DRAVEN CORDOVA

Distancing English Penguin

The beloved and award-winning novel now available in a new format with a great new cover! When Wesley Boone writes a poem for his high school English class, some of his classmates clamor to read their poems aloud too. Soon they're having weekly poetry sessions and, one by one, the eighteen students are opening up and taking on the risky challenge of self-revelation. There's Lupe Alvarin, desperate to have a baby so she will feel loved. Raynard Patterson, hiding a secret behind his silence. Porscha Johnson, needing an outlet for her anger after her mother OD's. Through the poetry they share and narratives in which they reveal their most intimate thoughts about themselves and one another, their words and lives show what lies beneath the skin, behind the eyes, beyond the masquerade.

A Study Guide for Billy Collins's "The History Teacher" Chronicle Books

A collection of beloved poems about women from the iconic Maya Angelou. These four poems, "Phenomenal Woman," "Still I Rise," "Weekend Glory," and "Our Grandmothers," are among the most remembered and acclaimed of Maya Angelou's poems. They celebrate women with a majesty that has inspired and touched the hearts of millions. "Phenomenal Woman" is a phenomenal poem that speaks to us of where we are as women at the dawn of a new century. In a clear voice, Maya Angelou vividly reminds us of our towering strength and beauty.

Panic Random House

Maleeka suffers every day from the taunts of the other kids in her class. If they're not getting at her about her homemade clothes or her good grades, it's about her dark, black skin. When a new teacher, whose face is blotched with a startling white patch, starts at their school, Maleeka can see there is bound to be trouble for her too. But the new teacher's attitude surprises Maleeka. Miss Saunders loves the skin she's in. Can Maleeka learn to do the same?

Call Us What We Carry Crown Books for Young Readers

Maya Angelou's unforgettable collection of poetry lends its name to the documentary film about her life, *And Still I Rise*, as seen on PBS's *American Masters*. Pretty women wonder where my secret lies. I'm not cute or built to suit a fashion model's size. But when I start to tell them, They think I'm telling lies. I say, It's in the reach of my arms, The span of my hips, The stride of my step, The curl of my lips. I'm a woman Phenomenally. Phenomenal woman, That's me. Thus begins "Phenomenal Woman," just one of the beloved poems collected here in Maya Angelou's third book of verse. These poems are powerful, distinctive, and fresh—and, as always, full of the lifting rhythms of love and remembering. And *Still I Rise* is written from the heart, a celebration of life as only Maya Angelou has discovered it. "It is true poetry she is writing," M.F.K. Fisher has observed, "not just rhythm, the

beat, rhymes. I find it very moving and at times beautiful. It has an innate purity about it, unquenchable dignity. . . . It is astounding, flabbergasting, to recognize it, in all the words I read every day and night . . . it gives me heart, to hear so clearly the caged bird singing and to understand her notes."

The World's Wife Simon and Schuster

Taking a close look at the forces that affect English education in schools—at the ways literature, cognitive science, the privileging of the STEM disciplines, and current educational policies are connected—this timely book counters with a strong argument for the importance of continuing to teach literature in middle and secondary classrooms. The case is made through critical examination of the ongoing "culture wars" between the humanities and the sciences, recent research in cognitive literary studies demonstrating the power of narrative reading, and an analysis of educational trends that have marginalized literature teaching in the U.S., including standards-based and scripted curricula. The book is distinctive in presenting both a synthesis of arguments for literary study in the middle and high school and sample lesson plans from practicing teachers exemplifying how literature can positively influence adolescents' intellectual, emotional, and social selves.

A Case for Teaching Literature in the Secondary School Simon and Schuster

The bully on the bus taunts seven-year-old Leroy, then silences him with threats of worse to come if he tells. To help him, his teacher introduces him to a book of fairy tales. Hidden are the clues that Leroy needs to overcome the bully's taunts once and for all.

Annabel Lee Random House

From acclaimed spoken-word poet Shane Koyczan, the rallying cry against bullying that became a viral video viewed over 13 million times. "I'm not the only kid who grew up this way surrounded by people who used to say that rhyme about sticks and stones as if broken bones hurt more than the names we got called." Now a dazzling illustrated book featuring the work of thirty artists from around the world, *To This Day* is a powerful expression of the lasting effects of bullying, and the inner strength that allows people to move beyond it. With a heartfelt personal preface by Shane, this extraordinary poem will resonate with anyone who has experienced bullying, whether as a victim, observer or participant.

