HOWE TRISTEN

Gardening Illustrated That Patchwork Place

2018 Shorty Award winner for best Creative & Media animal content ***Named one of the Best Comedy Books of 2017 by Splitsider*** "Over-the-top and hilarious." —Barkpost Based on the Twitter and Instagram sensation, #WeRateDogs features the most heroic, over-the-top adorable, wildly successful, all-around entertaining dogs the world has ever seen! It combines extraordinary photos with ridiculous captions to expand the knowledge and overall lives of its readers. It is not only an exceptionally reliable source for dog greatness, it is also a one stop shop for happiness. This book takes readers on a journey through the strict science of dog rating and the unwavering rules associated with it. Questioning the accuracy of these ratings is ill-advised. They are certainly not arbitrary and this book is absolutely not just about how cute dogs are. It truly is all about precision and ethics in dog rating. The #WeRateDogs book will produce an audible reaction with every flip of the page—whether a groan from a terrible pupper pun or an "aww" of seeing a super floofer. If #WeRateDogs takes you away from reality and pushes you into this conglomerate of absurdity for even a second, then it has fulfilled its purpose.

NKJV, Cultural Backgrounds Study Bible Jacqui Small LLP

"On the reservation, danger looms everywhere, rising out of fear and anger, deprivation, hunger, and poverty. But just as often for Louise, and for those she loves, danger arises from longing and desire. And from making a choice."--BOOK JACKET.

Floret Farm's Discovering Dahlias Abrams

Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Discover classic and contemporary Scandinavian style with specially commissioned photography of homes in Denmark, Norway, Sweden, and Finland. Scandinavia is famous for its distinctive style: homes are pared-back and simple, and form and function are combined to create aesthetically

pleasing and practical interiors. Scandinavians are inspired by light, having an abundance of it in summer but so little of it in winter, and house designs tend to maximize the amount of natural light that enters the home, and allow the inhabitants to make the most of outdoor life during the summer. Similarly, nature and the weather are major influences: homes are made warm and cozy for the freezing winter months—not just literally with log burners, but also through incorporating wood and natural materials. Here Niki Brantmark, owner of the interior design blog My Scandinavian Home, presents a wide-ranging collection of these beautiful homes and explores how the Scandinavian lifestyle is reflected in them all. The first chapter, Urban Living, features styles ranging from minimalist to bohemian, and pale palettes to dramatic dark colors. By contrast, the Country Homes tend to have a softer, calmer feel, through color and textiles, in line with a slower pace of life. Finally, the spectacular Rural Retreats include a mountain cabin, beach house, and rustic summer cottage, and demonstrate how having somewhere to escape to is so important to many Scandinavians. This collection of stunning interiors will put Scandi style within every reader's reach.

Paris in Bloom Chronicle Books

Discover new dimensions of insight with a behind-the-scenes tour of the ancient world You've heard many Bible stories hundreds of times, but how many details are you missing? Sometimes a little context is all you need to discover the rich meaning behind even the most familiar stories of Scripture. That's what the NKJV Cultural Backgrounds Study Bible provides. Every page of this NKJV Bible is packed with expert insight into the customs, culture, and literature of biblical times. These fascinating explanations will serve to clarify your study of the Scriptures, reinforcing your confidence and bringing difficult passages of Scripture into sharp focus. The Bible was originally written to an ancient people removed from us by thousands of years and thousands of miles. The Scriptures include subtle culturally based nuances, undertones, and references to ancient events, literature and customs that were intuitively understood by those who first heard the texts read. For us to truly understand the Scriptures as they

did, we need a window into their world and language. The NKJV Cultural Backgrounds Study Bible, with notes from Dr. John H. Walton (Wheaton College) in the Old Testament and Dr. Craig S. Keener (Asbury Theological Seminary) in the New Testament, brings the ancient world of Scripture to life for modern readers. Features: Complete text of the New King James Version (NKJV) 2017 ECPA Bible of the Year Recipient Targeted book introductions explain the context in which each book of the Bible was written Insightful and informative verse-by-verse study notes reveal new dimensions of insight to even the most familiar passages Key Old Testament (Hebrew) and New Testament terms are explained and expanded upon in two helpful reference features Over 300 in-depth articles on key contextual topics 375 full-color photos, illustrations, and images from around the world Dozens of charts, maps, and diagrams in vivid color Words of Jesus in red Cross references, a concordance, indexes and other helps for Bible study

