Sympathetic Vibrations - A Guide for Private Music Teachers is a resource that has been designed to help private music teachers of all instruments develop flexibility in meeting each student's needs. Although it contains many teaching ideas, it is not a "methods" book. Its most important purpose is to help music teachers and their students discover their own answers. It will show how to identify students' learning styles, and demonstrate the benefits of using experimentation and intuition to supplement proven teaching strategies. Music therapists can benefit from the concepts discussed in this book in working with students with special needs. The book offers practical advice for many common teaching situations, as well as motivational activities, composition, improvisation and listening exercises, strategies for rapid advancement, marketing ideas and pragmatic advice for running one's own teaching studio. The appendices include an unusual

practice sheet, record keeping forms and a recital planning guide.

The Washington Post hails Greil Marcus as our greatest cultural critic. Writing in the London Review of Books, D. D. Guttenplan calls him probably the most astute critic of American popular culture since Edmund Wilson. For nearly thirty years, he has written a remarkable column that has migrated from the Village Voice to Artforum, Salon, City Pages, Interview, and The Believer and currently appears in the Barnes & Noble Review. It has been a laboratory where Marcus has fearlessly explored and wittily dissected an enormous variety of cultural artifacts, from songs to books to movies to advertisements, teasing out from the welter of everyday objects what amounts to a de facto theory of cultural transmission. Published to complement the paperback edition of The History of Rock & Roll in Ten Songs, Real Life Rock reveals the critic in full: direct, erudite, funny, fierce, vivid, astute, uninhibited, and possessing an unerring instinct for art and fraud. The result is an indispensable volume packed with startling arguments and casual brilliance.