Breaking the Taboo with Young Adult Literature Astra Publishing House

Through a series of poems, a young girl chronicles the life-changing year of 1975, when she, her mother, and her brothers leave Vietnam and resettle in Alabama.

The Place's Fault Nelson Thornes

Kevin has a bad attitude. He's the one who laughs when you trip and fall. In fact, he may have been the one who tripped you in the first place. He has a real knack for rubbing people the wrong way—and he's even figured out a secret way to do it with poems. But what happens when the tables are turned and he is the one getting picked on? *Rhyme Schemer* is a touching and hilarious middle-grade novel in verse about one seventh grader's journey from bully-er to bully-ee, as he learns about friendship, family, and the influence that words can have on people's lives. Includes bonus

material! - Book Club Discussion Guide - Reading and Writing Connections

My Mouth is a Volcano HarperCollins

Limelight is a unique collection of slam poetry paired with inspirational writing techniques. With over 30 original poems in different forms, Raphael's work tackles current social concerns for his generation, such as sustainability and social equality, all while amplifying his uplifting message of hope. Solli's book also contains 5 chapters on how to write and read poetry, how to manage stage fright and writer's block, and encouraging tips on how we can all make tomorrow better than today. As a voice of his generation, and at a time when youth movements worldwide hold much importance, Raphael is taking on the world...one word at a time. The future needs you and me to create equality across all levels of humanity -Solli

Look Both Ways Routledge

An award-winning novel in verse about a boy who navigates the start of seventh grade and life growing up on the border the only way that feels right—through poetry. They call him Güero because of his red hair, pale skin, and freckles. Sometimes people only go off of what they see. Like the Mexican boxer Canelo Álvarez, twelve-year-old Güero is puro mexicano. He feels at home on both sides of the river, speaking Spanish or English. Güero is also a reader, gamer, and musician who runs with a squad of misfits called Los Bobbys. Together, they joke around and talk about their expanding world, which now includes girls. (Don't cross Joanna—she's tough as nails.) Güero faces the start of seventh grade with heart and smarts, his family's traditions, and his trusty accordion. And when life gets tough for this Mexican American border kid, he knows what to do: He writes poetry. Honoring multiple poetic traditions, *They Call Me Güero* is a classic in the making and the recipient of a Pura Belpré Honor, a Tomás Rivera Mexican American Children's Book Award, a Claudia Lewis Award for Excellence in Poetry, and a Walter Dean Myers Honor.

Autobiography of Red Macmillan

"A collection of ten short stories that all take place in the same day about kids walking home from school"--

A Voice for Me Rowman & Littlefield Publishers

This expanded edition adds sixteen new exercises designed to inspire creativity and help poets hone their skills. Each exercise includes a clearly-stated learning objective, historical background matter on the particular subgenre being explored, and an example written by undergraduates at Western Kentucky University. The text also analyzes work by leading American poets including Billy Collins, Denise Duhamel and Dean Young. The book's five chapters correspond with the five canons of classical rhetoric: invention, arrangement, style, memory, and delivery.

Drift is a medley style compilation of poetry, prose, quips and descriptive ditties about various topics, primarily geared towards adult relationships, which have drifted into this book's authors' minds over the relevant time frame of this book's creation. Readers are advised that some poetry herein is from a long ago time frame. These ancient poems are primarily the remaining stragglers as they are found with the exception of a small number of works that link into other works within this book. As a medley style book of poetry there is no specific categorization of works and works are not presented in any particular or planned order. Many poems within Drift express desires, wishes,

disappointments, sorrows as well as specific real-life components in relationships, including common patterns of dysfunctional relationship patterns. In these dysfunctional romantic relationship patterns this writer posits most people have experienced the issues presented in poetry within this book while the majority of people may not have examined, dissected, analyzed and/or named the various components as well as personality types that lead to, accept or become pulled into, sometimes despite the intelligence or wisdom of certain individuals impacted by the dysfunction. Limited essay or bullet point material is added to provide readers with greater clarity into the poetry within Drift. This book additionally provides footnotes on some of the poetry to further assist readers unfamiliar with poetry. These footnotes are intended to assist readers in their ultimate understanding of the poems herein. It is noteworthy to add that poetry in Drift utilizes the term "You," which is not a common form of presentation for this book's most prolific writer who typically avoids second person reference such as this. The usage of the term "You" is not intended to imply the poetry within this book is directed to any particular reader or readers in general. This writer sincerely hopes readers both enjoy and learn from the poetry in Drift. Readers are invited to look into other books of poetry by the author/authors of Drift, including Drift's highly organized and thus artistically variant poetic predecessor *A Veritable Medley of Poetic Meanderings*, through Online book vendors such as Xlibris, Amazon, Barnes and Nobel, etc. The second book in Drift is specifically designed solely for victims of the sophisticated sociopath domestic predator. Photos therein are somewhat akin to the theme by another writer not linked to either Sereena Nightshade or Brian Guzzi of "I wore red lipstick to my mastectomy" as well as for readers' reprieve from the material presented.

