Tudh paase jo Tudh bhaave soo-ii changaa Ik Nanak ki ardaase [Raga Bilawal] all beings seek your protection. They leave their worries with you. Whatever pleases you is good. That is Nanak's prayer. Guru Nanak spiritual beliefs and practices, based on his direct experience of God, were profoundly transformational. He brought the path to enlightenment closer to the masses by his use of a language that they understood. His monotheism, coupled with his emphasis on the pursuit of divinity while living the life of an ordinary householder, was a significant departure from the prevailing beliefs in renunciation, pilgrimage, and other rituals. A gift of grace: the essence of Guru Nanak spirituality simplifies the gurus core spiritual message for the

modern reader. The author, at the outset, enunciates the spiritual foundation of the gurus world view and his conception of reality, including the nature of God. Japji Sahib, a foundational religious text, is presented in its original form together with an English translation and an in-depth commentary. The book concludes with a representative selection of the gurus hymns.

In this highly accessible and comprehensive biography, Nikky-Guninder Kaur Singh deftly mines the available sources to construct a vivid and complex account of Guru Nanak's life and legacy, his personality and background, the pluralistic world he lived

in, his teachings and philosophy, and even the manner in which he has been understood by believers and scholars over time. What emerges is a majestic and magisterial portrait of a great enlightener who not only founded one of the world's major religions but whose singular message of unity and hope has endured centuries after he first walked the earth. The First Sikh unites rigorous scholarship with a deep love for the subject, offering fascinating insights into Guru Nanak's life and times even as it explores key facets of Sikhism. Moreover, it shows us how Guru Nanak continues to remain relevant in a twenty-first-century reality.

About the Book This volume illustrates, compares and discusses as to how Guru

Nānak with his transcendental exposition, sharp skill, argumentative capability and common poetic language further enriched, explained, simplified, modernized and expressed various theological and philosophical concepts elucidated in Upaniṣads for the understanding and adaptation of a common man. Upaniṣads are “breath of eternal” and hymns of Guru Nānak are “a divine song of life”. Guru Nānak’s exuberance of love and search for God and godly people was not confined to any religion or religious institution. He revolted against the ritualistic mind of a brāhmaṇa. He was essentially a man of God whose love and quest for search for the Ultimate Truth knew no limits. In the pursuit of this search he enjoyed a reach to the state of void meaning a state

where there is no distinction between the object and the subject – the knower and the known. He was a protagonist of Bhakti tradition and stressed more on bhakti or devotion to God. He taught the Sahaja-Patha or Sūrata Śabada Yoga that easily takes one straight to the Lord by spontaneous concentration of mind. Both hymns of Guru Nānak and Upaniṣads explain that the real aim of human life is to attain liberation from the repeated coming and going in incarnations, which can be attained by adequate karma, knowledge and disciplined meditation. About the Author Born in a small town of Chamkaur Sahib, Kanta Arora, MA, LLB, PhD, spent her childhood within the premises of Ghari, where Sri Guru Gobind Singh had sacrificed his two sons. This had left a profound influence

of Guru Nānak’s teaching on her. Having done graduation and post-graduation from the Punjab University, she joined Govt of India and held various positions in Finance and Accounts Dept of different ministries. After superannuation, she became a regular student of theology and made a comparative study of religions and consciousness studies and got her PhD for the thesis “Philosophy of Life: A Study in the Light of Bani (Hymns) of Guru Nanak and Upanishads” from the Department of Sanskrit of Dayalbagh Educational Institute (Deemed University). She has participated in many national seminars, and international conferences organized by the Center for Conscious Studies, University of Arizona, USA.

The Book of the Ten Masters is the record of the teachers of the Sikhs. The history of human civilization took a new turn when the Sikh Gurus appeared on the scene of Medieval India. The Sikh movement served as a light-house for the people groping in the dark. They were then changed men and elevated to the stage of the ideal man i.e. Gurmukh. *BABA NANAK SHAH FAKIR* Notion Press

There are three primary purposes of a religious prayer. 1. To refresh your remembrance and awareness of God. 2. To bring your wandering mind into the present moment. 3. To understand the meaning of the prayer and imbibe its teachings into your life in order to

further your spiritual progress. By God's grace, presented to you here is the translation of the JAPJI SAHIB (composed in Gurumukhi script by Guru Nanak Dev Ji, the First Guru and founder of the Sikh Religion) into English. At the end of the translation, I have also offered to you the Transliteration of JAPJI SAHIB, for those who may wish to recite as a prayer in the original Gurumukhi language. JAPJI SAHIB is a universal sacred hymn (prayer) about God and creation, composed by Guru Nanak Dev Ji, the founder of the Sikh faith. The Japji Sahib consists of the Mool Mantra (Root Mantra) as the beginning followed by 38 hymns and a final Salok at the end of this composition. The Japji appears at the very beginning of the Guru Granth Sahib, the Holy Scriptures of the Sikhs. It is

regarded as the most important Bani or 'set of verses' by the Sikhs and is recited every morning by all practicing this faith. The word 'Jap' means to 'recite' or 'to chant'. 'Ji' is a word that is used to show respect as is the word 'Sahib'. You are encouraged to read the translation several times, and the beauty of this glorious script will manifest in your mind. Harmony will come to your life as you begin to understand God and his attributes (as can be comprehended by a human), as revealed to us by God through Guru Nanak Dev Ji.

