Decoding the Stars: A Biography of Angelo Secchi, Jesuit and Scientist Taylor & Francis

With thousands of migrants attempting the perilous maritime journey from North Africa to Europe each year, transnational migration is a defining feature of social life in the Mediterranean today. On the island of Sicily, where many migrants first arrive and ultimately remain, the contours of migrant reception and integration are frequently animated by broader concerns for human rights and social justice. Island of Hope sheds light on the

emergence of social solidarity initiatives and networks forged between citizens and noncitizens who work together to improve local livelihoods and mobilize for radical political change. Basing her argument on years of ethnographic fieldwork with frontline communities in Sicily, anthropologist Megan Carney asserts that such mobilizations hold significance not only for the rights of migrants, but for the material and affective well-being of society at large.

Prego! is easy to use! For this exciting new edition, we listened to our many adopters and made significant revisions to adapt Prego! to the changing needs of your students. Every aspect of this program is based on the strong foundation of vocabulary and grammar presentations unique to Prego along with communicative activities and expanded cultural material to help students develop language proficiency. As a result, the program is even stronger, offering a truly integrated approach to presenting culture that inspires students to develop their communication skills. All print and media supplements for the program are completely integrated in CENTRO, our comprehensive digital platform that brings together all the online and media resources of the Prego! program. These include the Quia online versions of the workbook and laboratory manual, the video program, the music playlist, and new interactive games. Instructors will also find an easy-to-use grade book, an instructor dashboard, and a class roster system that facilitates course management and helps reduce administrative workload.

[Vite Italiane](#) Associazione Lengu

Based on the true history of the uncrowned kings of Sicily: the story of a family, restless and ambitious, shrewd and determined to be richer and more powerful than anybody else. In this grand, sweeping epic inspired by the real lives of history-making titans, international best-selling author Stefania Auci brings to life the dark secrets, the loves and betrayals, and the cruel acts of revenge that marked the Florio family's century of influence. The Florios arrive in Sicily, with nothing but the clothes on their back after an earthquake destroys their hometown. Against all odds, the family begins anew despite the looming Napoleonic wars and devastating plagues. But when Vincenzo is spurned by his aristocratic lover, he vows to avenge his honor by becoming the wealthiest man in Italy. Sacrificing love and family, he strives to buy what cannot be his by birth. Not to be outdone by the men, the Florio women unapologetically demand their place outside the restraints of caring mothers, alluring lovers, or wounded wives. Giulia, though only a mistress, is fiercely intelligent and runs the empire from the shadows. Angelina, born a bastard, charts her own future against the wishes of her father. In this epic yet intimate tale of power, passion, and revenge, the rise and fall of a family taps into the universal desire to become more than who we are born as. Translated from the Italian by Katherine Gregor

Images, a Pictorial History of Italian Americans Oxford University Press

In the 1993 edition, I considered black madonnas a metaphor for a memory of the time when the earth was believed to be the body of woman and all creatures were equal, a memory transmitted in vernacular traditions of earth-bounded cultures, historically expressed in cultural and political resistance, and glimpsed today in movements aiming for transformation. Since then my understanding of black madonnas has been deepened by genetics finding that the origin of modern humans is Africa, that migrations from Africa carried a primordial belief in a divine woman to all continents. Black madonnas and other dark women of the world suggest a metaphor for healing millennial divisions of gender and race and concerted movements for justice.

Women of Honour PublicAffairs

An analysis of the relationship between detective fiction and its setting, this book is the most wide-ranging examination of the way in which Italian detective fiction in the last 20 years has become a means to articulate the changes in the social landscape of the country.

Island of Hope Courier Corporation

A wide-ranging edited collection that interrogates colonial expansion, and the mismatch between intention, perception and hype, and the actual realities.

