### **Wicked Soul (Ancient Blood #1)** Powerkids Press

Introduces Roman gladiators, describing the schools that trained them, the weapons they used, the different types of combat they engaged in, and the reasons for their decline.

### **Poine: A Study in Ancient Greek Blood-Vengeance**

Createspace Independent Publishing Platform

"May the rivers run crimson with their blood." ~ Kagen Silivasi  
Kagen Silivasi is a powerful, ancient vampire with a unique gift for healing – he is also a son, a brother, and a loner who has survived unspeakable tragedy and loss: Beneath his handsome, well-mannered exterior lies an alter ego consumed by rage and an overwhelming impulse to "kill them all..." Arielle Nightsong is a brave human, a rebel spirit, and an accomplished healer in her own right. Born into a harsh world of violence, cruelty, and danger, she was enslaved at the age of ten and given as a gift to the most depraved being in Mhier – the infamous king of the lycans. If not for her enduring friendship with a captive vampire, she might not have survived to escape the slave encampment...or to discover her mysterious role in an ancient Blood Curse. When Kagen and his brothers voyage into Mhier in search of their long lost father, it will take more than stealth and cunning to get out alive: Secrets will be revealed; loyalties will be tested; and an indomitable spirit will fracture beneath the weight of an impossible choice. BLOOD FATHER ~ where destiny and duty collide.

*Ancient Romans Jigsaw Book* Berghahn Books

Remnants of Ages Past The Blood isn't stagnant. It changes with the times, even if the Kindred that carry it don't. Every epoch leads to new permutations of the five clans. Some of them die out when they are no longer useful, but others carry on, even to the modern nights. Some have been forgotten. Some are ready to reclaim what they have lost. All retain pieces of the cultures and events that created them. Weapons for the Present o Twenty new bloodlines, based on the historical flashpoints presented in Ancient Mysteries o New Disciplines, Devotions, factions,

antagonists, mysterious places and a variety of other options of Vampire chronicles o Two new forms of blood magic - Haitian Kindred Vodoun and Sumerian Mrges Sorcery

*Empire of Dust* OUP USA

This book presents unique new insights into the development of human ritual and society through our heritage of play and performance.

*Salammbô - Ancient Tale of Blood & Thunder* Random House

This book examines the origins of ancient Greek science using the vehicles of blood, blood vessels, and the heart. Careful attention to biomedical writers in the ancient world, as well as to the philosophical and literary work of writers prior to the Hippocratic authors, produce an interesting story of how science progressed and the critical context in which important methodological questions were addressed. The end result is an account that arises from debates that are engaged in and "solved" by different writers. These stopping points form the foundation for Harvey and for modern philosophy of biology. Author Michael Boylan sets out the history of science as well as a critical evaluation based upon principles in the contemporary canon of the philosophy of science—particularly those dealing with the philosophy of biology.

**Blood of a Huntsman** Ghost Pines Publishing LLC

This book is an indispensable resource for readers who want to know the whole, comprehensive story of ancient naval warfare. • Describes the bloodiest naval war in human history • Reflects the expertise of the author, a much-respected historian of the ancient Mediterranean world • Includes valuable maps and illustrations  
*Angels' Blood* Hodder Children's Books

Avery Doyle loves vampires; he's read every novel, seen all the movies, and researched the folklore. When his first one-night-stand, Caroline, turns out to be a true vampire on the run, he jumps at the chance to leave his ordinary life and join her as a "child of the night." The honeymoon ends, however, when Caroline's brutal Creator Sebastian enslaves them on his island estate and Avery must confront the dehumanizing reality behind his dreams. In order to survive, Caroline and Avery take their place as servants in Sebastian's household during a gathering of the most powerful vampires on Earth, the Hegemony, and soon

find themselves involved in the myriad intrigues and deceptions that form the night-to-night existence of The Order. A society of wealth, power, and inhuman decadence whose existence is protected by human complicity and disbelief, The Order is the immortal aristocracy hidden behind the giant corporations and political leaders of the world. Sebastian, however, has a plan that will change The Order forever and shatter human civilization. To avoid this terrible fate, Avery and Caroline will not only have to defy the most powerful creatures on Earth, but also confront the darkest aspects of themselves. For in the world of the Hegemony, even victory may cost them their souls . . . A fast-paced thriller that both re-imagines and pays tribute to the traditional vampire, Ancient Blood is a story of love, ambition, sacrifice, and betrayal that is frighteningly human.

