The Thread Binding Them Together As Sisters Is All Too Fragile... The bittersweet reunion of the Robichaud family and the Harrows in the land of the Acadians has brought two mothers and two daughters full circle. They rekindle those early bonds and experience restoration of those lost years, but time and tragedy have left their indelible imprints on all who have endured the decades of separation and uncertainty. Moving forward with their lives now means further farewells--not as devastating as the one long ago, but no less heart wrenching. Their connection, which goes beyond that of "sisters" to best friends, will be tested by the coming Revolution and the lure of England--parted again, the reunited, but for how long...? Can their friendship sustain the startling revelation concerning...The Birthright?

Songs of Two Nations Houghton Mifflin Harcourt

A rare and evocative memoir of a respected constitutional scholar, dedicated public servant, political reformer, and facilitator of peace in the land of his ancestors. John D. Feerick's life has all the elements of a modern Horatio Alger story: the poor boy who achieves success by dint of his hard work. But Feerick brought other elements to that classic American success story: his deep religious faith, his integrity, and his paramount concern for social justice. In his memoir, *That Further Shore*, Feerick shares his inspiring story, from his humble beginnings: born to immigrant parents in the South Bronx, going on to practice law, participating in framing the U.S. Constitution's Twenty-Fifth Amendment, serving as dean of Fordham Law, and serving as President of the New York City Bar Association and chair of state commissions on government integrity. Beginning with Feerick's ancestry and early life experiences, including a detailed genealogical description of Feerick's Irish ancestors in County Mayo and his laborious quest to identify them and their relationships with one another, the book then presents an evocative survey of the now-vanished world of a working-class Irish Catholic neighborhood in the South Bronx. Feerick's account of how he financed his education from elementary school through law school is a moving tribute to the immigrant work ethic that he inherited from his parents and shared with many young Americans of his generation. The book then traces Feerick's career as a lawyer and how he gave up a lucrative partnership in a prestigious New York City law firm at an early age to accept the office of Dean of the Fordham School of Law at a fraction of his previous income because he felt it was time to give back something to the world. John Feerick has consistently shown his commitment to the law as a vocation as well as a profession by his efforts to protect the rights of the poor, to enable minorities to achieve their rightful places in American society, and to combat political corruption. *That Further Shore* is an inspiring memoir of how

one humble and decent man helped to make America a more just and equitable society.

She Yearned to Find a Home for Her Heart The tragic Acadian saga recounted in The Meeting Place, when the British drove the French from Nova Scotia, has followed two families over a score of years to the birth pangs of a new nation. The Song of Acadia has been one full of pathos but also of hope. Faith in God and family eventually have brought the Henri Robichauds to Louisiana, and finally, to a life of tranquility among the bayous. Back in Nova Scotia, the Andrew Harrows have been beacons of light among the British and the French communities. But the American Revolution has created turmoil on two continents, dividing nations, people, and, sometimes, even families. Anne in England and Nicole in the New World have little hope of seeing one another again in the foreseeable future. Then a letter finds its way to both sisters with news that send them on a frantic and harrowing journey to...The Beloved Land.

Successful tech industry survivor Merris Randall does not believe in love at first sight until she meets Olivia Pearce. But Olivia is deeply scarred from a damaging relationship, and has no plans to love again. Thrown together in a sensuous paradise thousands of miles from home, each comes face to face with her destiny. Anthropologist Dr. Glenn Howick is also on Moon Island, but romance is not on her agenda. Chasing the career-making discovery of a lifetime, Glenn must decide whether she can exploit the spirituality of another culture for her own ends. Another moral dilemma looms in the form of her research assistant Riley Mason, a post-grad student whose love for Glenn threatens both her reputation and her most secret self.

Anne Rice returns to the mesmerizing storytelling that has captivated readers for more than three decades with this new novel — the first book in a new series called “Songs of the Seraphim.” Angel Time is a dark, suspenseful novel about angels, reluctant assassins and a journey of redemption. Toby O’Dare — a.k.a. Lucky the Fox — has fallen far from grace. He is a contract killer who carries out violence whenever and wherever he is told, a soulless soul who takes orders from someone he calls “The Right Man.” When a mysterious stranger comes into Lucky’s nightmarish world and offers him a chance to save lives rather than destroy them, Lucky seizes the opportunity to escape the darkness. He is lifted in (angel) time and carried back through the ages to the primitive and treacherous world of thirteenth-century England, where Jews live an uneasy existence. He begins a journey that leads him from the medieval villages of England to the cities of London and Paris as his quest becomes a story of danger and flight, loyalty and betrayal, selflessness and love.

