Name* continues the epic New York Times–bestselling literary quartet that has inspired an HBO series, and returns us to the world of Lila and Elena, who grew up together in post-WWII Naples, Italy. In *The Story of a New Name*, Lila has recently married and made her entrée into the family business; Elena, meanwhile, continues her studies and her exploration of the world beyond the neighborhood that she so often finds stifling. Marriage appears to have imprisoned Lila, and the pressure to excel is at times too much for Elena. Yet the two young women share a complex and evolving bond that is central to their emotional lives and a source of strength in the face of life's challenges. In these Neapolitan Novels, Elena Ferrante, "one of the great novelists of our time" (The New York Times), gives us a poignant and universal story about friendship and belonging, a meditation on love and jealousy, freedom and commitment—at once a masterfully plotted page-turner and an intense, generous-hearted family saga. "Imagine if Jane Austen got angry and you'll have some idea of how explosive these works are." —The Australian "Brilliant . . . captivating and insightful . . . the richness of her storytelling is likely to please fans of Sara Gruen and Silvia Avallone." —Booklist (starred review)

Holler Jesus Edinburgh : Edinburgh University Press

This collection of essays analyzes shifting notions of self as represented in films and novels written and produced in Spain in the twenty-first century. In doing so, the anthology establishes an international dialogue of multicultural perspectives on trends in contemporary Spain, and serves as a useful reference for scholars and students of Spanish literature and cinema. The primary avenues of exploration include representations of recovery in post-crisis Spain, marginalized texts and identities, silenced subjectivities, intersecting relationships, and spaces of desire and control. The individual chapters focus on major events, such as the global economic crisis, the tension between majority and minority cultures within Spain, and the ongoing repercussions of past trauma and historical memory. In doing so, they build upon theories of identity, subjectivity, gender, history, memory, and normativity.

Favor with Kings ABC-CLIO

Favor with Kings is a remarkably unique and inspiring look at the ancient Hebrew story of Nehemiah. Author Caleb Anderson takes the story to places it has never been before so that you can go to places you have never gone to before. The world needs you to be you, and to do what only you can do. Don't miss this rare combination of biblical insight and catalytic personal development. On this journey of finding your distinct part in a bigger story, you'll be guided to identify your purpose, or dream develop your passion, or conviction create your plan of action empower people to play their role persevere through inevitable adversity If you've ever had a dream; if you've ever felt stuck or restless; if you've ever experienced the discouragement of feeling like you're behind, not good enough, or disqualified; if you've started but lack the courage or conviction to stay the course, then this book is for you. (Includes a reader's guide for group discussion or personal study.)
