The Whole Lesbian Sex Book Penguin

#1 NEW YORK TIMES BESTSELLER • The game-changing author of *Tribe of Mentors* teaches you how to reach your peak physical potential with minimum effort. "A practical crash course in how to reinvent yourself."—Kevin Kelly, *Wired* Is it possible to reach your genetic potential in 6 months? Sleep 2 hours per day and perform better than on 8 hours? Lose more fat than a marathoner by bingeing? Indeed, and much more. *The 4-Hour Body* is the result of an obsessive quest, spanning more than a decade, to hack the human body using data science. It contains the collective wisdom of hundreds of elite athletes, dozens of MDs, and thousands of hours of jaw-dropping personal experimentation. From Olympic training centers to black-market laboratories, from Silicon Valley to South Africa, Tim Ferriss fixated on one life-changing question: For all things physical, what are the tiniest changes that produce the biggest results? Thousands of tests later, this book contains the answers for both men and women. It's the wisdom Tim used to gain 34 pounds of muscle in 28 days, without steroids, and in four hours of total gym time. From the gym to the bedroom, it's all

here, and it all works. You will learn (in less than 30 minutes each): • How to lose those last 5-10 pounds (or 100+ pounds) with odd combinations of food and safe chemical cocktails • How to prevent fat gain while bingeing over the weekend or the holidays • How to sleep 2 hours per day and feel fully rested • How to produce 15-minute female orgasms • How to triple testosterone and double sperm count • How to go from running 5 kilometers to 50 kilometers in 12 weeks • How to reverse "permanent" injuries • How to pay for a beach vacation with one hospital visit And that's just the tip of the iceberg. There are more than 50 topics covered, all with real-world experiments, many including more than 200 test subjects. You don't need better genetics or more exercise. You need immediate results that compel you to continue. That's exactly what *The 4-Hour Body* delivers.

Nina Hartley's Guide to Total Sex Saint Martin's Griffin

A comprehensive and instructional guide to the new sexual landscape, covering "new territories" such as bondage, role playing, and sex toys that would make your parents blush. Since the publication of *The Joy of Sex* in 1972, the sexual landscape's boundaries have been expanded to

Although it also covers the basics, *The Boudoir Bible* fills those niches missing from other sex guides nicely, with full, elaborated chapters on rope bondage, restraints of sound and sight, erotic flagellation, and the stimulation of new erogenous zones, among innumerable other offerings. Well-researched, *The Boudoir Bible* is written from a joyful, sex-positive point of view. Going beyond the "lovemaking" of older guides, this witty and uninhibited tome expands the sexual act to encompass "verboten" topics, with chapters entitled "The Genital Gym," "Nipple Tease," "Male Ejaculation Control," and "The Anthems of Anal Sex." Illustrated by the renowned artist François Berthoud, whose provocative creations have graced both Prada campaigns and museum exhibitions, *The Boudoir Bible* provides a fresh view of sexuality in the twenty-first century.

Nina Blackwood, Mark Goodman, Alan Hunter, and Martha Quinn (along with the late J. J. Jackson) had front-row seats to a cultural revolution—and the hijinks of pop music icons like Adam Ant, Cyndi Lauper, Madonna, and Duran Duran—as the first VJs on the fledgling network MTV. From partying with David Lee Roth to flying on Bob Dylan's private jet, they were on a breakneck journey through a music revolution. Boing beyond the compelling behind the scenes tales of this unforgettable era, VJ is also a coming-of-age story about the 1980s, its excesses, controversies, and everything in between. "At last—the real inside story of the MTV explosion that rocked the world, in all its giddy excess, from the video pioneers who saw all the hair, drugs and guitars up close. "American ecstasy is a memoir in pictures and words of the twelve years photographer Barbara Nitke spent shooting stills on porn movie sets in New York City. The book takes place in the 1980s at the end of the Golden Age of Porn, as the industry transitioned from high budget, scripted film productions to smaller and ever cheaper video shoots. Nitke's images reveal the contradictions inherent in the business - great beauty, tinged with sadness, punctuated by surreal silliness. As she chronicles the sights and sounds of life on the sets, her stories also reveal her own struggle to come to terms with the end of her marriage and her fascination with the sexual outlaws of the porn world. Among the porn stars featured are Ron Jeremy, Vanessa del Rio, Nina Hartley, Sharon Mitchell, Sharon Kane, Siobhan Hunter, Jeanna Fine, Damian Cashmere, Tasha Voux, and many more. Directors include Henri Pachard, Candida Royalle, Lasse Braun and others."--

The Ultimate Guide to Anal Sex for Women The Feminist Press at CUNY

The only thing the writers in this book have in common is that they've exchanged sex for money. They're PhDs and dropouts, soccer moms and jailbirds, \$2,500-a-night call girls and \$10 crack hos, and everything in between. This anthology lends a voice to an underrepresented population that is simultaneously reviled and worshipped. *Hos*, *Hookers*, *Call Girls*, and *Rent Boys* is a collection of short memoirs, rants, confessions, nightmares, journalism, and poetry covering life, love, work, family, and yes, sex. The editors gather pieces from the world of industrial sex, including contributions from art-porn priestess Dr. Annie Sprinkle, best-selling memoirist David Henry Sterry (*Chicken: Self-Portrait of a Young Man for Rent*), sex activist and musical diva Candye Kane, women and men right off the streets, girls participating in the first-ever National Summit of Commercially Sexually Exploited Youth, and Ruth Morgan Thomas, one of the organizers of the European Sex Work, Human Rights, and Migration Conference. *Sex* is a billion-dollar industry. Meet the real people who are its flesh and blood.

The Monster Under the Bed Stone Bridge Press

Beginning on a first date with a couple of swingers, followed by working through social anxiety and shyness, recognizing the importance of touch in life, evolving feelings about love and expectations, having threesomes, orgies, and prostate orgasms, going through a divorce, and leveling up in life and sexuality. For six years, Cooper S. Beckett has written for *Life on the Swingset*, a website born out of the feeling that he'd learned enough in his whole year of swinging to tell other people how to live their non-monogamous lives. His hubris can be seen from space. From that writing he has collected personal essays, stories, erotica, and prescriptive "how-tos" into this memoir of his life on *The Swingset*. He may be biased when it comes to swinging, polyamory, and other forms of ethical non-monogamy (in fact, he most certainly is) but he doesn't sugar-coat it. He speaks honestly and earnestly about a unique way to live life, one that allows for sexual and loving growth and experimentation, a strong sense of community, and the ability to do what we all crave, whether we know it or not: Be honest with ourselves and others about what we want sexually. And out of life. This third edition includes a new essay and an excerpt from Beckett's novel *A Life Less Monogamous*
