As Christians, we often struggle to find the words to speak in the presence of God Almighty. Praying to God may feel foreign or like a ritual, and adding to that frustration, we worry that God isn't listening. Even if He hears, will He reply? This book will show you that God not only listens but also answers. He is waiting to provide an outpouring of blessings, if only you will ask Him. God wants you to be a prayer warrior and will help you.

We live in a foolish world with women making bad choices and suffering from the collateral damage of other's wrong choices. The One Year Wisdom for Women Devotional, based on the audio program of the same name, was birthed out of the great need for women to hear how God addresses every single facet of their lives through the powerful and

practical book of Proverbs. For many, the Proverbs are hard to study because the topics jump around from verse to verse. The One Year Wisdom for Women Devotional is a practical tool that will help women in their daily walk with the Lord. It is a great companion to the One Year Bible because it directly follows that book's daily Proverbs reading. Each day not only follows the script of the Wisdom for Women audio program, it also references the One Year Bible reading schedule and ends with a powerful call to action.

book created to help women connect intimately with their God. Where the first book in the His Princess™ series reminded us that we are loved intimately and unconditionally by our King, this second book helps us express our deepest thoughts, desires, fears and failures by emulating King David in the Psalms and crying out to God through prayer. Christian women will gain a personal, dynamic prayer life. You want to feel God's presence... embrace His promises... cry out to Him... ..but don't know how! From your heart's deepest cry to life's joyful praises, nothing is off limits to Him. Go confidently now before His throne as you claim these powerful prayers as your own. He hears every word. He's waiting to hear from you. If from there you will seek the Lord your God, you will find Him if you seek Him with all your heart and soul and life. Deuteronomy 4:29, AMP Story Behind the Book "Too many of God's "chosen ones" don't know how to have a real relationship with their Lord. We want to feel His presence, but we don't know how to let Him in. We want to see His promises come true, but we don't believe they are for us personally. We want to experience His power, but we keep trying to live life in our own strength. We want to cry out to Him, but we're afraid to break down and admit that we're weak. My prayer for this book is that women of God will have a personal, life-changing prayer life and be transformed into the daughters of the King they were destined to be from the beginning."
