JERAMIAH CORTEZ

The Physician Grand Central Publishing

A man travels to Israel to uncover a diamond's remarkable past in this vivid historical saga from the New York Times–bestselling author of *The Physician*. A diamond cutter and seller from a long, respected line of precious-gem dealers, New Yorker Harry Hopeman is intrigued by the story of the so-called “Jerusalem Diamond,” a magnificent yellow jewel rumored to date back to the biblical time of King Solomon. So when he’s asked to broker a deal that will return the legendary gemstone to Israel, he eagerly accepts. Arriving in the volatile Middle East, Hopeman soon discovers that his assignment will be anything but easy. Representatives of the Holy Land’s three major religions—Judaism, Christianity, and Islam—are all laying claim to the priceless jewel that once adorned the miter of Pope Gregory, and they will do anything to possess it. Partnering with Israeli government agent Tamar Strauss—a beautiful and courageous Yemenite war widow who inspires the visiting American’s passion as well as his respect—Hopeman is soon entangled in a web of mystery and intrigue that crosses continents and stretches back thousands of years. As the duo follows the twisting travels of the gem and the bloody conflicts it has ignited throughout its extraordinary past—a history that intertwines with Hopeman’s own family saga—the story of a breathtaking land and its people unfolds in all its drama and glory. International–bestselling author Noah Gordon—whose acclaimed historical novel *The Physician* was the inspiration for the major motion picture of the same name starring Ben Kingsley—“has packed a suspense tale with religious, historical and archeological underpinnings, along with fascinating insights into an industry whose conduct is generally shrouded from outside scrutiny” (*The Philadelphia Inquirer*).

Not in God's Name Penguin

In 1939 the lives of five women are about to collide in the sleepy little village of Crowmarsh Priors. Evangeline has eloped from New Orleans with a naval captain, Alice is resigned to life as the parish spinster, Elsie is evacuated from the East End to be a maid for Lady Marchmont, Tanni has fled from Vienna with her newborn son, and high-spirited Frances is to see out the war with her godmother. Together these five women face hardship, passion and danger, and form a bond that sees them through their darkest hours, and lasts for the rest of their lives.

Choices Open Road Media

A woman physician confronts the moral issues of her time in the third novel in the New York Times–bestselling author’s historical

medical trilogy. Roberta Jeanne d’Arc Cole is favored to be named associate chief of medicine at a Boston hospital. She is married to a surgeon. They own a trophy residence on historic Brattle Street in Cambridge and a summer house in the Berkshire Hills.

Everything melts away. Her gender and her work at an abortion clinic cost her the hospital appointment. Her marriage fails. Crushed, she goes to the farmhouse in Western Massachusetts, thinking to sell it, and finds an unexpected life. How she continues to fight for every woman’s right to choose, while acknowledging her own ticking clock and maternal yearning, makes this prize-winning third story of the Cole trilogy as relevant as tomorrow.

A Novel Macmillan

The New York Times–bestselling novel that follows the life and career of a rabbi as he journeys through America: “A rewarding reading experience.” —Los Angeles Times Michael Kind is raised in the Jewish cauldron of 1920s New York, familiar with the stresses and materialism of metropolitan life. Turning to the ancient set of ethics of his Orthodox grandfather, with a modern twist, he becomes a Reform rabbi. As insecure and sexually needy as any other young male, he serves as a circuit-rider rabbi in the Ozarks, and then as a temple rabbi in the racially ugly South, in a San Francisco suburb, in a Pennsylvania college town, and finally, in a New England community west of Boston. Along the way he falls deeply in love with and marries the daughter of a Congregational minister; she converts to Judaism and they have two complex, interesting children. Noah Gordon’s picture of a brilliant and talented religious counselor—who at times is as bereft and uncertain as any of his congregants—is a deeply moving and very satisfying novel.

The Physician Macmillan

NEW YORK TIMES BESTSELLER • NOW A TNT ORIGINAL SERIES •

“A first-rate tale of crime and punishment that will keep readers guessing until the final pages.”—Entertainment Weekly “Caleb Carr’s rich period thriller takes us back to the moment in history when the modern idea of the serial killer became available to us.”—The Detroit News When *The Alienist* was first published in 1994, it was a major phenomenon, spending six months on the New York Times bestseller list, receiving critical acclaim, and selling millions of copies. This modern classic continues to be a touchstone of historical suspense fiction for readers everywhere. The year is 1896. The city is New York. Newspaper reporter John Schuyler Moore is summoned by his friend Dr. Laszlo Kreizler—a psychologist, or “alienist”—to view the horribly mutilated body of an adolescent boy abandoned on the unfinished Williamsburg Bridge. From there the two embark on a revolutionary effort in criminology: creating a psychological profile of the perpetrator based on the details of his crimes. Their dangerous quest takes them into the tortured past and twisted mind of a murderer who