From the author of the bestselling Anam Cara comes a beautiful collection of blessings to help readers through both the everyday and the extraordinary events of their lives. John O’Donohue, Irish teacher and poet, has been widely praised for his gift of drawing on Celtic spiritual traditions to create words of inspiration and wisdom for today. In To Bless the Space Between Us, his compelling blend of elegant, poetic language and spiritual insight offers readers comfort and encouragement on their journeys through life. O’Donohue looks at life’s thresholds—getting married, having children, starting a new job—and offers invaluable guidelines for making the transition from a known, familiar world into a new, unmapped territory.

Most profoundly, however, O’Donohue explains “blessing” as a way of life, as a lens through which the whole world is transformed. O’Donohue awakens readers to timeless truths and shows the power they have to answer contemporary dilemmas and ease us through periods of change.

New York Times Bestseller: This retelling of the Greek myth of Theseus, king of Athens, is “one of the truly fine historical novels of modern times” (The New York Times). In myth, Theseus was the slayer of the child-devouring Minotaur in Crete. What the founder-hero might have been in real life is another question, brilliantly explored in The King Must Die. Drawing on modern scholarship and archaeological findings at Knossos, Mary Renault’s Theseus is an utterly lifelike figure—a king of immense charisma, whose boundless strivings flow from strength and weakness—but also one steered by implacable prophecy. The story follows Theseus’s adventures from Troizen to Eleusis, where the death in the book’s title is to take place, and from Athens to Crete, where he learns to jump bulls and is named king of the victims. Richly imbued with the spirit of its time, this is a page-turner as well as a daring act of imagination. Renault’s story of Theseus continues with the sequel The Bull from the Sea. This ebook features an illustrated biography of Mary Renault including rare images of the author.

A Chance Encounter Forever Changed Their Lives--and Destinies. Crafted by two masters of inspirational fiction--Janette Oke and T. Davis Bunn--and combining the engaging historical settings, rich characterization, and heartwarming messages quintessential to both authors, The Meeting Place is another timeless story for you to cherish. Set along the rugged coastline of 18th century Canada in what was then called Acadia (now Nova Scotia and New Brunswick), The Meeting Place re-creates a world that was home to native Indians, French settlers, and English garrisons. Such diverse populations did not live in accord, however. Instead, they were isolated within their own groups by a brewing political tension under the difficult English rule. Amid such chaotic times two women, both about to become brides and both trying to live lives of quiet peace, meet in a lush field of wildflowers. Louisa, a Frenchwoman, and Catherine, who is English, continue to meet secretly through the seasons, sharing both friendship and growing faith. The outside world does not mirror their own tranquil happiness, and the dreaded crackdown by the English throne threatens far more than their growing bond. In the face of a heart-wrenching dilemma, Louisa and Catherine strive to maintain their faith and cling to their dreams of family and home. Winner of the Christy Award, presented by the Christian Bookseller Association to honor the best in Christian fiction.

2020 Catholic Press Association second place award in theology--history of theology, church fathers and mothers In April 2015, Pope Francis named the Armenian poet and theologian St. Gregory of Narek (c. 945-1003) a Doctor of the Church. Though venerated for centuries by Catholic and Orthodox Armenians, Gregory is an obscure figure virtually unknown to the rest of the Church. Adding to the extraordinary nature of the pope's declaration, Gregory has the distinction of being the only Catholic Doctor who lived his entire life outside the visible communion of the Catholic Church. The Doctor of Mercy aims to provide an accessible introduction to Gregory's literary works, theology, and spirituality, as well as to make the case for the contemporary relevance of his writings to the problems that face the Church and the world today.

The long-awaited magnum opus from Haruki Murakami, in which this revered and bestselling author gives us his hypnotically addictive, mind-bending ode to George Orwell's 1984. The year is 1984. Aomame is riding in a taxi on the expressway, in a hurry to carry out an assignment. Her work is not the kind that can be discussed in public. When they get tied up in traffic, the taxi driver suggests a bizarre 'proposal' to her. Having no other choice she agrees, but as a result of her actions she starts to feel as though she is gradually becoming detached from the real world. She has been on a top secret mission, and her next job leads her to encounter the superhuman founder of a religious cult. Meanwhile, Tengo is leading a nondescript life but wishes to become a writer. He inadvertently becomes involved in a strange disturbance that develops over a literary prize. While Aomame and Tengo impact on each other in various ways, at times by accident and at times intentionally, they come closer and closer to meeting. Eventually the two of them notice that they are indispensable to each other. Is it possible for them to ever meet in the real world?
