## BROOKLYN MICAH

### Proceedings Routledge

An 1853-8 edition of the Journey of the Moroccan traveller Ibn Battuta (1304-68/9), with a French translation.

*The Lincoln Library of Essential Information an Up to Date Manual for Daily Reference, for Self Instruction, and for General Culture Named in Appreciative Remembrance of Abraham Lincoln, the Foremost American Exemplar of Self Education* Routledge  
 RLE: Linguistics Mini-set A focuses on the field of General Linguistics, and collects classic titles from imprints such as Garland, Allen & Unwin, and Croom Helm. A variety of important international linguists are featured. The titles are: The Chomsky Update. The Conceptual Basis of Language. Foundations of General Linguistics. Ideologies of Language. Learning about Linguistics. Lexical Phonology and Morphology. The Linguistic Description of Opaque Contexts. Linguistic Meaning. Redefining Linguistics. A Theory of Stylistic Rules in English. Universal Grammar

*Routledge Library Editions: George Eliot* Routledge  
 Reissuing seminal works originally published between 1979 and 1994, Routledge Library Editions: Women, Feminism and Literature offers a selection of scholarship from a time of great change in feminist studies and literary studies. Topics cover all aspects of women's literature, gender and feminism through literary criticism and the work of women literary theorists.

**Catalogue of the Libri Library ...** Routledge  
 The International Federation of Library Associations and Institutions (IFLA) is the leading international body representing the interests of library and information services and their users. It is the global voice of the information profession. The series IFLA Publications deals with many of the means through which libraries, information centres, and information professionals worldwide can formulate their goals, exert their influence as a group, protect their interests, and find solutions to global problems.

*Maunder's Treasury of Knowledge, and Library of Reference, Parts I & II.* Cambridge University Press

Includes its Report, 1896-19 .

*Samuel Beckett's Library* Pendragon Press

Beginning with the publication of their joint collection of poems

Lyrical Ballads in 1798, William Wordsworth and Samuel Taylor Coleridge were instrumental in helping to establish the Romantic Movement as a major force in nineteenth century British literature. Two of the movement's greatest figures, they were responsible for composing some of the most well-known poems in the British literary canon and influenced generations of acolytes. They were also the foremost literary critics of the period, contributing influential writings on literary theory and philosophy — exemplified by Coleridge's *Biographia Literaria*. 'Routledge Library Editions: Wordsworth and Coleridge' assembles a wide range of scholarship and criticism that covers all aspects of their diverse output and charts the vicissitudes of their lives — examining their poetry, criticism, philosophy and sources of inspiration. It will also help introduce them to newer readers and explain notoriously difficult to understand works like Wordsworth's *The Prelude*. This set reissues 14 books originally published between 1960 and 1991 and will be of interest to students of literature and literary history.

*Routledge Library Editions: Linguistics Mini-set A General Linguistics* University of Virginia Press

The first study to assess the importance of the marginalia, inscriptions, and other manuscript notes in the 750 volumes of Samuel Beckett's personal library.

*ALA Bulletin* Cambridge University Press

This set reissues 5 books on George Eliot originally published between 1963 and 1989. The volumes examine many of Eliot's most respected works, including *Middlemarch*, *The Mill on the Floss* and *Silas Marner*. As well as providing in-depth analyses of Eliot's work, this collection also includes an extensive collection of her critical articles written between 1846 and 1868. This set will be of particular interest to students of literature.

*Bulletin of the New York Public Library* Walter de Gruyter

The Pataphysician's Library is a study of aspects of 1890s French literature, with specific reference to the traditions of Symbolism and Decadence. Its main focus is Alfred Jarry, who has proved, perhaps surprisingly, to be one of the more durable fin-de-siècle authors. The originality of this study lies in its use of the enigmatic list of books termed the *livres pairs*, which appears in Jarry's 1898 novel *Gestes et Opinions du docteur Faustroll*, pataphysicien, his best-known prose work. The greatest interest of the *livres pairs* lies in a group of works by Jarry's friends and contemporaries, primarily Leon Bloy, Georges Darien, Gustave Kahn, Catulle Mendès, Josephin Madan, Rachilde, and Henri de Regnier. Several of these authors feature as the lords of islands

visited by the pataphysician Dr Faustroll in his curious voyage around Paris. In conjunction with Jarry's own works, the contemporary *livres pairs* serve to illustrate the vibrant and experimental atmosphere in which these authors worked.

**Waldie's Select Circulating Library** Liverpool University Press  
 Routledge Library Editions: Linguistics brings together as one set, mini-sets, or individual volumes, a series of previously out-of-print classics from a variety of academic imprints. With titles ranging from Applied Linguistics and Language Learning to Experimental Psycholinguistics and Sociolinguistics Today: International Perspectives, this set provides in one place a wealth of important reference sources from a wide range of authors expert in the field.

**The New Self-interpreting Bible Library** Routledge  
 Descartes has long been recognized as occupying a pivotal position in Western philosophy. At the very centre of Descartes' innovation are his intimately related conceptions of mind and knowledge. These twin notions form the main problems that have continued to exercise philosophers to this day. The volumes in this set, originally published between 1932 and 1990 Put the main mathematical and physical discoveries of Descartes in an accessible form, for the benefit of English readers. Provide a thorough discussion of René Descartes philosophy of metaphysics, examining the three major points of the mind and body, freedom of the will and religion and science Delineate the transition Descartes effects from a prevalent medieval conception of understanding to a modern conception of it. Give in-depth study of Descartes' philosophy with a strong emphasis on the historical approach.

*Catalogue of a Collection of Early French Books in the Library of C. Fairfax Murray* Taylor & Francis

An 1853-8 edition of the Journey of the Moroccan traveller Ibn Battuta (1304-68/9), with a French translation.