will kill again before their hunt is over. Fast-paced and riveting, infused with historical detail, *The Alienist* conjures up Gilded Age New York, with its tenements and mansions, corrupt cops and flamboyant gangsters, shining opera houses and seamy gin mills. It is an age in which questioning society’s belief that all killers are born, not made, could have unexpected and fatal consequences. Praise for *The Alienist* “[A] delicious premise . . . Its settings and characterizations are much more sophisticated than the run-of-the-mill thrillers that line the shelves in bookstores.”—The Washington Post Book World “Mesmerizing.”—Detroit Free Press “The method of the hunt and the disparate team of hunters lift the tale beyond the level of a good thriller—way beyond. . . . A remarkable combination of historical novel and psychological thriller.”—The Buffalo News “Engrossing.”—Newsweek “Gripping, atmospheric . . . intelligent and entertaining.”—USA Today “A high-spirited, charged-up and unfailingly smart thriller.”—Los Angeles Times “Keeps readers turning pages well past their bedtime.”—San Francisco Chronicle

Passion India Random House

The Western narrative of world history largely omits a whole civilization. *Destiny Disrupted* tells the history of the world from the Islamic point of view, and restores the centrality of the Muslim perspective, ignored for a thousand years. In *Destiny Disrupted*, Tamim Ansary tells the rich story of world history as it looks from a new perspective: with the evolution of the Muslim community at the center. His story moves from the lifetime of Mohammed through a succession of far-flung empires, to the tangle of modern conflicts that culminated in the events of 9/11. He introduces the key people, events, ideas, legends, religious disputes, and turning points of world history, imparting not only what happened but how it is understood from the Muslim perspective. He clarifies why two great civilizations—Western and Muslim—grew up oblivious to each other, what happened when they intersected, and how the Islamic world was affected by its slow recognition that Europe—a place it long perceived as primitive—had somehow hijacked destiny. With storytelling brio, humor, and evenhanded sympathy to all sides of the story, Ansary illuminates a fascinating parallel to the world narrative usually heard in the West. *Destiny Disrupted* offers a vital perspective on world conflicts many now find so puzzling. *The Story of the Spanish Princess of Kapurthala* Harper Collins NEW YORK TIMES BESTSELLER • “A powerfully imagined novel . . . [a] profoundly moving book that engages the heights and depths of human experience.”—Los Angeles Times It is September 8, 1943, and fourteen-year-old Claudette Blum and her father are among the thousands of Jewish refugees scrambling over the Alps toward Italy, where they hope to find safety now that the Italians have broken from Germany and made a separate peace with the

Allies. The Blums will soon discover that Italy is anything but peaceful, as it quickly becomes an open battleground for the Nazis, the Allies, Resistance fighters, Jews in hiding, and ordinary Italian civilians trying to survive. Tracing the lives of a handful of fascinating characters—a charismatic Italian Resistance leader, a priest, an Italian rabbi's family, a disillusioned German doctor—Mary Doria Russell tells the little-known story of the vast underground effort by Italian citizens who saved the lives of 43,000 Jews during the final phase of World War II. *A Thread of Grace* puts a human face on history. Praise for *A Thread of Grace* "An addictive page-turner . . . [Mary Doria] Russell has an astonishing story to tell—full of action, paced like a rapid-fire thriller, in tense, vivid scenes that move with cinematic verve."—The Washington Post Book World "Hauntingly beautiful, utterly unforgettable."—San Francisco Chronicle "Rich . . . Based on the heroism of ordinary people, [A Thread of Grace] packs an emotional punch."—People "[A] deeply felt and compellingly written book . . . The progress of each character's life is marked or measured by acts of grace. . . . Russell is a smart, passionate and imaginative writer."—Cleveland Plain Dealer "A feat of storytelling . . . an important book [that] needs to be widely read."—Portland Oregonian "Mary Doria Russell's fans (and aren't we all?) will rejoice to see her new novel on the shelves. *A Thread of Grace* is as ambitious, beautiful, tense, and transforming as any of us could have hoped."—Karen Joy Fowler, author of *The Jane Austen Book Club* "A story of love and war, *A Thread of Grace* speaks to the resilience and beauty of the human spirit in the midst of unimaginable horror. It is, unquestionably, a literary triumph."—David Morrell, author of *The Brotherhood of the Rose* and *First Blood*

Miss Julia Lays Down the Law Roca editorial

This comprehensive guide to healing synthesizes the principles and practices of Hippocratic, Chinese, Ayurvedic, and Persian medicine, and includes the first English translation of one of the handbooks of Avicenna, whose writings have been classics in herbal and dietetic medicine for more than 1,000 years. Based on the philosophy that "food is the best medicine," Avicenna's canon provides simple and effective diagnostic techniques and therapies for maintaining health and strengthening the immune system. Includes a botanical guide for the 100 most-used healing herbs and recommended treatments for 400 conditions, including diet and nutrition, herbology, and aromatherapy.