*Ancient Blood* White Wolf Pub

An investigation of the multiple meanings and functions of sacrifice in diverse religious texts and practices from the late Hellenistic and Roman imperial periods.

**St:ng Day Of Honor #1 Ancient Blood** e-artnow

The Chronicles of Vamazonia- Book 1 by Bob Nailor & Jack Franklin. An evil, 500 years in the making, lurks in the jungles of Brazil. Today it wants to be free. Time has allowed evil to lurk and grow in the jungles of Brazil for over 500 years. Today that evil wants free. What can a young woman do when confronted with the reality of horror? Ana is an anthropologist and so intent on being one with a lost tribe she will do anything, even hunt human prey.

**Fields of Blood** Cambridge University Press

*Salammbô* is a historical novel about a priestess and the daughter of Hamilcar Barca, an aristocratic Carthaginian general. *Salammbô* is the object of the obsessive lust of Matho, a leader of the mercenaries. With the help of the scheming freed slave, Spendius, Matho steals the sacred veil of Carthage, the Zaimph, prompting *Salammbô* to enter the mercenaries' camp in an attempt to steal it back. The Zaimph is an ornate bejewelled veil draped about the statue of the goddess Tanit in the sanctum sanctorum of her temple: the veil is the city's guardian and touching it will bring death to the perpetrator. The novel is set in

Carthage during the 3rd century BC, immediately before and during the Mercenary Revolt which took place shortly after the First Punic War. Flaubert's main source was Book I of Polybius's Histories. It required a great deal of work from the author, who enthusiastically left behind the realism of his masterpiece Madame Bovary for this tale of blood and thunder. The book, which Flaubert researched painstakingly, is largely an exercise in sensuous and violent exoticism. It was another best-seller and sealed his reputation. The Carthaginian costumes described in it even left traces on the fashions of the time. Nevertheless, in spite of its classic status in France, it is not widely known today among English speakers. Gustave Flaubert (1821-1880) was an influential French writer who was perhaps the leading exponent of literary realism of his country. He is known especially for his first published novel, Madame Bovary and for his scrupulous devotion to his style and aesthetics. The celebrated short story writer Maupassant was a protégé of Flaubert.

#### The Origins of Ancient Greek Science Usborne Books

The word "blood" awakens ancient ideas, but we know little about its historical representation in Western cultures. Anthropologists have customarily studied how societies think about the bodily substances that unite them, and the contributors to this volume develop those questions in new directions. Taking a radically historical perspective that complements traditional cultural analyses, they demonstrate how blood and kinship have constantly been reconfigured in European culture. This volume challenges the idea that blood can be understood as a stable entity, and shows how concepts of blood and kinship moved in both parallel and divergent directions over the course of European history.

#### Representation and Interpretation Twenty-First Century Books

To true Klingon warriors, no occasion is more sacred than the Day of Honor, when they pay homage to all that makes them Klingon. But honor demands its price.... Worf finds his honor tested when he goes undercover to infiltrate a planetary criminal network. How can he root out the corruption on Sindikash without resorting to deceit and treachery himself? Worf's dilemma is shared by his son Alexander, who searches for the true meaning of honor in his own human heritage. Along with his son, Worf must confront deadly danger -- and the inner struggles of his Klingon soul.