The Botany of Desire Abrams

Enter the enchanting world of the garden, where birds, insects and flowers unite to form 100 beautiful illustrations for you to make your own. From Eden to the Hanging Gardens of Babylon, any garden is a symbol of peace and pleasure and this book allows you to create your own wonders of the world. Let your imagination wander between the seasons through the pages of this book and rediscover the simple, yet calming pleasure of observing nature at its finest. These 100 original illustrations offer a natural universe for you to create according to your fancy: hedge mazes, incredible topiary, elegant romantic gardens and friezes of evocative tulips of the Taj Mahal. Unleash your creativity by filling these amazing illustrations with the shades you like the most. Allow your pen to draw your attention away from the stresses and distractions of everyday life and seek relaxation in the soothing and rewarding process of colouring-in. Explore your imagination and steal a moment of calm with the help of this novel art form.

Is there really life after hockey? If there's one thing Scotty Matthews knows, it's hockey. Unfortunately, the former New Jersey Ice Cats captain isn't proving successful at life after hockey. His wife's left him and he's lost his post-ice job as a media commentator. All he's got now is a big empty show house. If there's one thing Sapphire Houlihan knows, it's that she never wants to be tied down to anyone or anything ever again. Unfortunately for her, a wonderful one-weekend distraction with Scotty turns into something much more complicated... Because he's a guy who wants way more than one weekend.

Flower Fairies Page Street Publishing

A stunning guide to growing, harvesting, and arranging gorgeous dahlia blooms from celebrated farmer-florist and New York Times bestselling author Erin Benzakein, founder of Floret Flower Farm. World-renowned flower farmer and floral designer Erin Benzakein reveals all the secrets to growing, cultivating, and arranging gorgeous dahlias. These coveted floral treasures come in a dazzling range of colors, sizes, and forms, with enough variety for virtually every garden space and personal preference, making them one of the most beloved flowers for arrangements. In these pages, readers will discover: • Expert advice for planting, harvesting, and arranging garden-fresh dahlias • A simple-to-

follow overview of the dahlia classification system • An A-Z guide with photos and descriptions of more than 350 varieties • Step-by-step how-to's for designing show-stopping dahlia bouquets that elevate any occasion Expert Author: Erin Benzakein's gorgeous flowers are celebrated throughout the world. Her book Floret Farm's A Year in Flowers was a New York Times bestseller and her first book, Floret Farm's Cut Flower Garden, won the American Horticultural Society Book Award. Filled with Wisdom: Overflowing with hundreds of lush photographs and invaluable advice, DISCOVERING DAHLIAS is an essential resource for gardeners and a must-have for anyone who loves flowers, including flower lovers, avid and novice gardeners, floral designers, florists, small farmers, stylists, and designers.

A Perfect Strategy Crown

□A Garden in Your Belly's colorful world helped me wake up...This book is as powerful as it is beautiful!□ □Eric Carle, author of *The Very Hungry Caterpillar* Your belly is full of tiny creatures□and they love to eat! Along the river of your gut, tiny creatures move, eat, and grow. Learn more about the garden of microscopic flora growing inside the body and come on a journey that explains an important biological concept: the microbiome, the health of which affects everything in our bodies. Did you know that some foods are better for your microbiome (and you!) than others? Striking, original watercolor illustrations keep things from getting too gross. Informational back matter goes further into the science of the microbiome and reveals amazing facts about the gut.

The Scandinavian Home Penguin

Features twenty oversized art card drawings brimming with lush gardens, flowers, and fantastic creatures common to a Scandinavian landscape to hang on one's wall or share with friends.

Perma Red Batsford

From the artist who launched a global adult coloring trend comes this special artist's edition of the bestselling coloring book *Lost Ocean*. This collection features 24 of the most popular illustrations from the book, presented single-sided on extra thick cardstock in a large-scale format, easy to remove and ideal for framing, display, or art projects.

Art Therapy: Extraordinary Gardens Warne

This is the black and white paperback edition of *Pattern*, published in hardback in 2016 by Saltyard Books. If you would like the original colour illustrated version of *Pattern* it is available in hardback ISBN 9781444734942. Creativity, collaboration, inspiration Emma Bridgewater's patterns are as quintessentially British as marmalade on toast - and they have made her distinctive homewares best sellers across the world. Her inspiration is often deeply personal - a plate of her mother's, a favourite children's book - and as she tells the stories of each pattern's creation, she reveals the intricate processes of research and collaboration behind the familiar designs she has stamped on our kitchenware - and our hearts - for the past thirty years. Both an entrancing trip down memory lane and a behind-the-scenes look at a thriving creative business, Emma Bridgewater's *PATTERN* is essential reading for anyone who has ever turned over their mug after draining their tea and wondered about the human story behind that proud declaration: Made in Stoke-on-Trent, England...

