## CORINNE EVELIN

---

*The Bob Dylan Encyclopedia* Little, Brown

A singer-songwriter, musician, and artist, Bob Dylan is an American icon. In the past five decades, Dylan's work has influenced everyone from John Lennon, Bruce Springsteen, and David Bowie to rapper Eminem. Young music lovers will be fascinated by this great artist's life!

*A Freewheelin' Time* University-Press.org

The paperback that streams these iconic Bob Dylan albums to your mobile: "The Freewheelin' Bob Dylan", "The Times They Are A-Changin'", "Another Side Of Bob Dylan", "Bringing It All Back Home", "Highway 61 Revisited", "Blonde On Blonde", "John Wesley Harding", "Nashville Skyline", "New Morning", "Pat Garrett & Billy The Kid", "Planet Waves", "Blood On The Tracks", "Desire", "The Bootleg Series Volumes 1-3", "Time Out Of Mind", "Rough and Rowdy Ways"

*Magic Circles* Scarecrow Press

(Guitar Chord Songbook). Singer, songwriter, performer, author, poet, visual artist, and now the first American songwriter to win a Nobel Prize in literature, Bob Dylan is one of the most widely-influential figures in popular culture. In this folio, enjoy every song written and recorded by Bob Dylan in chord songbook format. Includes chord symbols, guitar chord shapes and full lyrics, featuring a specially-written foreword by Jimmy Webb.

**From a Buick 8** Hal Leonard Publishing Corporation

Bob Dylan has always regarded himself as a songwriter: 'I am my words,' he wrote in 1964. Distilling a lifetime's passion and study, leading Dylan author, Clinton Heylin charts the development and first moments of genius of this unique artist whose songs changed the world. From his first attempts at writing, Song to Bridget, in 1957, (apparently for Brigitte Bardot) Bob Dylan always aspired to poetry, yet his role as a writer rather than a performer of his own songs is often overlooked. In over fifty years of creativity he had penned some of the most iconic, and perfect, songs in popular history. Arriving in New York in 1961, the city had an enormous impact on the young artist and, as he established himself amongst the folk clubs and artists, he would produce songs that spoke for a whole generation: Blowing in the Wind, A Hard Rain's Gonna Fall, The Times They Are a Changin', Like a Rolling Stone, and Forever Young. In Revolution in the Air Clinton Heylin recounts the story of each song as it is written, giving a full appreciation of the songs themselves as well as Dylan the emerging artist. Unlike any other book on Dylan, it charts his rise as a writer, where he gained his inspiration, the burst of energy which produced some of his most famous songs as well as the lesser known stories behind the more iconic verses. This is an essential book for anyone interested in Dylan and his place in literature. Informative, opinionated, packed with new insights and revelations, this is an instant classic.

*The Bob Dylan Albums* Simon and Schuster

"The girl with Bob Dylan on the cover of Freewheelin' broke a forty-five-year silence with this

affectionate and dignified recalling of a relationship doomed by Dylan's growing fame." -UNCUT magazine Suze Rotolo chronicles her coming of age in Greenwich Village during the 1960s and the early days of the folk music explosion, when Bob Dylan was finding his voice and she was his muse. A shy girl from Queens, Suze was the daughter of Italian working-class Communists, growing up at the dawn of the Cold War. It was the age of McCarthy and Suze was an outsider in her neighborhood and at school. She found solace in poetry, art, and music—and in Greenwich Village, where she encountered like-minded and politically active friends. One hot July day in 1961, Suze met Bob Dylan, then a rising musician, at a concert at Riverside Church. She was seventeen, he was twenty; they were both vibrant, curious, and inseparable. During the years they were together, Dylan transformed from an obscure folk singer into an uneasy spokesperson for a generation. A Freewheelin' Time is a hopeful, intimate memoir of a vital movement at its most creative. It captures the excitement of youth, the heartbreak of young love, and the struggles for a brighter future in a time when everything seemed possible.

**Bob Dylan All the Songs** Anchor

A major publishing event—a beautiful, comprehensive collection of the lyrics of Bob Dylan with artwork from thirty-three albums, edited and with an introduction by Christopher Ricks. As it was well put by Al Kooper (the man behind the organ on "Like a Rolling Stone"), "Bob is the equivalent of William Shakespeare. What Shakespeare did in his time, Bob does in his time." Christopher Ricks, editor of T. S. Eliot, Samuel Beckett, Tennyson, and The Oxford Book of English Verse, has no argument with Mr. Kooper's assessment, and Dylan is attended to accordingly in this authoritative edition of his lyrics. In the words of Ricks: "For fifty years, all the world has delighted in Bob Dylan's books of words and more than words: provocative, mysterious, touching, baffling, not-to-be-pinned-down, intriguing, and a reminder that genius is free to do as it chooses. And, again and again, these are not the words that he sings on the initially released albums." This edition changes things, giving us the words from officially released studio and live recordings, as well as selected variant lyrics and revisions to these, recent revisions and retrospective ones; and, from the archives, words that, till now, have not been published. The Lyrics, edited with diligence by Christopher Ricks, Lisa Nemrow, and Julie Nemrow. As set down, as sung, and as sung again.

