NEW YORK TIMES BESTSELLER • "One of our most inventive purveyors of the form returns with pitch-perfect, genre-bending stories that stare into the abyss of our national character. . . . An exquisite work from a writer whose

reach is galactic."—Oprah Daily Booker Prize winner George Saunders returns with his first collection of short stories since the New York Times bestseller Tenth of December. ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker The "best short-story writer in English" (Time) is back with a masterful collection that explores ideas of power, ethics, and justice and cuts to the very heart of what it means to live in community with our fellow humans. With his trademark

prose—wickedly funny, unsentimental, and exquisitely tuned—Saunders continues to challenge and surprise: Here is a collection of prismatic, resonant stories that encompass joy and despair, oppression and revolution, bizarre fantasy and brutal reality. “Love Letter” is a tender missive from grandfather to grandson, in the midst of a dystopian political situation in the (not too distant, all too believable) future, that reminds us of our obligations to our ideals, ourselves, and one another. “Ghoul” is set in a Hell-themed section of an underground amusement park in Colorado and follows the exploits of a lonely, morally complex character named Brian, who comes to question everything he takes for granted about his reality. In “Mother’s Day,” two

women who loved the same man come to an existential reckoning in the middle of a hailstorm. In “Elliott Spencer,” our eighty-nine-year-old protagonist finds himself brainwashed, his memory “scraped”—a victim of a scheme in which poor, vulnerable people are reprogrammed and deployed as political protesters. And “My House”—in a mere seven pages—comes to terms with the haunting nature of unfulfilled dreams and the inevitability of decay. Together, these nine subversive, profound, and essential stories coalesce into a case for viewing the world with the same generosity and clear-eyed attention Saunders does, even in the most absurd of circumstances.

INTERNATIONAL BESTSELLER A

heartbreaking and hilarious memoir by

iCarly and Sam & Cat star Jennette

McCurdy about her struggles as a former

child actor—including eating disorders,

addiction, and a complicated relationship

with her overbearing mother—and how

she retook control of her life. Jennette

McCurdy was six years old when she had

her first acting audition. Her mother's

dream was for her only daughter to

become a star, and Jennette would do

anything to make her mother happy. So she went along with what Mom called “calorie restriction,” eating little and weighing herself five times a day. She endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn’t tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I’m Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a new Nickelodeon series called *iCarly*, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety,

shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the *iCarly* spinoff *Sam & Cat* alongside Ariana Grande, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I’m Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

In this offbeat approach to leadership, college president Steven B. Sample—the man who turned the University of Southern California into one of the most respected and highly rated universities in the country—challenges many

conventional teachings on the subject. Here, Sample outlines an iconoclastic style of leadership that flies in the face of current leadership thought, but a style that unquestionably works, nevertheless. Sample urges leaders and aspiring leaders to focus on some key counterintuitive truths. He offers his own down-to-earth, homespun, and often provocative advice on some complex and thoughtful issues. And he provides many practical, if controversial, tactics for successful leadership, suggesting, among other things, that leaders should sometimes compromise their principles, not read everything that comes across their desks, and always put off decisions. *I'm Glad My Mom Died* Corwin Press
