This book has been designed by combining the goodness of the original Wren & Martin text, High School Grammar & Composition, and specialized content developed by a panel of competitive examination experts in the area of the English language. The USP is therefore adapting a classical text to the needs of the various admission and recruitment competitive examination aspirants. Its exhaustive coverage ensures that virtually no competitive examination remains untouched. Students preparing for descriptive tests such as UPSC (Compulsory English and General English Papers of Main

Exams) and state PCS examinations, Judicial Services examination, Indian Forest Service examination, Statistical Services and many other examinations in which subjective papers/tests are mandatory will find this book immensely useful. The book is also a boon for those students who are preparing for objective tests such as Banking and Insurance, SSC, UPSC preliminary, Defence Services, Law entrance, Business School entrance examinations, and many other admission and recruitment examinations. A unique feature of this book is demonstration of the connectedness of the concepts and their applications visually, with the help of arrows and pointers. The aspirant will also find questions from recent examinations on virtually every page of the book. An index of examination-wise questions has been included so that the aspirant can choose the sections according to the targeted examination and focus more. Topic-wise distribution of questions in English examination papers - both descriptive and objective - will also help aspirants to undertake a very well directed test-prep program using the book.

The Shorthand Magazine ... Upkar Prakashan

Following on from the "Teeline Gold Course Book", this is intended to develop students' speed. The book should enable teachers to structure their classes, once they have introduced the basic Teeline theory, by reviewing and extending the theory. It also develops the theory of word groupings.

Dictation and Transcription Passbooks

Pitman 2000 shorthand is a modified version of the Pitman New-Era shorthand. The modification was introduced to reduce the amount of theory to be learnt. The 25 units of graded material in this book, to be used alongside the First Course, are designed primarily to increase reading speed. The

revisionary drills of short forms and phrases, presented in continuous material with a longhand key, counted in tens, are intended for early speed development practice.

"The Dictation" is a puzzling, controversial story. The separate, yet connected lives of a young girl, Adrienne, and an elderly, unnamed man converge, revealing complex questions and dark secrets. Presenting philosophical conundrums and unique solutions, "The Dictation" can easily coax one into deep thought. Upon finishing the book, one may discover they misunderstood everything all along. After reading again, more is yet to be discovered...

Prepare to be swept into a futuristic world, watch it burn, and sift through its ashes.
