As Harold Davis fell under heavy machine-gun fire, his body riddled with bullet wounds and life seemingly slipping away from him, he could not have realised that he was one of the Korean War's more fortunate soldiers. American

medics sprang into action and, against all odds, saved the plucky young Scot, a man who proved tougher than the bullets the brutal enemy showered him with. Unlike tens of thousands of those who fought in Korea in the 1950s, he lived to tell the tale of his horrific experiences on the front line. Now, for the first time, the Black Watch hero shares his vivid and harrowing memories. A man of tremendous grit and determination, Davis was pieced back

together during almost two years in hospital. He defied doctors to return to his pre-war career as a professional footballer, building a reputation as one of Scotland's most feared and revered defenders at Rangers FC.

The Only Thing Tougher Than a Football Player Is His Mom Houghton Mifflin Harcourt

"The next day he came for my children. The time to go had come.... The river was very strong and very cold.... When I heard the sound of the helicopter, my heart pounded...." Choices must be made whether bad or good. I went from hot El Salvador to cold Canada, but my faith kept me cool and kept me warm and safe, just like I kept my family. The

Salvadorian civil war didn't kill me, the Rio Grande didn't drown me, la migra didn't catch me, Canadian winters haven't frozen me. Yet. Many people have had trials and tribulations and chose the wrong attitude to get through them. I did the same until I truly listened to my heart and the voice of God. Using His map, I took my family from the dark into the light. I didn't know how to swim, speak English, shovel snow, drive, or sometimes feed my family. But I am a survivor, a fierce wife and an even fiercer mother. Some people say I'm tougher than nails. My life shows that determination and faith—and strength—can lead to wonders. I hope my story can inspire people—my children, my grandchildren, everybody.

P.G. Wodehouse (1881-1975) was perhaps the most widely acclaimed British humorist of the twentieth century. Throughout his career, he brilliantly examined the complex and idiosyncratic nature of English upper-crust society with hilarious insight and wit. The works in this volume provide a wonderful introduction to Wodehouse's work and

his unique talent for joining fantastic plots with authentic emotion. In *The Code of the Woosters*, Wodehouse's most famous duo, Bertie Wooster and his unflappable valet Jeeves, risks all to steal a cream jug. Uncle Fred in the *Springtime*, part of the famous *Blandings Castle* series, follows Uncle Fred as he attempts to ruin the Duke of Blandings while he is preoccupied with his favorite pig. Fourteen stories feature some of Wodehouse's most memorable characters, and three autobiographical pieces provide a revealing look into Wodehouse's life. With his gift for hilarity and his ever-human tone, Wodehouse and his work have never felt more lively. With a New Introduction by John Mortimer