*Another Side of Bob Dylan (CD)*. Black Dog & Leventhal

In 2016, Bob Dylan received the Nobel Prize in Literature 'for having created new poetic expressions within the great American song tradition'. This collection of essays by leading poets and critics - with a new foreword by Will Self - examines Dylan's poetic genius, as well as his astounding cultural influence over the decades. 'From Orpheus to Faiz, song and poetry have been closely linked. Dylan is the brilliant inheritor of the bardic tradition' Salman Rushdie 'The most significant Western popular artist in any form or medium of the past sixty years' Will Self 'For fifty and some years he has bent, coaxed, teased and persuaded words into lyric and narrative shapes that are at once extraordinary and inevitable' Andrew Motion 'His haunting music and lyrics have always seemed, in the deepest sense, literary' Joyce Carol Oates 'There is something inevitable about Bob Dylan... A storyteller

pulling out all the stops – metaphor, allegory, repetition, precise detail... His virtue is in his style, his attitude, his disposition to the world' Simon Armitage

*Bob Dylan 174 Success Facts - Everything You Need to Know about Bob Dylan* Macmillan

In the process Varesi unearths new meaning in both Dylan's most famous works and in songs that have received less attention."--BOOK JACKET.

The Philosophy of Modern Song Simon and Schuster

For fifty years, Bob Dylan's music has been a source of wonder to his fans and endless fodder for analysis by music critics. In *Counting Down Bob Dylan*, rock journalist Jim Beviglia dares to rank these songs in descending order from Dylan's 100th best to his #1 song.

*Another Side of Bob Dylan, and Another , and Another...* U of Minnesota Press

Presents a collection of stories written in the 1960s and 1970s, including "Edge of the World," "At the Seminary," "Four Summers," "By the River," and the title story.

*Where are You Going, where Have You Been?* Little, Brown

WINNER OF THE NOBEL PRIZE IN LITERATURE A beautiful, comprehensive volume of Dylan's lyrics, from the beginning of his career through the present day—with the songwriter's edits to dozens of songs, appearing here for the first time. Bob Dylan is one of the most important songwriters of our time, responsible for modern classics such as "Like a Rolling Stone," "Mr. Tambourine Man," and "The Times They Are a-Changin'." *The Lyrics* is a comprehensive and definitive collection of Dylan's most recent writing as well as the early works that are such an essential part of the canon. Well

known for changing the lyrics to even his best-loved songs, Dylan has edited dozens of songs for this volume, making *The Lyrics* a must-read for everyone from fanatics to casual fans.

*Another Side of Bob Dylan* Frances Lincoln Children's Books

A vivid, first-hand account of Nobel Prize-winning singer and songwriter Bob Dylan as an artist, friend, and celebrity, illustrated with never-before-seen photographs, and told by an engaging raconteur who cut his own swathe through the turbulent counterculture. August 2014 marks 50 years since Bob Dylan released his fourth album, *Another Side of Bob Dylan*. Recorded in one night, in the middle of a turbulent year in his life, the music marked a departure from Dylan's socially-conscious folk songs and began his evolution toward other directions. During the years they spent together, few people outside of Dylan's immediate family were closer than Victor Maymudes, who was Dylan's tour manager, personal friend, and travelling companion from the early days in 1960s Greenwich Village through the late 90's. *Another Side of Bob Dylan* recounts landmark events including Dylan's infamous motorcycle crash; meeting the Beatles on their first US tour; his marriage to Sara Lownds, his romances with Suze Rotolo, Joan Baez, and others; fellow travelers Ramblin' Jack Elliott, Wavy Gravy, Dennis Hopper, The Band, The Traveling Wilburys, and more; memorable concerts, and insights on Dylan's songwriting process. On January 26th, 2001, after recording more than 24 hours of taped memories in preparation for writing this book, Victor Maymudes suffered an aneurysm and died. His son Jacob has written the book, using the tapes to shape the story. A Los Angeles Times Best Seller.

The Lyrics Routledge

An updated edition of the most comprehensive account of Bob Dylan's Nobel Prize-winning work yet published, with the full story of every recording session, every album, and every single released during his nearly 60-year career. *Bob Dylan: All the Songs* focuses on Dylan's creative process and his organic, unencumbered style of recording. It is the only book to tell the stories, many unfamiliar even to his most fervent fans, behind the more than 500 songs he has released over the span of his career. Organized chronologically by album, Margotin and Guesdon detail the origins of his melodies and lyrics, his process in the recording studio, the instruments he used, and the contribution of a myriad of musicians and producers to his canon.

