Milady has evolved for over 85 years to become what it is today, the cornerstone of beauty and wellness education. We are very excited and proud to announce the latest edition of *Milady Standard Cosmetology*, the most commonly used resource in cosmetology education. For

decades since our first textbook published, it has been our commitment to provide students with the foundation in the principles and skills needed to master the science and art of cosmetology, and with this latest version that commitment has not waived. For the new edition, celebrity stylist Ted Gibson served as Creative Director on the project. The result is a brilliant new design with over 750 new photos and a gorgeous layout, providing a visually stunning resource to engage today's learner. We also recruited a team of twelve authors, made up of top professionals and educators in the industry, to provide the most current information on concepts and techniques. During our extensive peer review and development process, we were asked for a resource that placed emphasis on essential content needed for licensure success, and we feel confident that we delivered. *Milady Standard Cosmetology* will continue to be a source of education that students can count on, not only while in school, but throughout their careers. The purpose of [this book] is to offer teaching methodology, learning philosophy, and professional development for aspiring cosmetology educators. It is intended to be adopted by schools offering instructor training as a core program in an institution's overall curriculum. The material is applicable to educators within any discipline within the wide field of cosmetology. It is designed to work effectively in an instructor-led classroom environment but can also be utilized in a mentor/self-study environment ... [This book first] includes information about the history of teaching, the qualities and characteristics required in a master educator, educator relations, developing a program of study, developing and using educational aids, teaching skills and presentation techniques, and classroom management. [It then] focuses on the needs of the industry, teaching in a dynamic clinic, and grading performance systems. [It also] addresses adult-learner characteristics and learner diversity, learning and teaching methods, and how to achieve learner results. [The last part] covers professional-performance evaluations and preparing for licensure and employment. -Pref.

Milady's Master Educator fills a void in the education of instructors of cosmetology, barber-styling, esthetics, nail technology, and massage. Those studying to be instructors will use the CD-ROM while learning the profession. It will later serve as a resource during their teaching careers. The forty video clips found on the CD-ROM are reproduced from the eight video tapes that are part of Milady's Master Educator program. These clips serve to reinforce recommended concepts and methodology. Exam review questions, complete with rationales for correct and incorrect answers, aid students as they prepare for licensing. The CD-ROM helps to maintain and rekindle that fresh student perspective and serves as inspiration to the practicing teacher.
