The Kama Sutra of Vatsyayana National Geographic Books
 The Kamasutra is the oldest extant Hindu textbook of erotic love. About the art of living as well as about the positions in sexual intercourse, it is here newly translated into clear, vivid, sexually frank English together with three commentaries: excerpts from the earliest and most famous Sanskrit commentary (13th century), a twentieth-century Hindi commentary, and explanatory notes by the translators. The edition is enhanced by a selection of colour plates from an early edition of the work.

Kama Sutra Random House LLC

The erotic sentiments described in the Hindu love classic the Kama Sutra constitute the most famous work on sex ever created. Written almost 2,000 years ago, the Kama Sutra deals with all aspects of sexual life, including the principles and techniques of sexual pleasure and how to best achieve ecstatic expression of life's beauty.

Kama-sutra of Vatsayana [i.e. Vatsyayana] Independently Published

The Kama Sutra The Standard Work on Human Sexual Behavior By Vatsyayana Translated from the Sanscrit In Seven Parts, with Preface, Introduction and Concluding Remarks. New Edition The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life. The Kama Sutra is the oldest and most notable of a group of texts known generically as Kama

Shastra (Sanskrit: Kama Sastra). Historians attribute Kamasutra to be composed between 400 BCE and 200 CE. John Keay says that the Kama Sutra is a compendium that was collected into its present form in the 2nd century CE.

Kamasutra Of Vatsayana (Black Classic) Penguin Books the best English interpretations of this early Indian treatise on politics, social customs, love, and intimacy. Its crisp style set a new standard for Sanskrit translation. The Kama Sutra stands uniquely as a work of psychology, sociology, Hindu dogma, and sexology. It has been a celebrated classic of Indian literature for 1,700 years and a window for the West into the culture and mysticism of the East.

The Kama Sutra of Vatsyayana Vatsyayana - The Kama Sutra of Vatsyayana by Richard Francis Burton is an edition of the ancient Indian text on sexuality and emotional needs. Vatsayana was an ancient Indian philosopher who lived during the second or third century. Although it is often thought of as a sex manual, it is much more, with guides on living well, the nature of love, and finding a partner. Indeed, Vatsyayana says himself: 'This work is not to be used merely as an instrument for satisfying our desires'. Burton did not in fact translate the Kama Sutra - it was translated by the Indian scholar Bhagwan Lal Indraji. It was edited by Burton to suit prevailing British attitudes to sex, but was still banned in England and the United States until 1962. Other criticisms levelled at Burton's translation is that instead of using English words for the sex organs, he uses the words 'lingam' and 'yoni', despite those words not appearing in the original work. This was seen as an attempt to distance them and make them 'other', rather than about English people's sexual organs. He also removes the agency of women, and where in the original, women's words are direct quotes, in the Burton translation, women's words are removed and put into the passive state (i.e., A woman saying 'Stop!' becomes 'She continually utters words expressive of prohibition'). Despite all this, it has been such an influential translation that even modern editions in the Hindi language are re-translations of the Burton version. The Kama Sutra is an ancient Indian Hindu text widely considered to be the standard work on human sexual behavior in Sanskrit literature written by Vaatsyayana. A portion of the work consists of practical advice on sexual intercourse. It is largely in prose, with many inserted anustubh poetry verses. "Kama" which is one of the four goals of Hindu life, means desire including sexual desire the latter being the subject of the textbook, and "sutra" literally means a thread or line that holds things together, and more metaphorically refers to an aphorism (or line, rule, formula), or a collection of such aphorisms in the form of a manual. Contrary to popular perception, especially in the western world, Kama sutra is not exclusively a sex manual; it presents itself as a guide to a virtuous and gracious living that discusses the nature of love, family life and other aspects pertaining to pleasure oriented faculties of human life.

The Kama Sutra of Vatsyayana Translated by Richard F. Burton We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a

desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

This definitive volume is the first modern translation of Vatsyayana's Kama Sutra to include two essential commentaries: the Jayamangala of Yashodhara and the modern Hindi commentary by Devadatta Shastri. Alain Danilou spent four years comparing versions of the Kama Sutra in Sanskrit, Hindi, Bengali, and English, drawing on his intimate experience of India, to preserve the full explicitness of the original. I wanted to demystify India, he writes, to show that a period of great civilization, of high culture, is forcibly a period of great liberty.