EBOOK: Prego! An Invitation to Italian Routledge

This volume explores the complex relationship between language and identity from various critical perspectives and by means of different research methodologies. Following the earlier collection, *Languaging Diversity: Identities, Genres, Discourses*, this book provides further insights into the multifaceted process of identity construction through language. The choice of dealing with the broad concept of 'diversity' underlines the inclusiveness of this text, which was conceived to analyse how identities are linguistically and socially construed, maintained and challenged in a vast array of sociolinguistic contexts. The choice of collecting papers concerning the thorny issue of language and diversity is grounded on the idea that individual identities are dynamic and socially negotiated in interaction and discourse, with language choices being true acts of identity (Le Page and Tabouret-Keller, 1985) by means of which people's selves are performed and defined. To offer wide yet accurate descriptions of how identities are variously conveyed linguistically, this volume offers a varied approach to diversity, by covering different fields of research, from the investigation of ethnic minorities' identities to the socio-linguistic and cultural status of Scots, to mention but two examples. The book consists of nine selected papers dealing with professional, cultural, ethnic and social identities, gender ideologies and national stereotypes built and negotiated in language practices and discourse. In particular, this work tackles a wide set of key topics: the construction and legitimation of ESOL teachers' identities in their community of practice, multidimensional research on Italian immigrants' distinctiveness, the negotiation of self in bilingual families, Scottish national belonging and attitudes towards the Scots language, the correlation between sexism and gender categories, and the development of a positive approach to diversity via enhanced critical awareness of culture-bound stereotypes.

Travellers' Colloquial Italian Rarebooksclub.com

MAFIA. CAMORRA. 'NDRANGHETA. The Sicilian mafia, known as Cosa Nostra, is far from being Italy's only dangerous criminal fraternity. The country hosts two other major mafias: the camorra from Naples; and, from the poor and isolated region of Calabria, the mysterious 'ndrangheta, which has now risen to become the most powerful mob group active today. Since they emerged, the mafias have all corrupted Italy's institutions, drastically curtailed the life-chances of its citizens, evaded justice, and set up their own self-interested meddling as an alternative to the courts. Yet each of these brotherhoods has its own methods, its own dark rituals, its own style of ferocity. Each is uniquely adapted to corrupt and exploit its own specific environment, as it collaborates with, learns from, and goes to war with the other mafias. Today, the shadow of organized crime hangs over a country racked by debt, political paralysis, and widespread corruption. The 'ndrangheta controls much of Europe's wholesale cocaine trade and, by some estimates, 3 percent of Italy's total GDP. *Blood Brotherhoods* traces the origins of this national malaise back to Italy's roots as a united country in the nineteenth century, and shows how political violence incubated underworld sects among the lemon groves of Palermo, the fetid slums of Naples, and the harsh mountain villages of Calabria. *Blood Brotherhoods* is a book of breathtaking ambition, tracing for the first time the interlocking story of all three mafias from their origins to the present day. John Dickie is recognized in Italy as one of the foremost historians of organized crime. In these pages, he blends archival detective work, passionate narrative, and shrewd analysis to bring a unique criminal ecosystem—and the three terrifying criminal brotherhoods that have evolved within it—to life on the page.

Black Madonnas HarperCollins

Winner of the Italian PEN Prize: A tale of illicit love and a girl forced into a convent in the early nineteenth century. 1839, Messina, Italy: Agata is the daughter of an aristocrat, albeit an impoverished one, and she has fallen in love with wealthy Giacomo Lepre. Their families, however, view their romance as unacceptable and tawdry—and when Agata's father dies, her mother decides to ferry her daughter far away, to Naples, where she hopes to garner a stipend from the king. The only boat leaving Messina that day is captained by young Englishman James Garson. Following a tempestuous passage to Naples, during which Agata confesses her troubles to James, Agata and her mother find themselves rebuffed by the king, and Agata is forced to join a convent. The Benedictine monastery of San Giorgio Stilita is rife with rancor and jealousy, illicit passions and ancient feuds. But Agata remains aloof, devoting herself to the cultivation of medicinal herbs, calmed by the steady rhythms of monastic life. She reads all the books James sends her and follows the news of the various factions struggling to bring unity to Italy. She has accepted her life as a nun, but she is divided between her yearnings for purity and religiosity and her desire to be part of the world. And she is increasingly torn when she realizes that her feelings for James, though he is only a distant presence in her life, have eclipsed those for Lepre. . . . "Hornby enriches her story with sensuous details of food, fashion, furnishings, and the rules of an extravagant society, savoring local color and personality quirks." —Publishers Weekly "An historical novel, a coming-of-age novel, a perfect portrait of family dynamics, The Nun also gives us, in Agata, an unforgettable heroine." —Gazzetta di Mantova *Imperial expectations and realities* Heinemann

