Some issues have separately numbered section: L'Oeil du décorateur.  
*Ancient Egypt Transformed* University of Chicago Press  
Blaise Cendrars' narrative about his life-changing journey on the Trans-Siberian Railway is a poem of memory and

movement. Sonia Delaunay's designs create a parallel path as the reader slips down the palette while swimming through a river of words.

Critical Critters Victoria & Albert Museum  
"Published in conjunction with the exhibition The original copy: photography of sculpture, 1839 to today, at the Museum of Modern Art, New York (August 1-November 1, 2010)"--T.p. verso.

**The Futurist Moment** Fox Chapel Publishing  
Published to accompany the 1994

exhibition at The Museum of Modern Art, New York, this book constitutes the most extensive survey of modern illustrated books to be offered in many years. Work by artists from Pierre Bonnard to Barbara Kruger and writers from Guillaume Apollinaire to Susan Sontag. An important reference for collectors and connoisseurs. Includes notable works by Marc Chagall, Henri Matisse, and Pablo Picasso.  
*Christmas Stencil Cards* Harry N. Abrams  
In the tradition of *The Swerve* comes this thrilling, detective-like work of literary

history that reveals how a poem created the world we live in today. It was, improbably, the forerunner of our digital age: a French poem about a shipwreck published in 1897 that, with its mind-bending possibilities of being read up and down, backward and forward, even sideways, launched modernism. Stéphane Mallarmé's "One Toss of the Dice," a daring, twenty-page epic of ruin and recovery, provided an epochal "tipping point," defining the spirit of the age and anticipating radical thinkers of the twentieth century, from Albert Einstein to T. S. Eliot. Celebrating its intrinsic influence on our culture, renowned scholar R. Howard Bloch masterfully decodes the poem still considered among the most enigmatic ever written. In Bloch's shimmering portrait of Belle Époque Paris, Mallarmé stands as the spiritual giant of the era, gathering around him every Tuesday a luminous cast of characters including Émile Zola, Victor Hugo, Claude Monet, André Gide, Claude Debussy, Oscar Wilde, and even the future French prime minister Georges Clemenceau. A simple schoolteacher whose salons and prodigious literary talent won him the

adoration of Paris's elite, Mallarmé achieved the reputation of France's greatest living poet. He was so beloved that mourners crowded along the Seine for his funeral in 1898, many refusing to depart until late into the night, leaving Auguste Renoir to ponder, "How long will it take for nature to make another such a mind?" Over a century later, the allure of Mallarmé's linguistic feat continues to ignite the imaginations of the world's greatest thinkers. Featuring a new, authoritative translation of the French poem by J. D. McClatchy, *One Toss of the Dice* reveals how a literary masterpiece launched the modernist movement, contributed to the rise of pop art, influenced modern Web design, and shaped the perceptual world we now inhabit. And as Alex Ross remarks in *The New Yorker*, "If you can crack [Mallarmé's] poems, it seems, you can crack the riddles of existence." In *One Toss of the Dice*, Bloch finally, and brilliantly, dissects one of literary history's greatest mysteries to reveal how a poem made us modern.

**Artists' Magazines** MIT Press  
 Sigmar Polke's thirty-five-year career, during which he has produced a vast

range of work in all mediums, has earned him a reputation as one of the most significant artists of his generation. Born in 1941, he began his creative output around 1963 in Dusseldorf during a time of enormous social, cultural, and artistic changes in Germany and elsewhere. Few of his works demonstrate more vividly his imagination, sardonic wit, and subversive approach than the drawings, watercolors, and gouaches produced during the 1960s and early 1970s. Embedded in these images are incisive and parodic commentaries on consumer society, the postwar political scene in Germany, and classic artistic conventions.

Joomchi and Beyond John Wiley & Sons  
 La liste exhaustive des ouvrages disponibles publiés en langue française dans le monde. La liste des éditeurs et la liste des collections de langue française.  
The Rose in Fashion Walter de Gruyter GmbH & Co KG  
 Each of the two authors contributed to every single drawing to the extent that they no longer can tell themselves exactly who did what. The artists take us on a journey through the collective unconscious of the Balkans, where the borders between

dream and reality are erased and redrawn until they form a tale which could be about our times and a war-torn Europe but just as well might be a deep dive into the psyches of its authors or a discussion about the essence of drawing.

A Companion to the History of the Book

Phaidon Press

A COMPANION TO THE HISTORY OF THE BOOK A COMPANION TO THE HISTORY OF THE BOOK Edited by Simon Eliot and Jonathan Rose “As a stimulating overview of the multidimensional present state of the field, the Companion has no peer.”

Choice “If you want to understand how cultures come into being, endure, and change, then you need to come to terms with the rich and often surprising history Of the book ... Eliot and Rose have done a fine job. Their volume can be heartily recommended. “ Adrian Johns, *Technology and Culture* From the early Sumerian clay tablet through to the emergence of the electronic text, this Companion provides a continuous and coherent account of the history of the book. A team of expert contributors draws on the latest research in order to offer a cogent, transcontinental narrative. Many of them use illustrative

examples and case studies of well-known texts, conveying the excitement surrounding this rapidly developing field. The Companion is organized around four distinct approaches to the history of the book. First, it introduces the variety of methods used by book historians and allied specialists, from the long-established discipline of bibliography to newer IT-based approaches. Next, it provides a broad chronological survey of the forms and content of texts. The third section situates the book in the context of text culture as a whole, while the final section addresses broader issues, such as literacy, copyright, and the future of the book. Contributors to this volume: Michael Albin, Martin Andrews, Rob Banham, Megan L Benton, Michelle P. Brown, Marie-Françoise Cachin, Hortensia Calvo, Charles Chadwyck-Healey, M. T. Clanchy, Stephen Colclough, Patricia Crain, J. S. Edgren, Simon Eliot, John Feather, David Finkelstein, David Greetham, Robert A. Gross, Deana Heath, Lotte Hellinga, T. H. **Arte documento** Fantagraphics Books

A study of the multiple connections between art and haute couture, in particular the activities of Paul Poiret, focusing on the tension between originality and reproduction in fashion, theater, and visual art.