This book examines three closely related questions in the process of canon formation in the Sikh tradition: how the text of the Adi Granth came into being,

the meaning of gurbani, and how the Adi Granth became the Guru Granth Sahib. The censure of scholarly research on the Adi Granth was closely related to the complex political situation of Punjab and brought the whole issue of academic freedom into sharper focus. This book addresses some of these issues from an academic perspective. The Adi Granth, the sacred scripture of the Sikhs, means 'first religious book' (from the word 'adi' which means 'first' and 'granth' which means 'religious book'). Sikhs normally refer to the Adi Granth as the Guru Granth Sahib to indicate a confession of faith in the scripture as Guru. The contents of the Adi Granth are commonly known as bani (utterance) or gurbani (the utterance of the Guru). The transcendental origin (or ontological

status) of the hymns of the Adi Granth is termed dhur ki bani (utterance from the beginning). This particular understanding of revelation is based upon the doctrine of the sabad, or divine word, defined by Guru Nanak and the succeeding Gurus. This book also explores the revelation of the bani and its verbal expression, devotional music in the Sikh tradition, the role of the scripture in Sikh ceremonies, and the hymns of Guru Nanak and Guru Arjan.

Guru Nanak was born 550 years ago, during a period of political and religious turmoil in India. Tension between Hindus and Muslims had escalated, leading to a greater polarization of the two religions. Guru Nanak created a synthesis of Hinduism and Islam with the belief that God is one. He advocated a casteless society based on truth, brotherhood and equality. He spent twenty-three years travelling not only in India but also in Tibet, Ceylon and the Central Asian countries of Arabia, Iraq and Iran, preaching the truth as he had perceived

it and showing mankind the path to salvation. This book, part of the Spiritual Masters series, tells the fascinating story of a unique messiah who showed a gentle, peaceful, humanistic path to religion. The world has a greater need for Nanak's message and teachings now than ever before.

Guru Nanak was born on 15 April 1469,
on the day of Kartik Purnima in a village
named Talwandi. The tradition of Guru
and disciple is very ancient in India. The
place of Guru is considered to be even
higher than God. It is only through the
Guru that one attains worldly knowledge,
and only through the Guru does one
realize the enlightenment of how to

attain God. Guru Nanak was born at a
time when there was no central
organized power in India. Foreign
invaders were engaged in looting the
country. In the name of religion,
superstitions and rituals were spread all
around. In such a difficult times, Guru
Nanak proved to be a great philosopher
& thinker of Sikhism. Guru Nanak won
the hearts of people with his melodious
simple voice. In a very simple language
the message of Ek Onkar was explained
to the whole world that all humans are
brothers of each other. God is the Father
of all, then how can we be high and low
despite being the children of one Father?
In order to clear all these
misconceptions, he implemented the
teachings in his own life and became an
ideal by propagating religion all around.

He set an example of social harmony and gave the true message of humanity. Guru Nanak: a Homage Bookbaby

To revive Punjabi as a literary language, efforts had to be made at a level of world-historical importance. There was the urgent need to enrich its diction that Guru Nanak did by borrowing words from all possible sources i. e. classical languages; not only Sanskrit and Pali of the Indian origin but also Arabic and Persian of what was then regarded as vilayat. In this context, the dialects of the areas to the west of Punjab were also not ignored. Thereby, Braj, Rajputani and even Sindhi were tapped for this purpose. Guru Nanak also saw to it that derivation from multiple sources was not of the haphazard sort. Two techniques were at hand i. e. tatsam and

tadvabh which, in a masterly way, he employed to form words of his own. He did so by altering the spellings, tones, intonations and even the meanings of words for use in his diction. From my study of the Western literature of the medieval times, I can think only of Dante who employed such subtle and suitable means to develop the Italian language. Prof. Tejwant Singh Gill

The Book of Ten Masters Diamond Pocket Books Pvt Ltd

Guru Nanak was deeply spiritual from an early age, having being born into a society caught in the throes of orthodoxy and ritualism. The ills of child marriage, infanticide and a rigid caste system had further crippled his people. The outpouring of Nanak's faith evolved into the universal message of the

omnipresence and existence of one God, of true love, equality and compassion, which appealed to Hindus and Muslims alike. Drawing upon the various myths and legends contained in anecdotal biographies and placing them in as precise a historical framework as

possible, The Book of Nanak traces the chronology of the main events of Nanak's life. It sheds new light on Guru Nanak's message and includes translations of some of his hymns, which continue to inspire people the world over.