**The World of Bob Dylan** Westrose Press

*Invisible Now* describes Bob Dylan's transformative inspiration as artist and cultural figure in the 1960s. Hughes identifies Dylan's creativity with an essential imaginative dynamic, as the singer perpetually departs from a former state of inexpression in pursuit of new, as yet unknown, powers of self-renewal. This motif of temporal self-division is taken as corresponding to what Dylan later referred to as an artistic project of 'continual becoming', and is explored in the book as a creative and ethical principle that underlies many facets of Dylan's appeal. Accordingly, the book combines close discussions of Dylan's mercurial art with related discussions of his humour, voice, photographs, and self-presentation, as well as with the singularities of particular performances. The result is a nuanced account of Dylan's creativity that allows us to understand more closely the nature of Dylan's art, and its links with American culture.

Bob Dylan Complete Simon and Schuster

"It was at summer camp in northern Wisconsin in 1953 that I first met Bobby Zimmerman from

Hibbing. He was twelve years old and he had a guitar. He would go around telling everybody that he was going to be a rock-and-roll star. I was eleven and I believed him.' So begins this honest, funny, and deeply affectionate memoir of a friendship that has spanned five decades of wild adventures, soul searching conversation, musical milestones, and enduring comradery. As Bobby Zimmerman became Bob Dylan and Louie Kemp built a successful international business, their lives diverged but their friendship held fast. No matter how much time passed between one adventure and the next, the two "boys from the North Country" picked up where they left off and shared experiences that will surprise and delight Dylan fans and anybody who loves a rollicking-good rock-and-roll memoir."--Dust jacket flap.

*Girl from the North Country* Simon and Schuster

The Bob Dylan Encyclopedia is one of the most wide-ranging, informed, entertaining, provocative, and compulsively readable books ever written about popular music. It's the culmination of over thirty years of dedicated research and scholarship by Michael Gray. Inside these pages, you'll find a world of ideas, facts, and opinions. It's a world in which Baudelaire flows on from the Basement Tapes and A.S. Byatt looks out at the Byrds; in which Far from the Madding Crowd follows Ezekiel and Bob Geldof introduces Jean Genet; and in which Hank and William Carlos Williams stand side by side while J.R.R. Tolkien trails the Titanic. Most of all, of course, it's a world in which everyone and everything interconnects, in endlessly fascinating ways, with one of our greatest living artists: Bob Dylan. "Michael Gray... probably Dylan's single most assiduous critic." -New York Review of Books "Fans of Bob Dylan have a multitude of choices when it comes to biographies and retrospectives, but author Michael Gray outdistances them all with this voluminous collection of all things Dylan. ... Insightful and entertaining, Gray's tome will broaden appreciation of the artist, his influences and his legacy." -Publishers Weekly (starred review) "...has all you need to know, and more" -Richard Corliss, Time "This is no mere catalog of facts, but a work of oceanic immersion. It has wit, opinion, style,

and asks to be read, not just consulted." -Village Voice "Deeply impressive...destined to be the most important Dylan book, bar none." -Gerry Smith, The Dylan Daily "Utterly idiosyncratic." -Janet Maslin, New York Times "Amazingly well-researched and surprisingly readable work." -Library Journal (starred review) "Door-stopping detail." -Toronto Star "Magnificent...won't just astonish readers with its detail about Dylan's work...contains so many insights and refutes so many myths about the rock 'n' roll era in general that it's invaluable as both a reference guide and a personality study." -Nashville City Paper "Comprehensive and up-to-date." -Slate

*Another Side of Bob Dylan* University-Press.org

This book features 27 integrated essays that offer access to the art, life, and legacy of one of the world's most influential artists.

*Bob Dylan Albums* Cambridge University Press

On a snowy winter morning in 1961, Robert Zimmerman left Minnesota for New York City with a suitcase, guitar, harmonica and a few bucks in his pocket. Wasting no time upon arrival, he performed at the Cafe Wha? in his first day in the city, under the name Bob Dylan. Over the next decade the cultural milieu of Greenwich Village would foster the emergence of one of the greatest songwriters of all time. From the coffeehouses of MacDougal Street to Andy Warhol's Factory, Dylan honed his craft by drifting in and out of New York's thriving arts scenes of the 1960s and early '70s. In this revised edition, originally published in 2011, author June Skinner Sawyers captures the thrill of how a city shaped an American icon and the people and places that were the touchstones of a legendary journey.

*Another Side of Bob Dylan* Emereo Publishing

Based on the co-author's taped memories, a personal account of decades on tour with Bob Dylan is presented by his former tour manager and the co-author's son and includes accounts of such topics as Dylan's motorcycle crash, interactions with fellow artists and numerous affairs.