The Surrealist Look Yale University Press

A vital survey of 32 internationally recognized artists who make books as part of their creative practice - features 500 images of these rarely seen works. The 'artist's book' has long been an important form of expression, and Artists Who Make Books showcases 32 internationally recognized artists who have integrated book production into their larger creative practice. This volume features a selection of books — many rarely seen — by every artist included, an accompanying text providing further context, and over 500 illustrations of covers and interior spreads. Insightful interviews with Tauba Auerbach, Paul Chan, and Walther König, and in-

depth essays by Benjamin H. D. Buchloh and Lynda Morris round out this illuminating survey.

Handbook of International Futurism

Usborne Pub Limited

Ever since the mid-nineteenth century, when the new medium of photography was pressed into service to illustrate sculpture, photographs of sculptural objects have directed viewers as to what, in the course of ambling around a sculpture, was the single perfect moment to stop and look. What is the photograph's place in writing the history of sculpture? How has it changed according to culture, generation, critical conviction, and changes in media? *Photography and Sculpture: The Art Object in Reproduction* studies aspects of these questions from the perspectives of sixteen leading art historians. Their essays consider iconic photographs, archival collections, new and forgotten technologies, and conceptual challenges in photographing three-dimensional forms that have directed changing historical and stylistic attitudes about how we see, write about, and narrate histories of sculpture. Chapters on such varied topics as picturing Conceptual

art, manipulating sacred images in India to be non-photographs, and framing Roman art with an iPad illustrate the latent visual and narrative powers and ever-expanding potential of these images of sculpture.

**L'Oeil** Routledge

Annotated exhibition catalogue along with essays giving thorough analysis of Toulouse-Lautrec as graphic innovator and imaginative organizer of form, color, and space. Illustrated with over 250 reproductions (many in color) of prints, drawings, sketches, and related paintings. Katarzyna Kobro 1898-1951 [published on the Occasion of the Exhibition Held at Muzeum Sztuki, Lodz, 21 October, 1998-17 January, 1999 ; Hendry Moore Institute, Leeds, 25 March - 27 June, 1999] ABRAMS Donald encounters a difficulty when a splinter enters the calf of his leg. Henri de Toulouse-Lautrec MIT Press Examples from jewelry, millinery, handbags, perfume, couture, and everyday dress show how the rose--both beautiful and symbolic--has inspired fashion over hundreds of years.

**Artists Who Make Books** Metropolitan Museum of Art

This book presents for the first time an up-

to-date and easy-to-read translation of a medical reference work that was used in Western Europe from the fifth century well into the Renaissance. Listing 185 medicinal plants, the uses for each, and remedies that were compounded using them, the translation will fascinate medievalist, medical historians and the layman alike.

Super-cute Felt Ryland Peters & Small

With 35 simple yet striking projects, *Super-cute Felt* is a must-have book for anyone with an appreciation of adorable, hand-crafted objects. Start with the 'Accessories' chapter, packed with pretty brooches, necklaces and scarves to keep you warm and snug - try the cute kitty purse that is sure to delight any little girl. 'Gifts' is next, with plenty of inspirational ideas, such as the fruity pincushion that any keen crafter will use again and again. In 'Homewares', you will find coasters, tea cosies and hot water bottle covers, all with a touch of vintage glamour. Finally, 'Celebrations' has unique decorating ideas for all the holidays, including Christmas, Halloween and Easter. There are projects for all skill levels, so you don't have to be an old hand in order to create something

really special. Every design comes complete with clear step-by-step instructions and illustrations to guide you through each step. And at the back is a helpful techniques section explaining all the stitches and skills required, plus tips and tricks to make your creations really stand out. Laura 'Lupin' Howard is completely obsessed with felt and set up her online store Lupin Handmade in 2007 (lupinhandmade.com), selling a range of adorable felt brooches, flower headbands, animal masks and other fun stuff. All her felt-works are 100% hand-stitched, and all the pieces are cut by hand from her own original patterns. She uses no mechanized cutters, sewing machines or glue - everything is literally handmade. Her work has been featured in a number of magazines, including Cloth, Metro, Vogue

and Sew Hip.

[A Dream Collection](#) Getty Publications

This volume examines the flourishing of Futurist aesthetics in the European art and literature of the early twentieth century. Futurism was an artistic and social movement that was largely an Italian phenomenon, though there were parallel movements in Russia, England and elsewhere. The Futurists admired speed, technology, youth and violence, the car, the airplane and the industrial city, all that represented the technological triumph of humanity over nature. This work looks at the prose, visual art, poetry, and the manifestos of Futurists from Russia to Italy. The author reveals the Moment's impulses and operations, tracing its echoes through the years to the work of "postmodern" figures like Roland Barthes. This updated edition reexamines the

Futurist Moment in the light of a new century, in which Futurist aesthetics seem to have steadily more to say to the present

[Diaghilev and the Golden Age of the Ballets Russes 1909-1929](#) Bloomsbury Publishing

How artists' magazines, in all their ephemerality, materiality, and temporary intensity, challenged mainstream art criticism and the gallery system. *Picasso* The Museum of Modern Art Nationally recognized artist and pyrographer Lora S. Irish makes woodburning easy by walking you through all the basics of materials, tools, and techniques. Six skill-building projects provide step-by-step exercises in using temperature, time, layering, and texturing to create artistic tonal values.
