Zebra Books
 An unforgettable collection of feature articles and columns from Cycle World magazine by master writer Peter Egan, whose simple adventures of life remind us all why we love to ride.
The Sidecar
 Cengage Learning
 We found this lost classic among the cherished works that French Catholics risked everything to save when the Church was under attack -- in the frenzied

days of the French Revolution and its aftermath. French Catholics valued this book as a tough, uncompromising handbook on how to deal with the obligations and problems of the spiritual life. It teaches you what you need to know and to do when the comforts and supports of life have been swept away. Our times are not so far removed from the Godless irrationality that swept

across France in Fr. Grou's day. That's why, in our own tumultuous age, The Spiritual Life is so desperately needed. It's the one guide that offers you real help to navigate the treacherous spiritual waters of today's world, and to keep the Faith

Honda MSX125 (GROM) '13 to '18 Haynes Manuals N. America, Incorporated Moving to a new Amish settlement in small-town Colorado was a brave new start for independent-minded quiltmaker Esther Kiem. But helping her reckless relative will really put her special

matchmaking skills to the test . . . Mischievous and rebellious, young Ben Kiem is making the wrong kind of name for himself throughout the town of Byler. And even though his sister-in-law, Esther, somehow coaxes him into keeping company with sensible Linda Eicher, Ben can't see anything they have in common. Or that he could ever be good enough for someone like her. But

Linda's down-to-earth nature and unexpected understanding have Ben trying his best to be better, no matter how challenging . . . Linda couldn't be more surprised when Ben turns out to be caring and helpful, despite his rowdy pranks and bad-news friends. And falling in love with him suddenly seems just right. But when a heartbreaking misunderstanding comes between

them, both she and Ben must risk enough to trust, stitch the pieces back together—and dare a forever precious happiness. Praise for Jennifer Beckstrand and Abraham “This is an endearing romance that fans of Wanda Brunstetter will love.” —Publishers Weekly
