One of the most important functions of government—risk management—is one of the least well understood. Moving beyond familiar public functions—spending, taxation, and regulation—Moss spotlights government's pivotal role as a risk manager, revealing the nature and extent of this function, which touches almost every aspect of economic life.

*Love, Lyrics & Politics* Penguin

The condition of stuck is a condition well known by pastoral caregivers and leaders. In *When All Else Fails*, Wayne Menking argues that the way out of stuckness is not through the acquisition of faddish techniques, but through a deep rethinking of our pastoral vocation and what our pastoral work is to be about. Pastoral care and leadership are not indistinguishable, just as priestly work can never be separated from prophetic work. They are always one and the same. Pastoral care and leadership, then, are not about helping people relieve their anxiety through the offering of palliative comfort, but rather helping people to engage the powers that have hold of their life so as to leave what is old for what is new. In this engagement, the caregiver will always encounter powers against which niceness and unconditional love will not work. Using biblical images and narratives that depict God as a deeply empathic and compassionate God, yet one who is never adaptively sympathetic, Menking asserts that pastoral caregivers and leaders must shed their niceness and adaptivity so as to employ their God-given power if they are to help people effectively leave what is old for what is new.

The true story of Carmel Bell, her work as a medical intuitive, and how she survived four near death experiences to return with a knowledge of energy healing

**Everyone Else Must Fail** Workman Publishing

From the New York Times bestselling author of *Hallelujah Anyway*, *Bird by Bird*, and *Almost Everything*, a spiritual antidote to anxiety and despair in

increasingly fraught times. As Anne Lamott knows, the world is a dangerous place. Terrorism and war have become the new normal. Environmental devastation looms even closer. And there are personal demands on her faith as well: getting older; her mother's Alzheimer's; her son's adolescence; and the passing of friends and time. Fortunately for those of us who are anxious about the state of the world, whose parents are also aging and dying, whose children are growing harder to recognize as they become teenagers, Plan B offers hope that we're not alone in the midst of despair. It shares with us Lamott's ability to comfort and to make us laugh despite the grim realities. Anne Lamott is one of our most beloved writers, and Plan B is a book more necessary now than ever. It is further evidence that, as The New Yorker has written, "Anne Lamott is a cause for celebration."

Let's All Make the Day Count imparts Charlie's positive attitude, timeless insight, and powerful spirit, and it will encourage and inspire you to make your day count.

*If All Else Fails, Why Not Think?* Thomas Nelson

'A brilliantly simple guide to give anyone instant confidence choosing wine.' Russell Norman Which Wine When offers brilliant wine matches to the food we eat every day. This is for anyone who knows their sourdough from their sliced white but still finds themselves standing in the wine aisle making panicked decisions about what to drink based on special offers, a vague memory or a nice-looking label. Now you'll be able to look up dish or style of cooking and find three recommendations – and if the shop doesn't have what you want, Bert and Claire give you the words to ask for the type of wine you're looking for. From takeaways and snacks to Sunday lunches, home-cooked classics, cheese and desserts, these expert wine matches are fun, affordable and simple enough you can pop to a supermarket or local wine shop. Whether you're ordering a curry, taking a bottle to a friend's, going out for dinner, or vegging out on the sofa with a bowl of pasta, Which Wine When will turn even the most down-to-earth meal into a magical combination of what's on your plate and what's in your glass. Don't wander the wine aisle without it.

When the Sudanese civil war reaches his village in 1985, 11-year-old Salva becomes separated from his family and must walk with other Dinka tribe members through southern Sudan, Ethiopia and Kenya in search of safe haven. Based on the life of Salva Dut, who, after emigrating to America in 1996, began a project to dig water wells in Sudan. By a Newbery Medal-winning author.

*Why Nations Fail* Alicia White

A darkly humorous saga set in post-9/11 America and the Middle East When All Else Fails begins on September 12th, 2001. It is the story of Hunayn, a luckless and lovelorn Iraqi college student living in Orlando, Florida, after having graduated from high school in Beirut. Hunayn's life is upended by 9/11—but not immediately, and not in the way that he, fearful in the aftermath of the attacks, initially expects. As America settles into its post-9/11, open-ended “Septemberland” phase (vigilant but also overly suspicious and even paranoid), many Arab and Muslim Americans are made to feel it's no longer their home. With Hunayn, who muddles through a series of surreal episodes in Orlando and nearby Indiantown, the situation proves almost the opposite: Septemberland—so many of whose citizens think they have Hunayn figured out just because of his name or origins—comes to remind him of his most recent unhappy home, Lebanon, which he assumed he'd left behind. Now, having had his fill of disconcerting experiences, Hunayn returns to Beirut. At least he knows how to navigate life back there—or so he thinks. It turns out that Lebanon is about to undergo political upheaval of its own: a former prime minister opposed to neighboring Syria's control of the country is assassinated; subsequent popular protests compel the Syrian regime to withdraw its army; a spate of mysterious bombings terrorizes everyone; and Israel, another neighbor, launches a war on Lebanon in retaliation for an attack by a Lebanese militant group. Hunayn finds himself aswirl in the maelstrom. And all the while, he watches from afar as Iraq, his fabled homeland and the owner of his heart, unravels in the wake of the US-led invasion.

