The Kids' Book of Paper Love

Chronicle Books

Playful puppies! Cuddly kittens! Beautiful birds! In the next book in the hit Little Kids First Big Book series, readers learn all about pets with fur, feathers, fins, scales, and shells--and how to find and care for the perfect pet for their family. From cats to dogs to guinea pigs to birds to fish to snakes and more, this adorable reference book introduces kids to a wide variety of family-friendly pets. Readers learn which kinds of animals make good pets and which ones are better off staying in the wild, along with how each type of pet eats, sleeps, and plays. Packed with more than 200 colorful photos, the book also provides information on animal breeds, characteristics, and behavior and includes tips for training pets. Filled with fun facts and designed for interactive learning, this book will quickly become a favorite at storytime, bedtime, and any time.

Offshoot

School is starting in the forest, but Chester Raccoon does not want to go. To help ease Chester's fears, Mrs. Raccoon shares a family secret called the Kissing Hand to give him the reassurance of her love any time his world feels a little scary. Since its first publication in 1993, this heartwarming book has become a children's classic that has touched the lives of millions of children and their parents, especially at times of separation, whether starting school, entering daycare, or going to camp. It is widely used by kindergarten teachers on

the first day of school. Stickers at the back will help children and their parents keep their Kissing Hand alive.

100% of Last Week Tonight's proceeds will be donated to The Trevor Project and AIDS United. HBO's Emmy-winning Last Week Tonight with John Oliver presents a children's picture book about a Very Special boy bunny who falls in love with another boy bunny. Meet Marlon Bundo, a lonely bunny who lives with his Grampa, Mike Pence - the Vice President of the United States. But on this Very Special Day, Marlon's life is about to change forever... With its message of tolerance and advocacy, this charming children's book explores issues of same sex marriage and democracy. Sweet, funny, and beautifully illustrated, this book is dedicated to every bunny who has ever felt different.

Children learn through fun. Make good hygiene an adventure, and they'll develop healthy habits for a lifetime. All parents know that handwashing is the #1 thing you can do to prevent yourself from getting sick. But teaching preschoolers the value of good hygiene can be a real challenge. But never fear! Emma's here! Emma is just like any other kid: she loves to play outside and she has a BIG imagination. She's also a girl on a mission. She's on a quest to fight her invisible enemies: the germs lurking all over her house. Emma knows how important good hygiene is, and she's determined to teach her family too. Through beautiful illustrations and delightful rhymes, Emma will take your little one on her adventure, conquering germs all over the house and teaching the whole family the importance of personal hygiene. In *Germs. The Invisible Fight*, your child will be captivated by catchy rhymes and a storytelling rhythm that will help them remember good hygiene habits forever. They won't even notice they're learning! Whether your little one is a superhero, a knight in shining armor, or a brave explorer, they'll love turning cleanliness and hygiene into an adventure with Emma and her family. For a fun and easy way to teach your child good hygiene habits, scroll up and click "Add to Cart" right now. Then sit back and watch your little warrior wage a war on germs!

Comeback Kids Chronicle Books

Little children count as they connect! This series is surely going to jumpstart

the imagination of the little ones.

Engaging activities teach numbers 1 through 20 and 50. These books do wonders to improve the child's hand-eye coordination and fine motor skills as they gently introduce them to counting.

The Kissing Hand Walter Foster Jr.

This comprehensive resource and clinical guide for students and practicing pediatric therapists features current information on the neurological foundations of hand skills, the development of hand skills, and intervention with children who have problems related to hand skills. Covers foundation and development of hand skills, therapeutic intervention, and special problems and approaches. Is readable, concise, and well-organized with a consistent format throughout. Integrates recent research findings and current thinking throughout the text. Emphasizes neuroscience and the hand's sensory function and haptic perception. Applies neuroscience and development frames of reference throughout. Implications for practice included in each chapter. Presents concepts in the foundation/development chapters that are linked with the intervention chapters. Seven new chapters reflect current practice in the field and cover cognition & motor skills, handedness, fine-motor program for preschoolers, handwriting evaluation, splinting the upper extremity of the child, pediatric hand therapy, and efficacy of interventions. Extensively revised content throughout includes new research and theories, new techniques, current trends, and new information sources. 9 new contributors offer authoritative guidance in the field. Over 200 new illustrations demonstrate important concepts with new clinical photographs and line drawings. Over 50

new tables and boxes highlight important information. An updated and expanded glossary defines key terms.

Draw your own alphabet through a combination of doodling and hand lettering with these easy, step-by-step projects.

HarperTeen

On a day when everything goes wrong for him, Alexander is consoled by the thought that other people have bad days too.

Left Hand, Right Hand Workman Publishing Company

Winner of the Pura Belpré Illustrator Award A Kirkus Reviews Best Picture Book In soaring words and stunning illustrations, Margarita Engle and Rafael López tell the story of Teresa Carreño, a child prodigy who played piano for Abraham Lincoln. As a little girl, Teresa Carreño loved to let her hands dance across the beautiful keys of the piano. If she felt sad, music cheered her up, and when she was happy, the piano helped her share that joy. Soon she was writing her own songs and performing in grand cathedrals. Then a revolution in Venezuela forced her family to flee to the United States. Teresa felt lonely in this unfamiliar place, where few of the people she met spoke Spanish. Worst of all, there was fighting in her new home, too—the Civil War. Still, Teresa kept playing, and soon she grew famous as the talented Piano Girl who could play anything from a folk song to a sonata. So famous, in fact, that President Abraham Lincoln wanted her to play at the White House! Yet with the country torn apart by war, could Teresa's music bring comfort to those who needed it most?

National Geographic Children's Books
The Pocket Book is for use by doctors nurses and other health workers who are responsible for the care of young children at the first level referral hospitals. This second edition is based on evidence from several WHO updated and published clinical guidelines. It is for use in both inpatient and outpatient care in small hospitals with basic laboratory facilities and essential medicines. In some settings these guidelines can be used in any facilities where sick children are admitted for inpatient care. The Pocket Book is one of a series of documents and tools that support the Integrated Managem.