"Who was Vatsyayana? What motivated this intriguing personality in the third century to compile ancient erotic texts, replete with his witty aphorisms, into the Kama Sutra, the ultimate treatise on love and the art of lovemaking? Kama is a fictionalised account of the life and times of Vatsyayana. Seemingly, a manual for the hedonist about town, the Kama Sutra reveals another tale—written in blood—of broken hearts, lyrical violence, ageless love, and unbridled lust! Set in 273 AD, in a land fraught with war and unrest, Kama is the story of a catastrophic day in a writer-artist's life that sets him off on a journey unto himself, beyond the boundaries of love, family and betrayal. This fast-paced story of tragedy and triumph beguiles and captivates as it flits seamlessly between an agonising past, an erotic present and a cataclysmic future."

The Kama Sutra of Vatsyayana Createspace Independent Publishing Platform

Same-Sex Love in India presents a stunning array of writings on same-sex love from over 2000 years of Indian literature. Translated from more than a dozen languages and drawn from Hindu, Buddhist, Muslim, and modern fictional traditions, these writings testify to the presence of same-sex love in various forms since ancient times, without overt persecution. This collection defies both stereotypes of Indian culture and Foucault's definition of homosexuality as a nineteenth-century invention, uncovering instead complex discourses of Indian homosexuality, rich metaphorical traditions to represent it, and the use of names and terms as early as medieval times to distinguish same-sex from cross-sex love. An eminent group of scholars have translated

these writings for the first time or have re-translated well-known texts to correctly make evident previously underplayed homoerotic content. Selections range from religious books, legal and erotic treatises, story cycles, medieval histories and biographies, modern novels, short stories, letters, memoirs, plays and poems. From the Rigveda to Vikram Seth, this anthology will become a staple in courses on gender and queer studies, Asian studies, and world literature.

Kama Sutra Lulu Press, Inc

The Kama Sutra (/ˈkɑːmə ˈsuːtrə/; Sanskrit: कामसूत्रम्, About this soundpronunciation (help·info), Kāmasūtra) is an ancient Indian Sanskrit text on sexuality, eroticism and emotional fulfillment in life. Attributed to Vātsyāyana, the Kama Sutra is neither exclusively nor predominantly a sex manual on sex positions, but written as a guide to the "art-of-living" well, the nature of love, finding a life partner, maintaining one's love life, and other aspects pertaining to pleasure-oriented faculties of human life. Kamasutra is the oldest surviving Hindu text on erotic love. It is a sutra-genre text with terse aphoristic verses that have survived into the modern era with different bhasya (exposition and commentaries). The text is a mix of prose and anustubh-meter poetry verses. The text acknowledges the Hindu concept of Purusharthas, and lists desire, sexuality, and emotional fulfillment as one of the proper goals of life. Its chapters discuss methods for courtship, training in the arts to be socially engaging, finding a partner, flirting, maintaining power in a married life, when and how to commit adultery, sexual positions, and other topics. The majority of the book is about the philosophy and theory of love, what triggers desire, what sustains it, and how and when it is good or bad. The text is one of many Indian texts on Kama Shastra. It is a much-translated work in Indian and non-Indian languages. The Kamasutra has influenced many secondary texts that followed after the 4th-century CE, as well as the Indian arts as exemplified by the pervasive presence Kama-related reliefs and sculpture in old Hindu temples. Of these, the Khajuraho in Madhya Pradesh is a UNESCO world heritage site. Among the surviving temples in north India, one in Rajasthan sculpts all the major chapters and sexual positions to illustrate the Kamasutra. According to Wendy Doniger, the Kamasutra became "one of the most pirated books in English language" soon after it was published in 1883 by Richard Burton. This first European edition by Burton does not faithfully reflect much in the Kamasutra because he revised the collaborative translation by Bhagavanlal Indrajit and Shivaram Parashuram Bhide with Forster Arbuthnot to suit 19th-century Victorian tastes.