Emergent Strategy Millbrook Press

Count your way to sweet dreams with help from The Wonder Years/Hallmark actress, math whiz, and author Danica McKellar! This New York Times bestselling bedtime book with a math twist is perfect both for getting ready for bed and learning at home. This deceptively simple bedtime book sneaks in secret counting concepts to help make your 2-5 year old smarter . . . and by the end, sleeper! The first in the McKellar Math line, *Goodnight, Numbers* gives your child the building blocks for math success. As children say goodnight to the objects all around them—three wheels on a tricycle, four legs on a cat—they will connect with the real numbers in their world while creating cuddly memories, night after night. Loving numbers is as easy as 1, 2, 3! "A winner for bedtimes or storytimes focusing on counting." —School Library Journal "The joys of counting combine with pretty art and homage to *Goodnight Moon*." —Kirkus

The Uninhabitable Earth Gibbs Smith

"In the winter of 1982, long before she became the watercolor artist and author we know today, Susan Branch, 34-years-old and heartbroken from the sudden and unexpected end of her marriage in California, "ran away from home" to the Island of Martha's Vineyard hoping to gain perspective. It was meant to be temporary, a three-month time-out from the daily grind of being

broken up and miserable, but within days of her arrival, alone and not quite in her right mind, Susan "accidentally" bought a tiny one-bedroom cottage in the woods - which is how she discovered she was moving 3,000 miles away from everyone and everything she had known and loved. Funny, observant, touching, and addictive (you are not going to want this book to end), based on the diaries she has kept all her life, Susan Branch relates her inspirational tale of lost love and self discovery, her search for roots, purpose, and destiny with laugh-out-loud honesty. A road map for overcoming loss, following your heart, and making dreams come true, charmingly hand-lettered and watercolored in Susan's inimitable style, there are diary excerpts, recipes, and hundreds of photographs."--Provided by Amazon.com.

[How to Be a Wildflower](#) Frederick Warne Publishers

More than just a sticker book, this delightfully illustrated book has ideas and suggestions for where to go and what to bring on a nature hike, how to take leaf and bark rubbings, and how to make a Flower Fairy picnic to take with you. Complete with activities and projects, flower facts and myths, a quiz, puzzles and coloring pages, "The Flower Fairies Sticker Activity Book" also includes a pull-out seasonal nature chart. Full color.

The Crafted Garden Courier Dover Publications

The creator of the bestselling *Paper Blossoms* delivers more extraordinary flowers for the table. From a butterfly garden to a hummingbird's arbor, a branch of orchids to a vase of tulips, these four new breathtaking pop-up centerpieces brighten any table and fill any room with color and lasting beauty.

[#WeRateDogs](#) Createspace Independent Publishing Platform

In *The Exquisite Book of Paper Flower Transformations*, artist Livia Cetti ups the ante with a host of grander and more intricate flowers and projects—more blooms, more petals, stronger stems, and bigger, bolder arrangements! Cetti will teach you how to play with size, shape, color, and texture to create 25 vibrant single stems in a variety of natural shapes—globes, spikes, bells, saucers, rectangles, cones, and arcs—including hydrangeas, coral charm peonies, honeysuckles, and paperwhites. Then, you'll use these elemental shapes to build the 15 bright, abundant arrangements, including bold wreaths, bountiful bouquets, fantastical gilded wall art, and blooming garlands. Introducing new, neverbefore-seen techniques for dyeing paper and creating moldable leaves and petals, this gorgeous guide is perfect for

crafters of all skill levels interested in making realistic and unique home decor, gifts, accessories, and entertaining essentials.

[Pattern](#) Gibbs Smith

The essential resource from Martha Stewart, with expert advice and lessons on gardening and making the most of your spectacular blooms Martha Stewart's lifelong love of flowers began at a young age, as she dug in and planted alongside her father in their family garden, growing healthy, beautiful blooms, every year. The indispensable lessons she learned then--and those she has since picked up from master gardeners--form the best practices she applies to her voluminous flower gardens today. For the first time, she compiles the wisdom of a lifetime spent gardening into a practical yet inspired book. Learn how and when to plant, nurture, and at the perfect time, cut from your garden. With lush blooms in hand, discover how to build stunning arrangements. Accompanied by beautiful photographs of displays in Martha's home, bursting with ideas, and covering every step from seed to vase, *Martha's Flowers* is a must-have handbook for flower gardeners and enthusiasts of all skill levels.
