The bestselling author's "signature tender but sexy lovemaking scenes make this an all-around winner" in the trilogy that began with *Midnight Sun* (Booklist). It takes a certain kind of rough and tumble man to show a Sinclair girl how to ask for everything she wants . . . For Patience Sinclair, leaving the ivy-covered halls of Boston for the wide, open spaces of Texas means a chance to stop looking over her shoulder at every turn. Traveling incognito with the Triple C Rodeo is just what she needs to free her from a past that continues to haunt her. But she can't avoid the undeniable presence of Dallas Kingman. The champion rider has a way of letting her know he's watching her every move that makes her feel wild and reckless. As they make their way through the heart of the southwest, a series of mysterious accidents darkens the promise of the unknown into a vortex of fear and obsession, and Patience finds herself closer to danger than she could have ever imagined . . . Praise for Kat Martin "Kat Martin is a fast gun when it comes to storytelling, and I love her books." —Linda Lael Miller, #1 New York Times bestselling author "A terrific storyteller." —Booklist "It doesn't matter what Martin's characters are up against—she dishes up romantic suspense, sizzling sex and international intrigue." —RT Book Reviews "[A] master of suspenseful romance." —Publishers Weekly

Imagine freewheeling through tufted French vineyards, scaling the rocky, cloud-topped tracks in the Himalayas or rattling past whitewashed sugar-cube houses in narrow Spanish valleys. From surviving the peaks of the Yorkshire Dales to tackling truly hair-raising descents in rural Cuba, the sheer variety of routes in *The 50 Greatest Bike Rides of the World* will have you reaching for your bicycle clips, helmet and gloves. Sarah Woods tells tales of scenic single tracks, switchback climbs and routes newly discovered from around the world, each with valuable tips and details to satisfy every cycling enthusiast. It's time to get those panniers packed and sprockets checked and to climb into the saddle.

Lonely Planet: The world's leading travel guide publisher Discover 200 of the best places to ride a bike in this beautifully illustrated hardback. From family-friendly, sightseeing urban rides to epic adventures off the beaten track. Destinations range from France and Italy, for the world's great bike races, to the wilds of Mongolia and Patagonia. These journeys will inspire - whether you are an experienced cyclist or just getting started. The book is organised by continent. In the Americas we join a family bikepacking trip in Ecuador; we pedal the Natchez Trace Parkway and stop at legendary music spots; we ride the Pacific Coast Highway in Oregon and California; go mountain biking in Moab and Canada; and explore the cities of Buenos Aires and New York by bicycle. European rides include easy-going trips around Lake Constance, along the Danube and the Loire, and coast-to-coast routes;

routes in Tuscany, Spain and Corsica; and professional journeys up Mt Ventoux and around the Tour of Flanders. In Asia, we venture through Vietnam's valleys; complete the Mae Hong Son circuit in northern Thailand; cross the Indian Himalayas; and pedal through Bhutan. And in Australia and New Zealand we take in Tasmania and Queensland by mountain bike; cycle into Victoria's high country and around Adelaide on road bikes; and try some of New Zealand's celebrated cycle trails. Each ride is illustrated with stunning photography and a map. A toolkit of practical details - where to start and finish, how to get there, where to stay and more - helps riders plan their own trips. There are also suggestions for three more similar rides around the world for each story. Each piece shows how cycling is a fantastic way to get to know a place, a people and their culture. About Lonely Planet: Started in 1973, Lonely Planet has become the world's leading travel guide publisher with guidebooks to every destination on the planet, gift and lifestyle books and stationery, as well as an award-winning website, magazines, a suite of mobile and digital travel products, and a dedicated traveller community. A widow falls for the young cowboy working her ranch in this contemporary western romance series opener by the bestselling author of the Hot SEALs series. One bucking bronco . . . Oklahoma ranch hand Tyler Jenkins is too young, too sexy, and too damn wild to be tied down by any single woman for more than a few steamy hours. One hard-working widow . . . Widowed rancher Janie Smithwick is too busy paying off her debts to play rodeo with a reckless young cowboy like Tyler—no matter how hot he gets her. One midnight ride they'll never forget . . . As a rule, Janie should be dating a man her own age, like her handsome neighbor Rohn—not the twenty-four-year-old ranch hand he employs. But once Tyler gets Janie alone—held tight in his arms, pressed against his hard muscled body, burning with desire—the widow realizes that some rules, like broncos, are meant to be broken. Praise for *Midnight Ride* "Packs a powerful emotional punch" —Publishers Weekly "Johnson is a

master at pushing boundaries, and the opening of her Midnight Cowboys series is no exception.”

From moose attacks to the midnight sun--an amusing, Bill Bryson-like account of one man's first year in Alaska "In New York City, a Cheechako (chee CHA-ko) would be the kid who just fell off the turnip truck. No street smarts. A pink windbreaker. A subway map sticking from his back pocket...In Alaska, a Cheechako is even easier to spot. He's the guy with his tongue stuck to a metal pole. A tenderfoot. A greenhorn." Land of the Radioactive Midnight Sun is the story of Lt. Sean Michael Flynn as he tries to survive his first year in Alaska. With romantic notions of Jack London and Bush piloting, Lt. Flynn requests a transfer to Eielson Air Force Base outside of Fairbanks, Alaska. He is a bit unnerved at how easy the transfer goes through. From a rugby game on a frozen river to living across from Santa's Village to soaring over the Bush in an F-16, Land of the Radioactive Midnight Sun is a hilarious trial-by-many-errors account of what it takes to become a true Alaskan.

