### **You Wouldn't Want to Live Without Sleep!**

Franklin Watts  
This best-selling series engages readers of all levels by making them part of the story. Readers will become the main

character and can revel in the gory and dark sides of life throughout important moments in history. Perfect resource for reluctant readers with: Humor and history tied to curriculum Entertaining sidebars to pique reader's curiosity Comprehensive glossary to support content Index to make navigating subject matter easier

*You Wouldn't Want to Be a Slave in Ancient Greece!*  
The Salariya Book Company  
This title in the best-selling children's history series, *You Wouldn't Want To...*, features full-colour illustrations which combine humour and accurate technical detail and a narrative approach placing readers at the centre of the history,

encouraging them to become emotionally-involved with the characters and aiding their understanding of what life would have been like as a slave in ancient Greece. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers. It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14.

**You Wouldn't Want to Live Without**

**Electricity!** Franklin Watts

"Describes what life would be like to work on the Great Wall of China"-- Provided by publisher.

**You Wouldn't Want to Live Without Clean**

**Water!** The Salariya Book Company

Introduces various kinds of bad weather and the effect it has on people.

*You Wouldn't Want to Climb Mount Everest!* You Wouldn't Want To

Simple machines are around us all the time and

we use them every day. You might not even think of them as machines. Many are built into complex (compound) machines - but the simple machine is still in there, doing its job. Learn about how simple machines enable practically everything around us to work, allowing us to travel in wheeled vehicles, lift very heavy objects, fix things together and break things apart. You Wouldn't Want to Live Without Simple Machines! is part of a brand-new science and technology

strand within the internationally acclaimed *You Wouldn't Want to Be* series. The clear, engaging text and humorous illustrations bring the subject to life and stimulate young readers' curiosity about the world around them. Specially commissioned cartoon-style illustrations in full colour make these books attractive and accessible even to reluctant readers. Information is conveyed through captions, labels and humorous speech bubbles in addition to the

main text. Illustrated sidebars headed 'How It Works', 'Top Tip' or 'You Can Do It' supply more facts, describe simple, safe experiments, or steps that readers can take to help make the world a better place. Each volume includes a timeline and a list of 'Did You Know?' facts.

*You Wouldn't Want to be an American Pioneer!*

Franklin Watts  
Chronicles the Roanoke and Jamestown English settlements in Virginia, describing the difficult life and relations with the

neighboring Algonquian tribe.

*You Wouldn't Want to Live Without Insects!* Lulu.com Presents a humorous look at what life was like on the Great Plains just after the Civil War.

*You Wouldn't Want to be a Chicago Gangster!* The Salariya Book Company  
Sleep is very mysterious. No one really knows why we do it. And how do we explain all those strange dreams? What scientists do know is that sleeping is essential for health and happiness. *You Wouldn't Want to Live Without*

Sleep! is part of a brand-new science and technology strand within the internationally acclaimed You Wouldn't Want to Be series. The clear, engaging text and humorous illustrations bring the subject to life and stimulate young readers' curiosity about the world around them. Specially commissioned cartoon-style illustrations in full colour make these books attractive and accessible even to reluctant readers. Information is conveyed through captions, labels

and humorous speech bubbles in addition to the main text. Illustrated sidebars headed 'How It Works', 'Top Tip' or 'You Can Do It' supply more facts, describe simple, safe experiments, or steps that readers can take to help make the world a better place. Each volume includes a timeline and a list of 'Did You Know?' facts.  
*You Wouldn't Want to Live Without Bees!* Franklin Watts  
 "Describes what life would be like without clean water"--

*You Wouldn't Want to Work on the Great Wall of China!* Franklin Watts  
 This lively and interactive series is sure to enthrall young readers by making them a part of the story. Readers will become the main character and can revel in the gory, dark, horrific side of life throughout important moments in history. Full color.  
**You Wouldn't Want to Be Cleopatra!** Franklin Watts  
 Uses humor in both text and illustrations to describe what it would be

like to live without the electric power that makes modern life possible.

**You Wouldn't Want to Be at the Boston Tea Party!** The Salariya Book Company

This best-selling series engages readers of all levels by making them part of the story. Readers will become the main character and can revel in the gory and dark sides of life throughout important moments in history. Key Features: Perfect resource for reluctant readers with: humor and history tied to curriculum entertaining

sidebars to pique reader's curiosity comprehensive glossary to support content index to make navigating subject matter easier

**You Wouldn't Want to be a Ninja Warrior!**

Franklin Watts

A simple look at the tragedy in Pompeii.

You Wouldn't Want to Live Without Extreme

Weather! The Salariya Book Company

Get ready... as the captain of a Spanish treasure ship sailing in the Spanish Main, you're about to get captured as a

pirate's prisoner! Pirates have many ingenious tortures, and once they have got what they want from you, the best you can hope for is to be marooned on an island. This title in the best-selling children's history series, *You Wouldn't Want To...*, features full-colour illustrations which combine humour and accurate technical detail and a narrative approach placing reaworld warders at the centre of the history, encouraging them to become emotionally-involved with the

characters and aiding their understanding of what life would have been like as a pirate's prisoner. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers. It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14. *You Wouldn't Want to Work on the Railroad!* The Salariya Book Company  
You're a princess born

into the Egyptian royal family. But it's not easy living in the palace. From family betrayals to Roman generals, you will discover it's not easy being Cleopatra! This title in the best-selling children's history series, *You Wouldn't Want To...*, features full-colour illustrations which combine humour and accurate technical detail and a narrative approach placing readers at the centre of the history, encouraging them to become emotionally-involved with the

characters and aiding their understanding of what life would have been like as Cleopatra. Informative captions, a complete glossary and an index make this title an ideal introduction to the conventions of information books for young readers. It is an ideal text for Key Stage 2 shared and guided reading and helps achieve the goals of the Scottish Standard Curriculum 5-14. *You Wouldn't Want to Sail With Christopher Columbus!* Franklin Watts  
A satellite is a small

object travelling around something bigger. The Moon is a natural satellite of Earth. A spacecraft launched into orbit around Earth is an artificial satellite. Since Sputnik-1, about 6,000 more satellites have been launched by 40 countries. Learn about how we use satellites every day without knowing it to talk on the telephone, watch television, use the internet, predict the weather, navigate the landscape and run businesses. You Wouldn't Want to Live Without

Satellites! is part of a brand-new science and technology strand within the internationally acclaimed You Wouldn't Want to Be series. The clear, engaging text and humorous illustrations bring the subject to life and stimulate young readers' curiosity about the world around them.