#### **Ancient Blood** Blood & Ancient Scrolls

Blood, passion, and swords. And don't forget flamethrowers. And one librarian, in over her head. How did I get here: covered in blood and holding a sword I can't use? It all started when the dark and mysterious stranger showed up at my children's reading hour. Of course I noticed him. I'd been single (and bored) for longer than I care to admit. Me, I'm Anushka (Noosh) Rosetti, head librarian. He turned out to be a vampire. And not just any vampire: Vlad Dracula. Although he goes by another name these days, and he says he's changed his violent ways. He definitely seemed more of a lover than a fighter. At first. In a whirlwind of passion and blood-drinking, I made a crucial but impulsive decision: share blood with him a third time, and give up normal human society forever, making my life among the "am'r"-that's what the vampires call themselves. The whirlwind just keeps spinning faster. Before I know it, I'm at an am'r summit meeting--and then, abducted by Vlad's oldest enemy. He's hoping to use me to undo all of my lover and my new family's plans to save am'r society from tearing itself apart. I thought I was just going to archive some ancient books, but somehow I have to keep myself from being used as a pawn by the craziest bad guy ever, escape back to the good guys (and I'm not sure how "good" they really are) across a desert (I don't even know what country I'm in!) and not be killed in the process. I don't know how I will survive the next five minutes, never mind save my beloved's life, too.... Blood Ex Libris is the first book in a brand new, dark urban fantasy series mixing horror, history, and blood-soaked romance featuring a snarky librarian heroine, a sensual but complex hero in the story of a life that unfolds in unexpected ways from humdrum to death-defying thrills, from Middle America to the middle of an unknown desert, surrounded by sword-fighting, explosions, and the ultimate drama of immortals meeting death. Note: This book contains some VERY steamy scenes. If that's not your thing, you may reconsider reading this story.

#### Ancient Blood Little Huldra Media

An Ancient Foe - A destined love Returning home to resume her duties as a royal Fae, Endelissa leaves behind the man she has bonded with, Zan, vowing to return and claim him when her revenge is complete. Accompanied by her squadron, she begins her hunt for the vampires who kept her prisoner for eight long years and resumes her role as the defender of her court. But as a more ancient enemy threatens her nixie realm, she begins to see

that an alliance with the vampires she so despises may be the surest way to defeat her nemesis. Can she align with them without revealing her Fae secrets? And will Zan forgive her for what she will do to his vampire lover?

#### **Royal and Ancient** ABC-CLIO

Love is a curse. Three hundred years ago, Warin lost his humanity. The night he met Thea was the night he lost his soul. For more than two hundred years, Warin has roamed the wilds with only his blood brother Aleric for company, terrorizing villages and feeding on human life. Sating his dark hunger was all he ever cared for...Until she crossed his path. From the moment he meets his beautiful Thea, her emerald eyes and tender heart call to him like a siren's song. But she is human, and unless Warin can uncover the truth of their connection, he'll never be able to possess her the way he so desperately desires. Enlisting the help of the Ancients of his kind always comes with a cost. Especially when Thea is revealed for what she really is: either a gift from the gods.....or a curse on his bloodline. Origin is a prequel novella to the Ancient Blood series. Although I only deal in Happily Ever After, we haven't reached the end of our tale yet, so make sure you pick up book 1 - Wicked Soul!

#### Ancient Blood Createspace Independent Publishing Platform

The vampires have always feared the first of their kind and his descendants. Now all immortals know there's a new Eirikson threatening their way of life. And they don't intend to let her. Catherine Stormhale has spent decades trying to crawl out of her family's shadow. Now they're calling her back home, to serve their clan against her new friends, and she has a choice to make. Bash used to know who he was. A protector. A provider. A huntsman. After being bitten by a feral vampire and turned into a blood-craving thing, he's lost everything. Family, purpose, honor. When students are attacked outside of the Institute, all warriors are called to help secure their borders. Bash and Cat sign up for the same schedule. He's a newborn vampire with no control over his thirst and she, a princess born to this life. Neither knows what they're in for.

#### **Ancient Mediterranean Sacrifice** MIRA

In Macedon, war rises like smoke, forbidden romance blooms and ancient magic tempered with rage threatens to turn an empire to dust. After winning his first battle, Prince Alexander fights to become the ruler his kingdom demands -- but the line between

leader and tyrant blurs with each new threat. Meanwhile, Hephaestion, cast aside by Alexander for killing the wrong man, must conceal the devastating secret of a divine prophecy from Katerina even as the two of them are thrust together on a dangerous mission to Egypt. The warrior, Jacob, determined to forget his first love, vows to eradicate the ancient Blood Magics and believes that royal prisoner Cynane holds the key to Macedon's undoing. And in chains, the Persian princess Zofia still longs to find the Spirit Eaters, but first must grapple with the secrets of her handsome -- and deadly -- captor. New York Times bestselling author Eleanor Herman entwines the real scandals of ancient history with epic fantasy in the second book of the Blood of Gods and Royals series.