A wondrous story of adventure and friendship featuring a group of women who ride Icelandic horses. "Blame it or praise it, there is no denying the wild horse in us." - Virginia Woolf Each June, Tory Bilski meets up with fellow women travelers in Reykjavik where they head to northern Iceland, near the Greenland Sea. They escape their ordinary lives to live an extraordinary one at a horse farm perched at the edge of the world. If only for a short while. When they first came to Thingeyar, these women were strangers to one another. The only thing they had in common was their passion for Icelandic horses. However, over the years, their relationships with each other deepens, growing older together and keeping each other young. Combining the self-discovery of Eat, Pray, Love, the sense of place of Under the Tuscan Sun, and the danger of Wild, Wild Horses of the Summer Sun revels in Tory's quest for the "wild" inside her. These women leave behind the usual troubles at home: illnesses, aging parents, troubled teenagers, financial worries and embrace their desire for adventure. Buoyed by their friendships with each other and their growing attachments and bonds with the otherworldly horses they ride, the warmth of Thingeyrar's midnight sun carries these women through the rest of the year's trials and travails. Filled with adventure and fresh humor, as well as an incredible portrait of Iceland and its remarkable equines, Wild Horses of the Summer Sun will enthrall and delight not just horse lovers, but those of us who yearn for a little more wild in everyday life.

SPIES OF THE MIDNIGHT SUN is the true story of legendary British safecracker and spy Eddie Chapman, the British Double Cross Spy System, and Norwegian female Resistance operatives Dagmar Lahlum and Annemarie Breien. Known as Agent Zigzag, the most remarkable double agent of WWII, the fearless and roguishly handsome Chapman fell in love with and spied alongside the stunning 20-year-old model Dagmar Lahlum in Occupied Norway. Based upon recently released historical records from British and Norwegian archives, this WWII adventure and romance tale

illuminates for the first time the intimate relationship between the two spy-lovers as well as the wartime exploits of Lahlum, Breien, and the Norwegian Resistance to liberate Norway and combat the Gestapo's bloodhound investigator, Siegfried Fehmer. The contributions of Dagmar Lahlum and Annemarie Breien to the Allied war effort are many and incontrovertible--and yet history has never properly recognized these courageous Resistance women for their achievements. Until now. This book is their story and the story of the colorful Eddie Chapman in their efforts to defeat the Nazis.

DEATH... Leaving behind the headaches of local law enforcement in Alaska's North Slope, Inupiat police officer Ray Attla welcomes a few days of vacation with his wife and four-year-old daughter at a resort outside of Anchorage. He doesn't, however, count on an early morning bike ride down the rocky mountain trails that sends him flying through alpine paradise, crashing into a thicket of berry bushes...and landing just a few paces from a dead body. AND DECEPTION It looks at first that the victim fell from a ski lift, and Ray figures he'll report the accident to authorities and be on his way. It's well out of his jurisdiction, and he's determined to stay "off-duty." That plan changes when he meets the local lawman, an amiable sort who doubles as church pastor and hasn't got a clue how to proceed in a case with more questions than answers. And when Ray's little daughter, who is sensitive to traditional Eskimo ways, innocently begins to tell her daddy details of the case, Ray cannot beg off. Before long, he discovers the mysterious victim has led a murky double life of lies, adultery, mob connections, and industrial espionage. His vacation officially over, Ray walks a thin line between Feds and a dead man's dangerous secrets. A line that, if crossed, could turn this trip into Ray's last.... DEATH... Under the Midnight Sun (The Heart of Alaska Book #3) Graphic Arts Center Publishing Co.

A MAJOR MOTION PICTURE STARRING BELLA THORNE! A heartbreaking tale of love, loss and one nearly perfect summer -- perfect for fans of *The Fault In Our Stars* and *Love, Simon*. Seventeen-year-old Katie Price has a rare disease that makes exposure to even the smallest amount of sunlight deadly. Confined to her house during the day, her company is limited to her widowed father and her best (okay, only) friend. It isn't until after nightfall that Katie's world opens up, when she takes her guitar to the local train station and plays for the people coming and going. Charlie Reed is a former all-star athlete at a crossroads in his life - and the boy Katie has secretly admired from afar for years. When he happens upon her playing guitar one night, fate intervenes and the two embark on a star-crossed romance. As they challenge each other to chase their dreams and fall for each other under the summer night sky, Katie and Charlie form a bond strong enough to change them -- and everyone around them -- forever.

With imaginative text and colourful artwork, Nuptse and Lhotse's latest adventure showcases the history, culture, and environment of the Yukon, Northwest Territories, and Nunavut. Welcome to the Land of the Midnight Sun! While waiting for the first snowfall of winter to arrive, Nuptse and Lhotse are excited when they find an unusual snow globe in their home that can change the weather. With the help of Roald, a Polar Explorer Fox, they set off together on an adventure to northern Canada and the Arctic, on a quest to find the great treasure of the north. As they make their way from the Chilkoot Trail to the North Pole through all the four seasons, the cats will try panning for gold, ride a caribou across the tundra from boreal forest to the Arctic Ocean, and sail among ice floes in the Northwest Passage with the help of an Inuit hunter. With several surprises along the way, the cats learn many fascinating things that make this land and its history unique, from bird migrations and prehistoric animals, to ice blinks and shipwrecks, to permafrost and polar ice caps. Will Nuptse and Lhotse find the great treasure of the north?