*When All Else Fails* Lulu Press, Inc

NEW YORK TIMES BESTSELLER • “A novel to cure your Downton Abbey withdrawal . . . a delightful story about nontraditional romantic relationships, class snobbery and the everybody-knows-everybody complications of living in a small community.”—The Washington Post The bestselling author of Major Pettigrew's Last Stand returns with a breathtaking novel of love on the eve of World War I that reaches far beyond the small English town in which it is set. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST AND NPR East Sussex, 1914. It is the end of England's brief Edwardian summer, and everyone agrees that the weather has never been so beautiful. Hugh Grange, down from his medical studies, is visiting his Aunt Agatha, who lives with her husband in the small, idyllic coastal town of Rye. Agatha's husband works in the Foreign Office, and she is certain he will ensure that the recent saber rattling over the Balkans won't come to anything. And Agatha has more immediate concerns; she has just risked her carefully built reputation by pushing for the appointment of a woman to replace the Latin master. When Beatrice Nash arrives with one trunk and several large crates of books, it is clear she is significantly more freethinking—and attractive—than anyone believes a Latin teacher should be. For her part, mourning the death of her beloved father, who has left her penniless, Beatrice simply wants to be left alone to pursue her teaching and writing. But just as Beatrice comes alive to the beauty of the Sussex landscape and the colorful characters who populate Rye, the perfect summer is about to end. For despite Agatha's reassurances, the unimaginable is coming. Soon the limits of progress, and the old ways, will be tested as this small Sussex town and its inhabitants go to war. Praise for *The Summer Before the War* “What begins as a study of a small-town society becomes a compelling account of war and its aftermath.”—*Woman's Day* “This witty character study of how a small English town reacts to the 1914 arrival of its first female teacher offers gentle humor wrapped in a hauntingly detailed story.”—*Good Housekeeping* “Perfect for readers in a post-Downton Abbey slump . . .

The gently teasing banter between two kindred spirits edging slowly into love is as delicately crafted as a bone-china teacup. . . . More than a high-toned romantic reverie for Anglophiles—though it serves the latter purpose, too.”—The Seattle Times

**The Indomitable Investor** Princeton University Press

Born in Montgomery, Alabama things in my life were messed up from the start. Most of it, I blame on my Mother engaging in Abusive relationships and having men in and out of the house. Growing up with a Dad I never met and having a Mother that did not care, seemed very hopeless for a child my age... Life deals bad hands at us at different times and it is our destiny to find how to navigate through turbulent waters and come out victorious. "When All Else Fails" is the gritty and courageous personal story of Alicia White once a young girl struggling in her Southern Hometown to ensure her and her siblings had basic necessities. The Story shows that determination, hard work and love can save one from what seems to be certain failure. Speaking in a candid voice the author's words brings to life the struggles and obstacles she overcame in her life to go on to be a successful Entrepreneur owning several businesses and raising a Happy Family. "When All Else Fails" is a real testimony to the Awesome Power of "The Holy Spirit."

*The Last Usable Hour* Karis Publishing

The award-winning author of *Yes, Lord, I Have Sinned, But I Have Several Excellent Excuses* gives readers a fresh look at the Bible--the original "instruction book". Drawing upon rich stories and personal experience, he focuses on sections of the Bible which dramatically underscore instructions for meaningful living.

*When All Else Fails, Sell!* Harvard University Press

A bracingly provocative challenge to one of our most cherished ideas and institutions Most people believe democracy is a uniquely just form of government. They believe people have the right to an equal share of political power. And they believe that political participation is good for us—it empowers us, helps us get what we want, and tends to make us smarter, more virtuous, and more caring for one another. These are some of our most cherished ideas about democracy. But Jason Brennan says they are all wrong. In this trenchant book, Brennan argues that democracy should be judged by its results—and the results are not good enough. Just as defendants have a right to a fair trial, citizens have a right to competent government. But democracy is the rule of the ignorant and the irrational, and it all too often falls short. Furthermore, no one has a fundamental right to any share of political power, and exercising political power does most of us little good. On the contrary, a wide range of social science research shows that political participation and democratic deliberation actually tend to make people worse—more irrational, biased, and mean. Given this grim picture, Brennan argues that a new system of government—epistocracy, the rule of the knowledgeable—may be better than democracy, and that it's time to experiment and find out. A challenging critique of democracy and the first sustained defense of the rule of the knowledgeable, *Against Democracy* is essential reading for scholars and students of politics across the disciplines. Featuring a new preface that situates the book within the current political climate and discusses other alternatives beyond epistocracy, *Against Democracy* is a challenging critique of democracy and the first sustained defense of the rule of the knowledgeable.

