unite two warring Fae
courts? Or the one

bound to destroy
them? In a realm ruled
by magic, the ruthless
Queen of Thorns is
determined to destroy
her nemesis, the
cursed Prince of
Evernight. With war
brewing between the
bitter enemies, the
prince forces Queen
Adaia to uphold an

ancient treaty: she will send one of her daughters to his court as a political hostage for three months. The queen insists it's the perfect opportunity for Princess Iskvien to end the war before it begins. But one look into Thiago's smoldering eyes and Vi knows she's no assassin. The more secrets she uncovers about the prince and his court, the more she begins to question her mother's motives. Who is the true enemy? The dark prince who threatens her heart? Or the ruthless queen who will stop at nothing to destroy him? And when the curse threatens to shatter both courts, is her heart strong enough to break it?

"Throughout the pages of this book you will meet her both as the ruthless demon and the woman of dreams, the Whore of the Lord of Darkness and the Spider Goddess of Sitra Ahra, the Serpent coiling around the pillar of infinity and the Spider climbing silver threads that stretch deep into Qliphothic pathways. From New York Times Bestseller Mimi Jean Pamfiloff comes a Paranormal Suspense, Lord King. A curse he cannot break without her... KING Before I became evil, I was king of a great people. Now I am cursed to walk the earth until I pay for my misdeeds. After three thousand years, I have much to answer for. Then along comes Jeni, further complicating matters. She claims to love me, though I could never reciprocate. Her loathsome people placed me in this predicament, and frankly, I gave my heart to another woman long ago. But I am about to discover that meeting Jeni is no coincidence. Our true connection will shock even me. A power she

didn't know she had... JENI I am what they call a Seer, an ancient people with unusual gifts, and I'm the last of my kind. Surprise! Because up until recently, I thought I was a regular person. But meeting King changed everything. He opened my eyes to the world around me, filled with more darkness than I could've imagined. And King? He's the darkest of them all. That's why I can't wrap my head around my feelings. With every moment we spend together, I'm falling for a man who can never love me back. His heart belongs to his dead wife. That's when I meet Ansin. The only man on earth who could rival King for darkness and ruthless ambition. Like me, Ansin is the last of his

bloodline, which is why he demands I marry him and give him children. Do I get to choose, or has fate already chosen for me?

That's what the NIV

Cultural Backgrounds Study Bible provides.

Every page of this NIV Bible is packed with

expert insight into the customs, culture, and

literature of biblical times. These fascinating explanations will serve to clarify your study of the Scriptures, reinforcing your confidence and bringing difficult passages of Scripture into sharp focus. The Bible was originally written to an ancient people removed from us by thousands of years and thousands of miles. The Scriptures include subtle culturally based nuances, undertones, and references to ancient events, literature and customs that were intuitively understood by those who first heard the texts read. For us to truly understand the Scriptures as they did, we need a window into their world and language. The NIV

Cultural Backgrounds Study Bible, with notes from Dr. John H. Walton (Wheaton College) in the Old Testament and Dr. Craig S. Keener (Asbury Theological Seminary) in the New Testament, brings the ancient world of Scripture to life for modern readers. Duffy First published in 1975, *The Powers of Evil* is an interesting study of beliefs about supernatural agencies, thought to menace and prey on human beings, are known to all societies and, even in this age of materialism and rationalism, they still have a firmer grip

on Western minds that is not always understood or admitted. Richard Cavendish investigates supernatural agencies which have been involved over the ages with thought and belief in areas far beyond their own immediate spheres of suffering harm and death. These beings and forces include the Devil and the demons of Christian tradition, the evil gods and spirits of paganism, malevolent ghosts, witches, vampires, nightmares, powers of the underworld and hell, giants, dragons and many other sinister creatures of popular belief, as well as the two great evil and inescapable mechanisms of death and fate. He examines recurrent themes and

motifs in the context of the ancient world and medieval Europe as well as modern Europe and North America: the connection between evil and the animal world for example, the dread of being devoured, the links between death, evil and sex, the fear of disorder. This book will be of interest to students of history, religion and folktales. *Prophetic Calendar* Harper Collins

Taylor & Francis AZRA, the world in darkness and despair lived an immortal heartless Queen. Fighting to keep her power and control has become a challenge when there were so many threats and enemies trying to gain control. Battling the rebellion outlanders, mutated Ossian beasts, keeping her head before the Gods to rule, protecting her people from the wicked hands of the ruthless Lords of the realm and an unforeseen occultist that was menacing her people by using them against her for years of her reign, who do you truly trust in a land full of betrayers? There wasn't any faith left on this planet only death, darkness and destruction. This is a journey about the

bonds of friendship, family, sacrifice, love, the power of truth and the fight for second chances. In a land without hope is a land worth fighting for.

