Taking Yesterday's
Crochet..... and bringing
it into the Modern World
Designer Karen Whooley
learned to crochet lace at
her Italian Grandmother's
knee. But what she
learned as a child has now
become her number one
strength. In Modern Italian
Lace Crochet, Karen
brings to you a little bit of
her family history that
started in the early 20th
century, takes the lace
that she learned and turns
it on its head to become
more modern, more
vibrant and much more
approachable for every
crocheter. From shawls
and accessories to
beautiful, wearable
garments, each of the 10
projects in Modern Italian
Lace Crochet is full of
memories. Karen uses
ideas and stitches she
learned from her Italian
heritage but puts them
together to become
classics that modern
crocheters are looking for.