A new mystery from Randall Silvis, critically acclaimed master of crime fiction When powerful men pull strings to get what they want... someone almost always ends up dead There's not much that would convince retired police sergeant Ryan DeMarco to take on another private investigation case, but he can't refuse a nine-year-old Michigan girl begging for help finding her biological father. The road trip to the Upper Peninsula promises DeMarco and his partner, Jayme, a chance to heal from their last case, which ended in a traumatic brush with death for DeMarco. But things aren't as they first appear in the woods of Michigan, and the seemingly simple paternity investigation soon morphs into something deadly. The deeper DeMarco, Jayme, and the rest of their team dig, the more ugly truths they reveal, all while doing their best to keep one member of their team, from falling prey to her own kind of darkness. This investigation just might be the most emotionally troubling one DeMarco and Jayme have yet encountered, for there are plenty of people who will do whatever it takes to shut them down before the truth comes to light. Acclaimed author Randall Silvis expertly weaves a shocking tale of secrets and lies in *When All Light Fails*, a suspense-fueled mystery that will leave readers guessing until the very last page. "[a] chilly suspense novel."—The New York Times Sunday Book Review for *Two Days Gone* "...a suspenseful, literary thriller that will resonate with readers long after the book is finished. A terrific choice for Dennis Lehane fans."—Library Journal, Starred Review for *Two Days Gone* "An absolute gem of literary suspense... told in a smooth, assured, and often haunting voice, *Two Days Gone* is a terrific read."—Michael Koryta, *New York Times* bestselling author of *Those Who Wish Me Dead* for *Two Days Gone* Ryan DeMarco Mystery Series: *Two Days Gone* (Book 1) *Walking the Bones* (Book 2) *A Long Way Down* (Book 3) *No Woods So Dark as These* (Book 4) *When All Light Fails* (Book 5)

**When All Else Fails** Simon and Schuster

"Love is not two souls meeting to become one body it is one soul in two bodies meeting itself again." Sidney and Layla have been best friends for years. They've watched lovers come and go in each other's lives but their friendship has remained solid. Pandora's box opens wide when the friends find themselves being drawn toward one another in a very non-platonic way. To complicate things further, Layla is dating Sidney's brother Cole. Layla is distraught over her feelings for Sidney. Sidney refuses to acknowledge anything is happening between them. Despite their attempts to ignore the temptations of their present and the secrets of their past, the choices they've made are starting to catch up to them. They desperately fight against fate and the looming threat of seduction. But life has a way of putting us on the paths we avoid the most. In an effort to do what's right, Sidney makes a decision that forces her and everyone she loves down a road of passion and betrayal. Will she ever be free to be with the love of her life? Will Cole and Layla forgive her? How will she repair the damage she's caused? In order to put her broken life back together, the carefree and immature Sidney, has to grow up and stop running from her mistakes. What is left to do... *When All Else Fails?*

Who among us doesn't desperately need . . . Love. Period.

*If All Else Fails ...* Princeton University Press

When all else fails, succeed! - Is a book that is well researched in modern day success stories with refreshing insight into practical skills to achieve personal success without the usual self-help hype! It displays a simple format that places in the hands of any reader the power to reflect and pinpoint their current state of life, providing tools to build a life by design rather than by default. There is no denying that most people want success but they just don't know how. Dive in if you want to learn how to turn FAILURE into SUCCESS, STUMBLING BLOCKS into STEPPING-STONES, OBSTACLES into OPPORTUNITIES? Want to know how you can GUARANTEE success in life? Yes, winning is wonderful. Knowing how to win is even better! So go ahead, take up the challenge as you read —and when all else fails, SUCCEED.

[Plan B](#) Currency

The economist Albert O. Hirschman famously argued that citizens of democracies have only three possible responses to injustice or wrongdoing by their government: we may leave, complain, or comply. But in *When All Else Fails*, Jason Brennan argues that there is fourth option. When governments violate our rights, we may resist. We may even have a moral duty to do so. For centuries, almost everyone has believed that we must allow the government and its representatives to act without interference, no matter how they behave. We may complain, protest, sue, or vote officials out, but we can't fight back. But Brennan makes the case that we have no duty to allow the state or its agents to commit injustice. We have every right to react with acts of "uncivil disobedience." We may resist arrest for violation of unjust laws. We may disobey orders, sabotage government property, or reveal classified information. We may deceive ignorant, irrational, or malicious voters. We may even use force in self-defense or to defend others. The result is a provocative challenge to long-held beliefs about how citizens may respond when government officials behave unjustly or abuse their power