"They are known by many names: The Order of the Illuminati, Bilderbergers, Hidden Hand, Shadow Government, and Invisible Empire. For the purposes of this book, the band of self-designated "despots" has been given a more fitting title: Lords of Seduction. Following their idol--the Prince of Darkness -- these seductive and ruthless overlords became masters at manipulating people and governments, coaxing them ever closer toward the

boneheaps of history, including the United States of America. In gallant fashion, the author takes readers behind the scenes of an Illuminati-Islamic Alliance, where a global coup d'etat is being orchestrated. At the same time, peoples of the world are being distracted by a group of equally-as-seduced "puppets" -- Islamic jihadists. Many readers will see -- for the first time -- the declarations of a little-known, ancient cipher (The Protocols of the Learned Elders of Zion) which provides frightening details as to how a "supranational sovereignty of world bankers and intellectual elites" intend to "destroy God," collapse the United States of

America and deliver a beguiled world into the hands of their lord, Lucifer. Unless... " -- Back cover.

This commentary presents an Indonesian theologian's contemporary interpretation of Isaiah 1-39. According to S. H. Widyapranawa, in Isaiah we see the dynamics of faith in a turbulent world and we hear the prophetic admonition to uphold faith in the Lord and to oppose secularism, false prophecies, and sinful cultic practices. Indeed, this teaching from the eighth century B.C. is of paramount importance for the preaching of God's truth and justice in today's world. Book jacket.

The royalty of Tinti use brutality and fear to maintain control over their kingdom. In Aysu, they use something else. As a disillusioned castle guard who has suffered his ruthless lord's wrath in the past, Killian has done all he can to avoid drawing Lord Balthazar's attention. It isn't enough. Forcibly relocated to the desert kingdom of Aysu, Killian is ordered to protect Princess Shanree during her betrothal to Balthazar. Only, the wedding is coerced, and Shanree isn't the only one desperate to find a way out of it. A darkness lurks in Aysu that will not let her go. As Killian's feelings for Shanree grow, his instincts scream at him to get out. To survive,

he has been made to sacrifice almost everything. Now, the darkness wants what's left.

When a bomb goes off at 221B Baker Street, Evelina Cooper is thrown into her uncle Sherlock's world of mystery and murder. But just when she thought it was safe to return to the ballroom, old, new, and even dead enemies are clamoring for a place on her dance card.

Before Evelina’s even unpacked her gowns for a country house party, an indiscretion puts her in the power of the ruthless Gold King, who recruits her as his spy. He knows her disreputable past and exiles her to the rank alleyways of Whitechapel with orders to unmask his foe. As danger mounts, Evelina struggles between hiding her illegal magic and succumbing to the darker aspects of her power. One path keeps her secure; the other keeps her alive. For rebellion is brewing, a sorcerer wants her soul, and no one can protect her in the hunting grounds of Jack the Ripper. Praise for Emma Jane Holloway’s *A Study in Silks* “This book has just about everything: magic,

machines, mystery, mayhem, and all the danger one expects when people’s loves and fears collide. I can’t wait to return to the world of Evelina Cooper!”—Kevin Hearne, *New York Times* bestselling author of *The Iron Druid Chronicles* “As Sherlock Holmes’s niece, investigating murder while navigating the complicated shoals of Society—and romance—in an alternate Victorian England, Evelina Cooper is a charming addition to the canon.”—Jacqueline Carey, *New York Times* bestselling author of the *Kushiel’s Legacy* series “Holloway takes us for quite a ride, as her plot snakes through an alternate Victorian England full

of intrigue, romance, murder, and tiny sandwiches. Full of both thrills and frills.”—Nicole Peeler, author of the Jane True series “A Study in Silks is a charming, adventurous ride with a heroine who is both clever and talented. The brushes with the Sherlock Holmes mythos only add to the fun of this tale, and readers are bound to fall in love with Evelina and the London she inhabits.”—Philippa Ballantine, author of Geist “In A Study in Silks, Emma Jane Holloway has created a wonderful reimagining of the Sherlock Holmes mythos set in a late-Victorian Britain ruled by nefarious industrial titans called steam barons. Holloway’s clever writing,

attention to detail, and sublime characters forge a fascinating world that combines brass-plated steampunk technology with magic. By turns a coming-of-age story, a gas-lamp thriller, and a whimsical magical fantasy, A Study in Silks is the premiere novel of an author to watch.”—Susan Griffith, author of the Vampire Empire series “Holloway stuffs her adventure with an abundance of characters and ideas and fills her heroine with talents and graces, all within a fun, brisk narrative.”—Publishers Weekly “Splendid . . . The characters are thoroughly charming and the worldbuilding is first-rate.”—RT Book Reviews (four stars)
