than enough to keep your baby's attention. This adorable picture book is a perfect first book for preschoolers and makes for an ideal baby gift. Not too big and not too small, this sturdy, padded sensory book is just the right size for little hands to hold. No need for Mom and Dad to turn the pages! Babies and toddlers can turn the tough board book pages themselves, which helps to develop their

fine motor skills while building an early language foundation. This charming board book for babies includes: • An amazing range of different textures to explore • Clearly labeled pictures and a simple, easy to follow design • Easy to read text to encourage early vocabulary building • A texture or eye-catching area on every page • Rounded edges and

chunky pages, protecting babies and their growing teeth Learning to read should always be this fun. Kids will get hours of play from this sturdy board book for babies and toddlers, from making the noises and reading the names to feeling the different textures. Packed full of shiny objects and some bumps and grooves, this educational book will engage small children and stimulate early

childhood development in different ways. This touchy feely book, with its strong, baby-safe jacket, makes for an ideal baby gift. Complete the Series This delightful book is part of the Baby Touch and Feel range of board books for babies and toddlers from DK Books and includes titles like Baby Touch and Feel Animals, Baby Touch and Feel Bedtime, Baby Touch and Feel Colors and Shapes, and more for

your little one to enjoy!

Book Priddy Books US
Learn about concepts the Montessori way with this line of board books following the world-leading educational approach, THE MONTESSORI METHOD! Montessori

education values the development of the whole child-- physically, socially, emotionally, and cognitively. These books tap into the Montessori Method at home, allowing children to discover and engage with concepts in a holistic way that promotes a drive for knowledge and self-motivation. In FARM ANIMALS, children are invited to play hide-and-seek with baby

animals on the farm, using features like ears or feathers to identify the hiding animals.

Infused with humor and concepts that both engage and challenge children, this book is sure to inspire a generation of animal lovers! Learn more with THE MONTESSORI METHOD: MY FIRST BOOK OF FEELINGS, MY FIRST BOOK OF NUMBERS, and MY FIRST BOOK OF SHAPES. Farm National Geographic
