Discover the remarkable history of the most widely known secretive fraternal organization in A Dictionary of Freemasonry. This comprehensive and convenient one-volume text includes a thorough encyclopedia, full dictionary of symbols, and over 300 beautiful nineteenth-century engravings. The 600-year-old brotherhood of Freemasons is based on a tradition over 3,000 years old. Robert Macoy, a member of the order, uses the resources of the Fraternity available to him, to discern the truth from a myriad of half-truths, rumors, superstitions, and interpretations. He presents the rise and evolution of Freemasonry and its kindred association both ancient and modern. The "General History of Freemasonry," which begins this volume, is a fascinating introduction to a very complicated subject often fraught with vagaries. The two A-to-Z reference works that follow (one an encyclopedia with listings of terms, people, places, and events that make up the extensive history of the Freemasons, and the other a dictionary of symbols) contribute to making this a very complete sourcebook on Freemasonry. From Aaron, the Abelites, and the All-Seeing Eye to the Year of Masonry, Zenith, and the Rite of Zinnendorf, this is a remarkably accessible book on a subject that runs through the course of human history. Robert Macoy (1815-1895), well known for his role in establishing the Order of the Eastern Star, earned the 33° and held many important positions with the

Fraternity, such as past Deputy Grand Master and Grand Secretary of New York, as well as Grand Recorder of the Grand Commandery of New York. Founder of one of the largest Masonic publishing, regalia, and supply houses, he published extensively on Freemasonry and authored a number of books, including The Book of the Lodge and True Masonic Guide.

**The Book of Druidry** Genealogical Publishing Com

This is a comprehensive study of the Druids, from their earliest history to the present-day renaissance. Written by a former Chosen Chief of the Order of Bards, Ovates, and Druids, this is a definitive account of the history and practice of Druidry, their principal deities, their myths, their wisdom and their social organization.

Book includes many full page color illustrations and explanations of the important Masonic symbols. Some of the symbols identified include Builder's tools, three columns, rose, double headed eagle and more.

*The Living Environment* Createspace Independent Publishing Platform

This book forms a grand synthesis of Benamozegh's religious thought. It is at once a wide-ranging summa of scriptural, Talmudic, Midrashic, and kabbalistic ideas, and an intensely personal account of Jewish identity.

Angelo Roncalli was elected Pope in 1958 and in four and a half years, through summoning the Second Vatican Council and putting in hand a major revision of the code of Canon Law, had transformed the Roman Catholic Church. Through his personality and teaching, and his initiatives with world leaders, he gave the papacy a new vision and set before the Catholic Church a new version of its mission to the world. Today many people throughout the world see Pope John XXIII as one of the twentieth-century's most loved and influential figures.

Flo's deformed eye doesn't bother her a bit. Nope. Never mind the eye patch or her aversion to mirrors. But when she wins \$40,000 in the lottery, she and Mo take off to get one of those "TV doctors" to fix her bad eye. It's a long way from Indiana to California, so they, pack along some extra bags of cheese puffs for the ride. Funny thing about life, it doesn't always follow a plan. Flo and Mo, primed for an adventure, get sidetracked at every turn.

For one, there's the young family with the broken-down car they stop to help only hours into the trip. Turns out there's more to the young family than either of them could ever imagine. On to Hooker, Oklahoma, where they stumble into a wake for the town hero-High Henry, a Clydesdale horse, who shows the town it's not the package but the heart inside that matters. At a farmer's market in Pasadena, Jostlin' Jack and Angel-a happy if homeless couple, suggest Flo "wear the world like a loose garment." Angel's words come back to haunt when the plastic surgeon wants to rework Flo's whole face and make her into something she's not. Realizing at last the only limitations in life are the ones she puts on herself, Flo opens her heart to the possibilities. Jesus, Mo and Cheese Puffs is the kind of story that asks you to look and find the magic in every single encounter.