The Winemaker Fawcett

The New York Times–bestselling author delivers "a big, authentic novel" of the professional and personal challenges of three young doctors (The New York Times). Three young men from different backgrounds have graduated from medical schools and become surgical fellows at a leading teaching hospital in Boston. They learn to become surgeons, to communicate with patients and families, and to be observed and appraised by their peers and professors on daily rounds. And each month—sometimes with dry mouth and rapid pulse—each attends the meeting of the Mortality Conference, known to all as the Death Committee, which examines every patient loss for possible human error, in order to prevent it from happening again. How the Death Committee affects and is affected by the lives, loves, and ambitions of three new doctors is the theme of this intriguing and profoundly moving novel.

The Death Committee Schocken

"Delightful . . . Those who like smiles with their crimes will be satisfied" by the 13th in the popular Miss Julia series (Publishers Weekly). Don't miss her newest, *Miss Julia Raises the Roof*, coming April 2018 from Viking. As we know from her many trips to the New York Times bestseller list, Miss Julia simply can't abide sitting idle. And with young Lloyd moving out and husband Sam off to the Holy Land, everybody's favorite steel magnolia is feeling restless. Maybe it's time for that long-delayed home makeover. But before Miss Julia can even pick a color swatch, Hazel Marie's new husband, private eye J.D. Pickens, goes missing—and police

in West Virginia have detained an injured man fitting his description. Meanwhile, a religious cult is out to convert the locals—and Miss Julia must pick up the pace to free J.D. and get back in time to stop them.

A Classic Guide to the Medicine of Avicenna Open Road Media
It's up to Miss Julia to sort out the murder of a hoity-toity newcomer in the latest addition to the New York Times bestselling series. Look out for the newest in the series, *Miss Julia Raises the Roof*, coming from Viking in April 2018. Miss Julia fans both new and old will be especially keen to get their hands on the sixteenth in the series, *Miss Julia Lays Down the Law*, guaranteed to be the steel magnolia's most exciting adventure yet. It's November and Miss Julia is looking forward to some quiet time before the holidays. That is until snobby Connie Clayborn and her rich husband move to town. At first, Miss Julia and the other ladies are pleased to be invited over for coffee, but the afternoon turns into a slap in the face when their hostess spouts nonstop criticism about Abbotsville. Why, how dare she? Days later, Miss Julia decides to confront Connie woman to woman, but when she arrives, Connie is lying on the kitchen floor—lifeless in a pool of blood. Who could have done this? Miss Julia will need to find out fast—particularly because her fingerprints are now all over the crime scene. . . .

Shaman Open Road Media

The Great Expulsion of 1492 provides the backdrop for this novel of holocaust that follows a thirteen-year-old Spanish Jew named Yonah as he tries to avoid the Inquisition.

The Alienist (TNT Tie-in Edition) Random House Trade Paperbacks
An orphan leaves Dark Ages London to study medicine in Persia in this "rich" and "vivid" historical novel from a New York Times–bestselling author (The New York Times). A child holds the hand of his dying mother and is terrified, aware something is taking her. Orphaned and given to an itinerant barber-surgeon, Rob Cole becomes a fast-talking swindler, peddling a worthless medicine. But as he matures, his strange gift—an acute sensitivity to impending death—never leaves him, and he yearns to become a healer. Arab madrassas are the only authentic medical schools, and he makes his perilous way to Persia. Christians are barred from Muslim schools, but claiming he is a Jew, he studies under the world's most renowned physician, Avicenna. How the woman who is his great love struggles against her only rival—medicine—makes a riveting modern classic. *The Physician* is the first book in New York Times–bestselling author Noah Gordon's Dr. Robert Cole trilogy, which continues with *Shaman* and concludes with *Matters of Choice*.

