Height 1079 was the name of the mountain where the nine members of the Dyatlov trekking group perished in 1959. The bizarre circumstances of their death and the ensuing frenzy surrounding the incident brought to attention the original name given to the place by the local Mansi people - Kholat Syakhl, or Dead (Barren) Mountain. Until now, there has been no plausible explanation of what actually happened on that fateful night of February 1, 1959. This book offers a startling new theory, based on well-documented evidence rather than wild speculations, that finally ties together all of known facts about the Dyatlov mystery into a credible sequence of causes and effects. Do you know what the hardest thing for a Japanese learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! You may have found the best teacher in town or the most incredible learning app around, but if you don't put all of that knowledge to practice, you'll soon forget everything you've obtained. This is why being engaged with interesting reading material can be so essential for somebody wishing to learn a new

language. Therefore, in this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Japanese language. How Japanese Short Stories for Beginners works: - Each chapter possesses a funny, interesting and/or thought-provoking story based on real-life situations, allowing you to learn a bit more about the Japanese culture. - Having trouble understanding Japanese characters? No problem - we provide you with the English translation below each paragraph, allowing you to fully grasp what you're reading! - The summaries follow a synopsis in Japanese and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. Use them if you're having trouble. - At the end of those summaries, you will be provided with a list of the most relevant vocabulary from that chapter, as well as slang and sayings that you may not have understood at first glance! Do not get lost trying to understand or pronounce it all, either, as all of the vocabulary words are Romanized for your ease of learning! - Finally, you'll be provided with a set of tricky questions in Japanese, allowing you the chance to prove that you learned something in the story. Whether it's true or false, or if

you're doing the single answer questions, don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! We want you to feel comfortable while learning Japanese; after all, no language should be a barrier for you to travel around the world and expand your social circles! So look no further! Pick up your copy of Japanese Short Stories for Beginners and level up your Japanese language skills right now!

These eight stories are linked by a date and a motif. All of them have to do with love. Love and its conditions on the night of March 19, 1929. In his second book and his only collection of stories, Peter Høeg proves himself to be a true storyteller in the tradition of Karen Blixen and Joseph Conrad. These beautifully constructed tales deal with love, the classic arts and sciences, and the confrontation of Western and non-Western cultures. Moving from a railroad car in the Congo to a sailboat in Lisbon's harbor to an upper-class apartment in Copenhagen, they include the tales of a young, disillusioned mathematician who comes face-to-face with his culture's distortion of Africa; an esteemed judge who runs off with the young man he has just sentenced to prison for his homosexual tendencies; and a town--sealed off from the plague--that is infiltrated by a troupe of traveling actors.

Colloquial Portuguese: The Complete Course for Beginners has been carefully developed by an experienced teacher to provide a step-by-step course to Portuguese as it is written and spoken today. Combining a clear, practical and accessible style with a methodical and thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Portuguese in a broad range of situations. No prior knowledge of the language is required. Colloquial Portuguese is exceptional; each unit presents a wealth of grammatical points that are reinforced with a wide range of exercises for regular practice. A full answer key, a grammar summary, bilingual glossaries and English translations of dialogues can be found at the back as well as useful vocabulary lists throughout. Key features include: A clear, user-friendly format designed to help learners progressively build up their speaking, listening, reading and writing skills Jargon-free, succinct and clearly structured explanations of grammar An extensive range of focused and dynamic supportive exercises Realistic and entertaining dialogues covering a broad variety of narrative situations Helpful cultural points explaining the customs and features of life in Portugal An overview of the sounds of Portuguese Balanced, comprehensive and rewarding, Colloquial Portuguese is an indispensable resource both for independent learners and students taking courses in Portuguese. Audio material to accompany the course is available to download free in MP3 format from www.routledge.com/cw/colloquials. Recorded by native speakers, the audio material features the dialogues and texts from the book and will help develop your listening and pronunciation skills.

Im Jahr 1968 richteten die Universitäten Basel und Zürich ein gemeinsames Ordinariat für Nordische Philologie ein. Themen der nordischen Sprachen und Literaturen hatten zwar bereits früher an Schweizer Universitäten im Rahmen der Germanistik und Anglistik zum Lehrplan gehört. Aber erst mit der Schaffung eines Lehrstuhls und zweier nordistischer Abteilungen wurde es möglich, Nordistik bzw. Skandinavistik als Fach zu studieren. Die vorliegende Publikation stellt die für kleine Fächer paradigmatische Geschichte der Schweizer Nordistik der letzten fünfzig Jahre in den Grundzügen dar. Beschrieben werden in knapper Form die Vorgeschichte seit dem 19. Jahrhundert und die Hintergründe, die zur Errichtung der beiden Abteilungen führten, sowie schwerpunktmäßig der Verlauf nordischer Studien von räumlich beengten und personell bescheidenen Anfängen bis zu den neuesten, dynamischen Aktivitäten in Forschung und Lehre. Kürzere Texte von ehemaligen Studierenden und Mitarbeitenden und zahlreiche Abbildungen ergänzen die Darstellung.