Made in Italy Lulu.com

In *Decoding the Stars*, Ileana Chinnici offers an account of the life of the Jesuit scientist Angelo Secchi (1818-1878) and his important contributions to the development of many sciences, paying special attention to his studies in early astrophysics.

A Guide to Italian Language and Culture for English-Speaking Learners of Italian Manchester University Press

This intensive foundation course in Italian is designed for students with no previous knowledge of the language. Accompanying audio material containing dialogues, listening exercises and pronunciation practice is available to purchase separately in CD format. These two audio CDs are designed to work alongside the accompanying book. Students using the Routledge Intensive Italian Course will practise the four key skills of language learning - reading, writing, speaking, and listening - and will acquire a thorough working knowledge of the structures of Italian. The Routledge Intensive Italian Course takes students from beginner to intermediate level in one year.

Elementary Italian Grammar Routledge

By far the largest, most authoritative and up-to-date single-volume book on Italian verbs ever written, *The Big Book of Italian Verbs: 900 Fully Conjugated Verbs in All Tenses - With IPA, 2nd Edition* is the result of many years of research into the morphology and phonetics of Italian verbs. At the time of its publication, it is the only reference on the phonetics of Italian verbs as well as of Italian in general - all conjugation tables of verbs have IPA transcriptions associated with them. Inside you will find: 900 Italian verbs fully conjugated in all tenses and including usage examples IPA transcription given within conjugation tables for each tense An index comprising all the verb forms available in the book, in order to easily find

irregular verb forms

Fashioning Italian youth BRILL

The year 2018 marked the fiftieth anniversary of May '68, a startling, by now almost mythic event which combined seriousness, courage, humor and theatrics. The contributions of this volume—based on papers presented the conference Does “la lutte continue”? The Global Afterlife of May '68 at Florida State University in March 2019—explore the ramifications of that springtime protest in the contemporary world. What has widely become known as the movement of '68 consisted, in fact, of many synchronous movements in different nations that promoted a great variety of political, social, and cultural agendas. While it is impossible to write a global history of '68, this volume presents a kaleidoscope of different perceptions, reflections, and receptions of protest in France, Italy, and other nations that share in common a global utopian imaginary as expressed, for example, in the slogan: “All power to the imagination!” The contributions of this collection show that, while all social struggles are political, many lasting changes in individual mentalities and social structures originated from utopian ideas that were realized first in artistic productions and their aesthetic

reception. In this respect the various protests of May '68 continue.

Grammatical development in second languages. Exploring the boundaries of Processability Theory e-artnow

This Italian textbook is divided into two parts. The first consists of texts and dialogues, which help the reader to have fun while learning Italian. This section is also peppered with grammar lessons. The second part uses a number of photos, which encourage students to speak about what they see. Its topics are culturally interesting, and include cities to visit, recipes and small biographies of famous Italian poets and writers. As such, the book is suitable for students who are at beginner and post-beginner levels; in other words, A1, A2, B1, and B2. Students of the latter level can use the first two parts of the book to revise what they have studied in the past and the third part to improve their vocabulary and their reading skills. One of the strengths of this book is in its recordings, which used several people with a range of different accents. Such variety of accents and voices represents a good training tool for the student of Italian. The book also includes contributions from Michela Dettori, Michela Esposito, Elsa Musacchio, Davide Renzi, Lea De Negri, Denise Pellini, Maria Andreana Deiana, Lia Renzi, Clara Lucci and Flavia Rovella, which serve to make it unique and interesting.