Winter Bees & Other Poems of the Cold Routledge

This remarkable book shows teachers how to inspire students to learn to write and write to learn. Committed to the premise that all students can learn to write with appropriate teaching, modelling, and practice, it argues that reading and writing go hand in hand. Through reading, writing and the inevitable discussions that follow, students learn from the experiences of others, open their minds to many possibilities, gain a glimpse into new worlds, make connections to their lives, and reflect on their own choices and learning. This practical book shows you how to use freewriting and powerful mentor texts to create classrooms where students enjoy putting pencil to paper and taking the necessary risks to grow and flourish as writers.

To This Day Harper Collins

A poetic, gifty offering that combines first love, friendship, and persistent courage in this lyrical immigration story told in verse. Carrying just a suitcase and an old laundry bag filled with clothes, Kasienka and her mother are immigrating to England from Poland. Kasienka isn't the happiest girl in the world. At home, her mother is suffering from a broken heart as she searches for Kasienka's father. And at school, Kasienka is having trouble being the new girl and making friends. The only time she feels comforted is when she's swimming at the pool. But she can't quite shake the feeling that she's sinking. Until a new boy swims into her life, and she learns that there might be more than one way to stay afloat. *The Weight of Water* is a coming-of-age story that deftly handles issues of immigration, alienation, and first love. Moving and poetically rendered, this novel-in-verse is the story of a young girl whose determination to find out who she is prevails.

The Poet X Andrews McMeel Publishing

How did fears of cultural inadequacy play out in the English language after American independence and the War of 1812? Like many of his nineteenth-century contemporaries, essayist Walter Channing suggests that the country's perceived deficiency in literature is due to a crucial overlap with England, that is, having "the same language with a nation, totally unlike it in almost every relation." In *Distancing English*, Page Richards shows how these concerns of language are historically interwoven with the inexpressible. Often overlooked, the topos of the inexpressible redirects the ventriloquism of the English language. From its beginning, this topos combines the hyperbole of high expectations with the failure of inadequate words. In Charles Brockden Brown or George Tucker, it can register deficiency of "character" on and off the page, establishing important strategies of decenteredness also associated with modernism. In writers such as Nathaniel Hawthorne, Wallace Stevens, and John Berryman, the inexpressible seizes advantage from disadvantage. It runs through literary framing strategies and flexible shaggy dog humor. An opening to the 1855 *Leaves of Grass*, Walt Whitman's Preface remaps the topos and emerges as a distinguished moment in the articulation of the inexpressible.

The Bully HarperCollins

Everyone knows that Simon Mason is a bully, and that he is picking on Anna, David and Rebekkah, but when Simon's teacher takes a closer look, the situation turns out not to be as clear cut as it seemed. Suggested level: primary, intermediate.

Limelight Pembroke Publishers Limited

Fifty of the foremost diverse children's authors and illustrators--including Jason Reynolds, Jacqueline Woodson, and Kwame Alexander--share answers to the question, "In this divisive world, what shall we tell our children?" in this beautiful, full-color keepsake collection, published in partnership with Just Us Books. What do we tell our children when the world seems bleak, and prejudice and racism run rampant? With 96 lavishly designed pages of original art and prose, fifty diverse creators lend voice to young activists. Featuring poems, letters, personal essays, art, and other works from such industry leaders as Jacqueline Woodson (*Brown Girl Dreaming*), Jason Reynolds (*All American Boys*), Kwame Alexander (*The Crossover*), Andrea Pippins (*I Love My Hair*), Sharon Draper (*Out of My Mind*), Rita Williams-Garcia (*One Crazy Summer*), Ellen Oh (cofounder of *We Need Diverse Books*), and artists Ekua Holmes, Rafael Lopez, James Ransome, Javaka Steptoe, and more, this anthology empowers the nation's youth to listen, learn, and build a better tomorrow. A Kirkus Reviews Best Book of 2018! A Publishers Weekly Best Book of 2018!
