Astrology Made Easy Hay House, Inc Integrates the Egyptian pantheon, the ancient language of astrology, and

shamanic practices • Links each of the planets and signs in Western astrology with its Egyptian counterpart, such as Leo with Anubis • Includes sacred invocations and shamanic rituals to invite the wisdom of each Egyptian deity into your life • Offers a shamanic way to interpret natal horoscopes Shamanic Egyptian Astrology integrates the Egyptian pantheon, the ancient language of astrology, and shamanic practices to promote a new way to interpret and work with natal charts. Revealing the cross-cultural mythology and astrological significance of the individual Egyptian gods and goddesses, the authors link each of the 12 zodiac signs and 11 celestial bodies of Western astrology with its Egyptian ancestor, introducing new significance to their positions and interactions in a horoscope. For example, Leo is linked with Anubis and Taurus with Hathor. Venus is associated with the goddess Isis and Jupiter with Horus. Each chapter includes sacred invocations and shamanic rituals to invite the wisdom of each Egyptian deity into your life--such as calling on Sekhmet for action or Thoth for clarity. With sample interpretations of the charts of Barack Obama and Gloria Steinem, this book provides a practical framework for accessing the wisdom of ancient Egypt and offers astrological and shamanic tools for spiritual guidance and the coming shift in planetary consciousness.

### **Moon Astrology** Fair Winds Press

Tapping into the political power of magic and astrology for social, community, and personal transformation. In a cross-cultural approach to understanding astrology as a magical language, Alice Sparkly Kat unmasks the political power

of astrology, showing how it can be channeled as a force for collective healing and liberation. Too often, magic and astrology are divorced from their potency and cultural contexts: co-opted by neoliberalism, used as a force of oppression, or distilled beyond recognition into applications that belie their individual and collective power. By looking at the symbolic and etymological histories of the sun, moon, Saturn, Venus, Mercury, Mars, and Jupiter, we can trace and understand the politics of magic--and challenge our own practices, interrogate our truths, and reshape our institutions to build better frameworks for communities of care. Fearless, radical, and fresh, Sparkly Kat's *Postcolonial Astrology* ushers in a new wave of astrology revival, refusing to apologize for its magickism and connecting its power to the spirituality and politics we need now. Intersectional, inclusive, and geared towards queer and POC communities, it uses our historical and collective constructs of the planets, sun, and moon to re-chart our subconscious history, redefine the body in the world, and assert our politics of the personal, in astrology and all things. *Astrology* Penguin

In this inspiring guide to achieving happiness and wellness in life, work, and relationships, a “go-to life coach for those in the know” (InStyle) reveals how to use astrology as a roadmap to success. For thousands of years, people have looked to the night sky for guidance. Yet these days it’s so easy to lose touch with the universe and the important direction it can provide. In *The Signs*, astrologer and life coach Carolyne Faulkner reveals how the ancient wisdom of the stars can empower you to get the most out of life. Faulkner’s method is not about nebulous predictions or fate. It’s about discovering the qualities, good and bad, associated with your natal chart—the position of the planets at the time of your birth—and using that knowledge to inform your decisions and relationships. Easy to use and designed as both an introduction for the cosmically curious and a deep dive for experienced spiritual seekers, this guide shows you how to interpret your chart, find balance, and reconnect with yourself. Consult *The Signs* to learn what to do when:

- You’re an inflexible Taurus, resistant to change. (Create things. Even a home-cooked meal will heal you in wondrous ways.)
- You live with an argumentative Aries. (Never fight fire with fire. Wait till your partner calms down to discuss your feelings.)
- You have Capricorn influence. (Shed the need to conform. Structure is important, but it needs to be flexible enough to change as we grow.)