This title provides a thorough theoretical and practical introduction to the application of neural networks to pattern recognition and intelligent signal processing. It has been tested on students, unfamiliar with neural networks, who were able to pick up enough details to successfully complete their masters or final year undergraduate projects. The text also presents a comprehensive treatment of a class of neural networks called common bandwidth spherical basis function NNs, including the probabilistic NN, the modified probabilistic NN, and the general regression NN.

The European Language Portfolio aims to foster the development of learner autonomy, intercultural awareness and plurilingualism. Teachers of particular languages working on their own can use the ELP to promote learner autonomy, but the goals of intercultural awareness and plurilingualism invite us to use the ELP in all foreign language classes at all levels in the school. The guide introduces the language education policy that underpins the ELP, explores the key concepts that it embodies, and explains how to plan, implement and evaluate whole-school ELP projects. The ten case studies published on the project website illustrate various dimensions of ELP use and include practical suggestions and activities for teachers and learners.

We all hate text books that begin with "Hello, what's your name?," don't we? "The Mystery of Nils" is a coherent story, which starts very simply, but develops into a fascinating novel. Can't stop reading? Well then you will have to learn Norwegian! We have carefully selected the most frequently used words in the Norwegian language and made sure that the story is primarily made

up of them. Separate texts and exercises focus on conversational topics that will prepare you for living in Norway. Grammar is a headache? Not with "The Mystery of Nils." Uncover the structure of the Norwegian language with pictures, casual yet comprehensive explanations, and a lot of easy to remember examples. Repetition is the key to learning a language. At www.skapago.eu/nils you will find a great number of exercises, a vocabulary trainer, videos about pronunciation, and a whole lot more. Our Norwegian teachers have co-created this book. They know all the obstacles you might incur and can help you with individual training. Since we teach through online video conferences, you can take lessons wherever you are on this planet. Schedule a free demo lesson at www.skapago.eu. This is the story: Erna Langvik gives her eight year old granddaughter a special birthday present: a doll inspired by the traditional Norwegian mythical creature "Nisse." Nils as the doll is called leads a happy life with his new family in Oslo. But due to an accident, Nils finds out that he means a lot more to Erna than just being a birthday present. Without knowing it, he has been carrying a painful secret, and during an adventurous trip to Northern Norway, he helps Erna to make one of the most important decisions of her life."

Die Sprachführer der Kauderwelsch-Reihe orientieren sich am typischen Reisealltag und vermitteln auf anregende Weise das nötige Rüstzeug, um ohne lästige Büffelei möglichst schnell mit dem Sprechen beginnen zu können, wenn auch vielleicht nicht immer druckreif. Besonders hilfreich ist hierbei die Wort-für-Wort-Übersetzung, die es ermöglicht, mit einem Blick die Struktur und "Denkweise" der jeweiligen Sprache zu durchschauen. Wer mit Einheimischen Bekanntschaft machen will, der muß mit ihnen reden, und man wird erstaunt sein, wie schon ein paar Brocken Norwegisch das Eis brechen. Natürlich verstehen fast alle jüngeren Leute Englisch, einige auch Deutsch, dennoch sind sie positiv überrascht, wenn jemand anfängt, Norwegisch zu sprechen. Dieser Band soll eine Grundlage zur Verständigung vermitteln, darum wurde auch auf eine komplizierte Grammatik verzichtet und mehr Wert auf praktische Konversationsbeispiele in alltäglichen Situationen gelegt. Ziel dieses Buches ist es, möglichst schnell selbständig Sätze zu bilden, um sich mühelos mit Norwegern zu unterhalten. Ganz nebenbei erfährt man auch einiges Wissenswertes über Land und Kultur der Norweger. Da sich Dänisch, Schwedisch und Norwegisch sehr ähnlich sind, können sich Skandinavier mühelos untereinander verständigen, auch wenn jeder seine Muttersprache gebraucht. Natürlich gilt das auch für Touristen - kann man erst einmal etwas Norwegisch, wird man sich auch in Schweden oder Dänemark besser verständigen können. Umfangreicheres Tonmaterial ist unter dem Titel Kauderwelsch Aussprachetrainer Norwegisch separat auf CD oder als Download erhältlich.