A Teaspoon of Earth and Sea Open Road Media

A new threat has risen. For years, peace has reigned within the boundaries of the empire. Monks, gifted with extraordinary powers, wander the land, keeping order by any means necessary. Their gifts make them invincible, or so most believe. A lone warrior disagrees. Guided by a shadowy organization, Fang seeks to break the monasteries. Once left for dead by powerful monks, revenge has driven him to unimaginable strength. Only one obstacle stands in his way. His name is Lei, and he is no hero. Exiled by the monasteries for an unforgivable crime, he's more comfortable with a drink in his hand than a sword. But he's about to be thrust into a fight he had no part in starting. As destiny hurtles the two men into inevitable conflict, the fate of the empire hangs in the balance.

A Novel Inner Traditions / Bear & Co

The New York Times–bestselling author's historical saga of a family of healers—from Dark Ages London to Civil War America to modern-day Boston. In *The Physician*, an orphan in eleventh-century London, Robert Cole, becomes a fast-talking swindler. As he matures, his strange gift—an acute sensitivity to impending death—never leaves him, and he yearns to become a healer. Arab madrassas are the only authentic medical schools, and he makes his perilous way to Persia. Christians are barred from Muslim schools, but by claiming he is a Jew, he studies under the world's

most renowned physician, Avicenna. Cole's journey and love for a woman who must struggle against her only rival—medicine—make *The Physician* a riveting modern classic. In *Shaman*, Dr. Robert Judson Cole, nineteenth-century descendant of the first Robert Cole, travels from his ravaged Scottish homeland, through the operating rooms of antebellum Boston, to the cabins of frontier Illinois. In the wilderness he befriends the starving remnants of the Sauk tribe, who have fled their reservation. In the process, he absorbs their culture and learns native remedies that enrich his classical medical education. He marries a remarkable settler woman he had saved from illness. The Cole family is drawn into the bloody vortex of the Civil War, and their determination to survive in the midst of wilderness and violence will stay with the reader long after the final page. In *Matters of Choice*, Roberta Jeanne d'Arc Cole is the latest first-born descendant of Dr. Robert Cole. Favored to be named associate chief of medicine at a Boston hospital, she is married to a surgeon and owns a trophy residence in Cambridge as well as a summer house. But everything melts away. Her gender and her work at an abortion clinic cost her the hospital appointment. Her marriage fails. Crushed, she goes to her farmhouse in western Massachusetts, thinking to sell it, and finds an unexpected life. How she continues to fight for every woman's right to choose, while acknowledging her own ticking clock and maternal yearning, makes this prize-winning third story of the Cole trilogy relevant and unforgettable.

The Rabbi Penguin

Un joven aprendiz de médico con un don para sanar nunca visto recorrerá la Europa sombría y oscura del siglo XI hasta la fascinante Persia, para encontrarse con el mejor maestro imaginable: el mítico Avicena. Rob J. Cole, un joven londinense del siglo...

El médico (Edición película) Open Road Media

Following a family tragedy, siblings Lou and Oz must leave New York and adjust to life in the Virginia mountains—but just as the farm begins to feel like home, they'll have to defend it from a dark threat in this New York Times bestselling coming-of-age story. Precocious twelve-year-old Louisa Mae Cardinal lives in the hectic New York City of 1940 with her family. Then tragedy strikes—and Lou and her younger brother, Oz, must go with their invalid mother to live on their great-grandmother's farm in the Virginia mountains. Suddenly Lou finds herself growing up in a new landscape, making her first true friend, and experiencing adventures tragic, comic, and audacious. When a dark, destructive force encroaches on her new home, her struggle will play out in a crowded Virginia courtroom...and determine the future of two children, an entire town, and the mountains they love.

Wish You Well Waterstone Media

This New York Times Notable Book is a "sweeping historical drama" of a physician and his family on the Illinois frontier in the nineteenth century (The New York Times Book Review). Dr. Robert Judson Cole travels from his ravaged Scotland homeland, through the operating rooms of Boston, to the cabins of frontier Illinois. In the wilderness he befriends the starving remnants of the Sauk tribe, who have fled their reservation. In the process, he absorbs their culture and learns native remedies that enrich the classical medical education he received at Edinburgh University. He marries a remarkable settler woman he had saved from illness. The details of how their deaf son manages to become a physician also, despite his handicap, and the story of how the Cole family is sucked into the bloody vortex of the Civil War and survives, makes an exceptional reading experience.

Shaman Simon and Schuster

From the author of *The Physician* and *Shamen*, this is the final book in the trilogy. Set in the present, R.J. Cole has inherited the family gift. After a miscarriage and the death of her boyfriend, she embarks on a career in medicine. Her life changes when she is faced with a terrible dilemma.
